PREAMBLE

This agreement is entered into as of January 1, 2019, between the Village of Bedford Park, hereinafter referred to as the Employer or the Village, and Service Employees International Union Local 73 (S.E.I.U. Local 73), hereinafter referred to as the Union. It is the intent and purpose of this Agreement to assure a sound and mutually beneficial working and economic relationship between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstanding or differences which may arise, and to set forth herein the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other terms and conditions of employment.

There is none and there shall be no individual arrangements made covering any part of this Agreement which are contrary to the terms herein provided unless by written agreement of the parties.

ARTICLE 1 RECOGNITION

Recognition.
The Village recognizes the Union as the sole and exclusive bargaining agent for purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment for: all permanent full-time and regular part-time employees of the Public Works and Water Departments of the Village of Bedford Park in the positions of working foreman, maintenance worker and custodian, but excluding the Superintendent of Public Works Department and the Superintendent of the Water Department, supervisors, confidential employees and managerial employees as defined by the Act and all other employees of the Village of Bedford Park.

Probationary Employees.
Probationary employees are defined as those employees with less than twelve (12) months of service. Probationary employees shall not be covered under the terms and conditions as set forth in this Agreement.

Section 1. Official Spokesperson.

It is understood and agreed that the Union President or his/her designee will be the official spokesperson for said Union in any matter between the Union and the Employer.

ARTICLE 2 UNION SECURITY AND CHECK-OFF

Section 1. Deductions.

Upon receipt of a signed authorization from an employee in the form set forth in Appendix A, the regular monthly dues and initiation fees of the Union shall be deducted from such employee’s pay. The Treasurer of the Union shall certify to the Village Treasurer by mail the amount of the dues to be deducted. Such deductions shall be made bi-weekly and shall be remitted monthly, along with an itemized statement, to the Treasurer by the 10th of the next month. If the Union believes the amount remitted is incorrect, it must give written notice to the Employer and state the reasons for its belief within two (2) calendar weeks of receipt of the remittance.
Section 2. Indemnification.

The Union shall indemnify the Village and any Department of the Village and hold it harmless against any and all claims, demands, suits, legal costs, or other forms of liability, monetary or otherwise, arising out of, or by reason of, any action taken by the Village or any Department of the Village, for the purpose of complying with the provisions of this article.

ARTICLE 3 ANTI-DISCRIMINATION

Section 1. No Discrimination.

The Union and the Employer agree not to discriminate against employees covered by this agreement on account of race, religion, creed, color, national origin, sex, age, mental or physical disability.

Section 2. Rights Under the Agreement.

No employee covered under this agreement shall be intimidated, coerced, restrained, reprimanded, penalized, or discriminated against in any manner because they have exercised their rights and privileges provided for in the terms of this Agreement which include, but are not limited to, the processing of grievances.

Section 3. Gender Reference.

All references to the employees in this agreement are intended to designate both sexes, and wherever the male gender is used it shall be construed to include both male and female employees.

ARTICLE 4 UNION VISITATION AND UNION BUSINESS

Section 1. Visitation by Union Personnel.

The Village agrees that non-employee representatives of the Union shall have reasonable access to the premises of the Employer during working hours for the purpose of ascertaining whether or not this Agreement (contract) is being observed by the parties, only on complaint of an employee and only with reasonable advance notice to the Department Head. The Union agrees that such activities shall not interfere with the normal work duties of employees. The Employer reserves the right to designate a meeting place or to provide a representative to accompany such a Union representative where operational requirements or hazardous conditions do not permit unlimited access.

A non-employee representative of the Union who seeks to have a discussion with an employee shall do so during non-working hours, if possible. Otherwise, the Union representative shall obtain prior permission from the Department Superintendent before arriving at a work site. If the Superintendent permits the discussion during working hours, the discussion shall last no longer than ten (10) minutes.
Section 2. Leaves of Absence for Union Business.

In the aggregate, members of the Union shall be permitted up to two (2) weeks unpaid leave of absence in any twelve-month period to attend Union functions, such as seminars, conventions and training courses. All such leaves shall be requested in writing from the President of SEIU Local 73 or his designee at least thirty (30) days in advance. Leave will not be granted for more than one employee at a time unless in the sole discretion of the affected Department Heads staffing needs permit multiple absences.

ARTICLE 5 UNION DELEGATES AND REPRESENTATIVES

Section 1. Delegates.

The Union shall have the right to certify one (1) Delegate from the Public Works Department and one Delegate from the Water Department. One of these Delegates shall be the Primary and the other the Alternate Delegate. The Alternate Delegate will act in the absence of the Primary Delegate.

Section 2. Notice.

The Union President shall notify the Village President in writing of the name of Union delegates within fifteen (15) days of their certification. The Union President or his/her designee shall inform the Village verbally of any changes within forty-eight (48) hours of certification.

Section 3. Grievances.

The Primary Delegate, or in his absence, the Alternate Delegate, with the assistance of a non-employee Union representative may investigate, consult with the Village about and settle grievances during non-working hours. The Union agrees that discussion of grievance matters shall not interfere with the normal work duties of employees.

ARTICLE 6 EMPLOYER RIGHTS AND OBLIGATIONS

Section 1. Management Rights.

The Employer has and will continue to retain the right to operate and manage its affairs in each and every respect. The rights reserved to the sole discretion of the Employer shall include, but not be limited to, rights:

A. To determine the organization and operations of Public Works and Water Departments.

B. To set standards for the Services to be offered to the public.

C. To direct the employees of the Public Works and Water Departments, including the right to assign work and overtime.
D. To increase, reduce or change, modify or alter the composition and size of the workforce, including the right to relieve employees from duties because of lack of work or funds or other proper reasons.

E. To establish work schedules and to determine the starting and quitting time, and number of hours to be worked.

F. To establish, modify, combine or abolish job positions and classifications.

G. To add, delete or alter methods of operation, equipment or facilities.

H. To determine the locations, methods, means and personnel by which operations are to be conducted, including the right to determine whether goods or services are to be made, provided or purchased.

I. To establish, implement and maintain an effective internal control program.

J. To suspend, demote, discharge, or take other disciplinary action against employees with just cause.

K. To add, delete or alter policies, procedures, reasonable rules and regulations.

Provided that the reasonable exercise of the above rights shall not conflict with any of the provisions of this Agreement.

ARTICLE 7 HOURS OF WORK AND OVERTIME

Section 1. Purpose of Article.

This Section is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Village from restructuring the normal work day or work week for the purpose of promoting the efficiency of municipal government; from establishing the work schedules of employees; and establishing part-time positions.

Section 2. Work Week.

The normal work week shall consist of forty (40) hours per week and such additional time as may, from time to time, be required in the judgment of the Village to serve its citizens. The normal work week shall consist of five (5) eight consecutive (8) hour work days in a week which may be interrupted by an unpaid lunch period.

Section 3. Work Day.

The normal work day for employees covered by this Agreement, other than part-time employees, shall be eight (8) consecutive hours of work, which may be interrupted by an unpaid thirty (30) minute meal period, within a twenty-four (24) hour period.
Section 4. Work Shift.

A work shift is defined as a regularly recurring period of work with a regular starting and ending time, exclusive of overtime work.

Section 5. Change in Normal Workweek and Workday.

Any changes in hours of work shall be discussed with the Union at least 15 working days prior to the change unless in an emergency. No hours will be changed for the purpose of avoiding overtime.

Section 6. Overtime Payment.

A. Employees covered by this Agreement shall be paid one and one-half (1-1/2) times their regular straight time hourly rate of pay for all authorized hours of work (beginning with the 16th minute) in excess of forty (40) hours in a workweek. All Sunday work shall be paid at one and one-half (1-1/2) times the regular straight time rate whether or not the total number of hours worked during the workweek exceeds forty (40). Employees who work on holidays shall receive their regular holiday pay (eight hours at regular straight time hourly rate) plus they shall be paid at a rate of one-and one-half (1-1/2) the regular straight time hourly rate for all hours worked. There shall be no pyramiding of overtime.

B. Water Department employees scheduled to read meters on weekends will receive a minimum of two (2) hours of pay at regular overtime rates as specified in Section 6, Paragraph A above, regardless of whether or not they have worked forty (40) hours or more in that work week.

Section 7. Scheduling of Overtime.

Overtime shall be distributed as equally as practical among the employees within the Water Department and among employees within the Public Works Department according to seniority within classification. New equalization periods shall begin as of January 1 of each calendar year.

Section 8. Emergency Vacation Call Back.

Vacation call back is to be paid at double time with a minimum of four (4) hours. Any employee who is called back to work outside of his/her regularly scheduled shift shall be paid for the hours worked or a minimum of two (2) hours pay at regular overtime rates, as specified in Section 6, Paragraph A above, whichever is greater. Call back time shall begin when the employee punches in at the Public Works Garage or Water Department Shop. If the call back overlaps with the employee’s regular shift, the employee shall be compensated the appropriate call back time rate of pay until his regular shift begins and the regular shift shall continue until the employee’s normal quitting time.
ARTICLE 8 PERSONNEL FILES

Section 1. Access to File.

Upon reasonable request, employees or their authorized Union representatives shall have the right to review the contents of their personnel files subject to the following:

A. Inspections shall occur during non-working hours at a time mutually agreeable to the Village and the employee;

B. A single copy of any materials in an employee’s personnel file shall be provided at the Village’s expense;

C. Pre-employment information such as references or credit checks, any other information provided in confidence, and the results of on-going investigations of criminal misconduct shall not be available for inspection or copying; and

D. Employees may attach dissents or replies to any material in their personnel file.

Section 2. Use of Material in File.

No material will be removed from the file. The length of time between the date of previous discipline and any current misconduct will be considered in determining the weight to be given such discipline. Generally, discipline that involves violation of work rules but no harm to the Village or an individual will be given little or no weight if the discipline is more than two years old.

ARTICLE 9 GRIEVANCE PROCEDURE

Section 1. Definition of Grievance.

A grievance is a difference of opinion between the Union and/or an employee and the Employer with respect to the meaning, interpretation, or application of the express terms of the agreement.

Section 2. Procedures.

It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. Any time period provided for under the steps in the grievance procedure may be mutually extended or contracted.

Step One: If the parties are unable to resolve the grievance informally, the Employee, with or without a union representative, shall submit such grievance for resolution by means of the formal grievance procedure provided such grievance is reduced to writing on a form and presented to the Employee’s Department Head within ten (10) calendar days of the occurrence or circumstance giving rise to the grievance or within ten (10) calendar days of when the grievant should have reasonably known of such occurrence or circumstance. The grievance shall contain a statement of the facts and circumstances, the provision(s) of the Agreement alleged to have been violated and the relief sought. As soon as possible after receipt of the grievance, the Department Head shall schedule a meeting
with the Employee, with or without a union representative, to discuss the grievance. Within ten (10) calendar days after said meeting, the Department Head shall respond to the grievance in writing.

**Step Two:** If not adjusted at step one, the grievance shall then be submitted in writing and presented by the grievant and/or the Union to the Village Board within ten (10) calendar days following the receipt of the response at step one. The grievance shall state the reason for believing that the grievance was improperly denied at step one.

The Village Board or any individual(s) designated by the Board shall attempt to adjust the grievance as soon as possible, and therefore will schedule a meeting with the employee, the Department Head, and the Union representative within ten (10) calendar days after receipt of the grievance from the Union.

The Village Board shall then render a written decision within ten (10) calendar days of the meeting. If the grievance is denied, the reasons for denial will be stated.

**Step Three:** If the grievance is not settled at step two, the matter shall be referred to arbitration by written request of the Union, made within fifteen (15) calendar days of the Employer’s answer in step two.

Arbitration shall proceed in the following manner:

A. The arbitrator shall be selected from a list supplied by the Federal Mediation and Conciliation Service. Such list shall contain the names of at least seven (7) members of said service.

   A representative of each party shall alternately strike a name from the list within five (5) days following the receipt of the list. The final name remaining on the list shall be the arbitrator. The party to strike first shall be determined by lottery. Each party retains the right to reject one entire list of arbitrators prior to the initiation of the striking process.

B. Processing and hearing of the grievance shall be in accordance with the rules of the arbitration service.

C. The arbitrator shall issue his/her decision not later than thirty (30) calendar days from the date of closing of any conference or hearing, if such a conference or hearing is necessary, or the submission of briefs by the parties, whichever is later. If no conference or hearings are required, then the decision shall be submitted no later than thirty (30) days from the date when the final grievance documents are submitted to the arbitrator.

D. The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and conclusions of the issued submitted.

E. Any decision of the arbitrator rendered within the limitations of this Article shall be final and binding upon the Village, the Union and the employees covered by the Agreement.
F. The fees and expenses of the arbitrator and the cost of a written transcript, if any, shall be borne equally by the Union and the Employer. Each party will be responsible for compensating its own representatives and witnesses.

G. If meetings or hearings are held with the arbitrator, and those meetings are not held during the normal working hours of the grievied employee, then no additional compensation or overtime payment shall be made by the employer to either the grievied employee, witnesses, or representatives of the Union.

H. The arbitrator may interpret this Agreement, but shall have no right to ignore, nullify, add to, take from, or modify any of the provisions of this Agreement. The arbitrator shall consider and decide only the question of fact as to whether there has been a violation of a specific provision(s) of this Agreement. The arbitrator shall be empowered to determine the issue raised by the grievances at the first step. The arbitrator shall have no authority to decide any issue not so submitted or raised. The arbitrator shall have no authority to make a decision or award which is contrary to or inconsistent with any applicable federal or state laws or rules and regulations of administrative bodies that have the force or effect of law.

The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Village under law and applicable court decisions.

ARTICLE 10 NO STRIKES / NO LOCKOUTS

Section 1. Union.

During the term of this Agreement, neither the Union nor any of its agents shall authorize, institute, aid, condone or engage in a slowdown, work stoppage, refusal to cross picket lines or other interference with Village work.

Employees violating this Section may be terminated and neither they nor the Union shall have any recourse to the grievance procedure except to ascertain whether or not the employee has violated this Section.

The Union agrees to notify all employees in the bargaining unit of their obligation and responsibility for maintaining compliance with this Article, including their responsibility to remain at work during any interruption which may be caused or initiated by others and to encourage employees violating this Article to return to work.

Section 2. The Village.

The Village agrees for the term of this Agreement not to lock out any employee as a result of a labor dispute.
ARTICLE 11 SENIORITY

Section 1. Definitions.

Seniority is hereby defined as the employee’s length of continuous service with the Village. Department seniority is hereby defined as the length of continuous service in the employee’s department of employment, i.e., Water or Public Works. Continuous service is defined as the length of full-time service since the employee’s last date of hire. Continuous service shall accumulate during all authorized paid leaves of absence. Continuous service shall not accumulate during unauthorized absences, authorized unpaid leaves of thirty (30) days or more, or during layoffs. When two (2) or more employees have the same continuous service, their seniority or Department seniority position shall be determined by the date and time of their original application for employment with the Village.

Section 2. Probationary Employees.

New employees shall be considered probationary employees for the first twelve (12) months of their employment. During probation, an employee can be disciplined or discharged by the Village for any or no reason. When an employee successfully finishes his or her probationary period, they will be entered on the seniority list of the unit as of the original date of employment. The Union shall represent probationary employees for the purposes of collective bargaining in respect only to rates of pay, wages and hours of employment.

Section 3. Seniority Rosters.

No later than two (2) months after the effective date of this Agreement, the Employer shall prepare and post seniority rosters for bargaining unit employees in each department. If an employee has a problem with the accuracy of the list, he or she must notify the department head within five (5) days of the posting. If the employee does not raise a problem within five (5) working days, the list shall be deemed accurate. One (1) copy shall be furnished to the Union. The rosters will list each employee in the order of seniority and reflect each employee’s department seniority. The Employer will provide the Union with information that is necessary to keep the seniority list up to date whenever a change occurs.

Section 4. Application of Seniority.

Seniority and department seniority shall apply, as set forth in Section 5 below, to lay off and recall decisions and as otherwise specified in this Agreement.

Section 5. Lay-Offs and Recall.

The Village in its discretion shall determine if layoffs are necessary. Those employees with the greatest skill, demonstrated ability and most satisfactory performance record will be retained. If all the other factors are equal, the employee with the greatest Department seniority will be retained. The Village will provide employees with at least a twenty-one (21) day notice of impending layoffs.

Employees on layoff shall be placed on a twelve (12) month recall list. Before new employees are hired, employees who are on the recall list shall be recalled in inverse order of their layoff.
Employees who are eligible for recall will be given twenty-one (21) calendar days' notice of recall with the first of the 21 days being the date the notice is postmarked by the United States postal service. Notice of recall shall be sent to the employee by certified mail, return receipt requested. If the employee does not report to work on the date specified in the notice of recall, the employee waives any right to recall. The Village shall be deemed to have fulfilled its obligation by mailing the recall notice as indicated in this section to the mailing address last provided by the employee. It is the obligation of the employee to provide the Department Head with the employee's current mailing address in order to comply with this Section.

Section 6. Termination of Seniority.

An employee covered by this agreement shall have his or her employment terminated with the Village and his/her name removed from the seniority list under, but not limited to, the following conditions:

A. He/she quits, resigns or retires;

B. He/she is discharged for just cause;

C. He/she is laid off and fails to respond to a notice of recall in accordance with Section 5 above;

D. He/she is laid off and does not perform bargaining unit work for the Village for a period in excess of two years; or

E. He/she falsifies the reason for a leave of absence or engages in gainful employment for someone other than the Village while on leave of absence, without the prior written permission of his/her Department Head.

F. It is the general policy of the Village to continue to utilize the employees to perform work they are qualified to perform. However, the Village reserves the right to contract out any work it deems necessary to the interest of the economy, department operations, improved work product, or emergency, providing such subcontracting will not cause the layoff or reduction in force of any bargaining unit employee.
ARTICLE 12 HOLIDAYS

Section 1. Holidays.

All full-time employees shall be eligible for the following holidays:

New Year’s Day
President’s Day - February (Federal designated day)
Good Friday
Memorial Day (Federal designated day)
Independence Day - July 4th
Labor Day
Thanksgiving Day
Christmas Day
Employee’s Birthday

Subject to the manning requirements of the Department, employees may choose to take their birthday holiday on a day other than their birthday, in which case they shall give their supervisor no less than forty-eight (48) hours’ notice of the day they wish to take off.

In addition to the above, all full-time employees shall be eligible for one (1) floating holiday each calendar year; to be used at the discretion of their supervisor. The floating holiday must be used in the current calendar year. It cannot be carried over to another calendar year and the employee will not be compensated for the floating holiday if it is unused.

Section 2. Eligibility.

To be eligible to receive pay for any of the above days off, employees must work on their normal working day preceding and their normal working day following the holiday. Absence due to illness may require a doctor’s statement. If a holiday falls on a Saturday, the preceding Friday shall be the observed holiday. If a holiday falls on a Sunday, the following Monday shall be the observed holiday.
ARTICLE 13 VACATIONS

Section 1. Vacation Leave.

Vacation will be given to employees in accordance with the schedule below. In scheduling vacation time off, more senior employees will have preference over less senior employees.

- One (1) year completed - Two (2) weeks vacation (10 working days).
- Five (5) years completed - Three (3) weeks vacation (15 working days).
- Ten (10) years completed - Four (4) weeks vacation (20 working days).
- Fifteen (15) years completed - Five (5) weeks vacation (25 working days).
- Twenty (20) years completed - Five (5) weeks & three (3) days vacation (28 working days).
- Twenty-five (25) years completed - Six (6) weeks vacation (30 working days).

Vacation leave will be granted on a calendar year basis for all employees, rather than on employment anniversary. Vacation leave will have to be taken during a calendar year, and employees will be entitled to take vacation per the aforementioned schedule beginning January 1st. The number of vacation days as of January 1st will be determined based upon the employee’s employment seniority date for that calendar year. New employees will be entitled to take vacation leave on their first employment anniversary, prorated from their employment anniversary date to December 31st by calculating .83 days per month. Thereafter, their vacation leave will be on a calendar year basis.

Such carried-over vacation must be scheduled within sixty (60) calendar days of the employee’s return to work and taken at a time mutually agreed upon between management and the employee.

Vacation requests will be granted by seniority, except that single day requests will be granted on a first come, first granted basis for days not scheduled during the initial sign-up period.

**ARTICLE 14 WELFARE AND OTHER BENEFITS**

Section 1. **Sick Leave.**

Two alternative paid sick leave programs shall be maintained by the Village: (1) the traditional program involving no accrual of paid sick leave by employees from year to year, and (2) an accrual program. All employees hired after January 1, 2009, shall be required to participate in the accrual program. For those employees hired prior to January 1, 2009 and had made the program election; the election is irrevocable, except at the sole discretion of the Department Head, which shall not be exercised arbitrarily. Employees who elected to remain in the traditional program will be permitted to remain in the program until retirement.

**Traditional Program**

All non-probationary full-time employees shall be granted sick leave, with pay, at the rate of one (1) working day for each two months of service. A month of service is one in which an employee actually works at least twenty (20) working days. The number of sick days will be increased by one day after each two months of service during the first calendar year following completion of probation. On December 1 of the employee’s second calendar year of employment, he/she will be eligible to use six (6) sick days. Accrued sick leave during a calendar year will carry over if the employee changes departments within the Village provided there is no break in service longer than thirty (30) days.

Employees may use sick leave in increments of four (4) hours provided they present a doctor’s note for the time.

An employee who is sick or injured and cannot work shall inform his/her department head that he/she will be absent at least one-half hour before his/her scheduled starting time.
There shall be no carryover of accrued sick days from one calendar year to the next. If an employee uses less than the number of sick days he/she accrued in a calendar year, he/she will be paid at their current rate of pay for each day not used at the end of the calendar year. If an employee uses no sick days during an entire calendar year, he/she shall receive two bonus sick days in the following year. Bonus days will not pyramid in subsequent years. Records of sick leave credit and use shall be maintained by the Village. The amount of sick leave accumulated at the time when any sick leave begins shall be available in full.

If a full-time non-probationary employee is absent and cannot work because of illness or non-work-related injury for seven (7) or more consecutive work days, the Village shall supplement any disability insurance payments so that the employee receives a sum equal to his/her base pay for up to thirty (30) calendar days of absence. Any employee required to be examined as provided in this paragraph shall also provide a signed copy of the “Medical Release/Return to Work” permit.

Sick leave may be used for illness, disability incidental to pregnancy, or non-job related injury to the employee.

After three (3) consecutive work days of absence due to illness or the number of days provided for in Village policy, whichever is greater, employees shall submit to their Department Head a Doctor’s certificate as proof of illness. Sick leave shall not be used as additional vacation leave or as personal leave. Sick leave may be used as maternity leave by employees. Any employee, who is subject to the rules in this paragraph shall have a “Medical Release/Return to Work” permit completed by his/her Physician prior to returning to work. This permit shall indicate the ability of the employee to carry out work tasks normally associated with said employee’s job. An employee who has been off duty for the number of consecutive days provided for in this paragraph for any health reason may be required to undergo an examination by the Employer’s physician before returning to work.

For health-related absences of less than the number of consecutive days provided for in the paragraph above, a Doctor’s statement or proof of illness will not be required except in individual instances where the Employer has sufficient reason to suspect that the individual did not have a valid health reason for the absence. If indicated by the nature of a health-related absence, examination by the Employer’s physician may be required to ascertain whether the employee is physically fit to return to work.

**Accrual Program**

1. Employees participating in the accrual program shall receive 96 hours of paid sick leave per year of active, full-time employment with the Village. Leave will accrue at a rate of 8 hours per month. In the event of a need to use leave during the first year of employment with the Village, an employee in good standing will be permitted to borrow and use sick leave which would accrue to him or her later in the year.

2. Any unused sick time will remain in the employee’s personal account and will accumulate from year to year until needed or until retirement. Employees participating in the accrual program will not receive bonus days, will not be
compensated for unused time at the end of the year and will not have access to the 30-day income supplement benefit.

3. Upon retirement, an employee with accrued sick leave will have three options with regard to disposal of that time:
   a. The employee may elect to be paid for such time at a rate of 50% of what that time would be worth at the time of retirement.
   b. The employee may elect to use the accrued sick leave to buy service credit in accordance with applicable rules and regulations of IMRF.
   c. The employee may elect to take the time as paid leave from which he or she would transition directly into retirement.

4. Employees may use sick leave for their own medical condition or for the medical condition of an immediate family member. For purposes of this section only, “immediate family member” shall be defined as: spouse, child or other family member living in the same household.

5. For pay purposes, hours of sick leave used will be rounded to the nearest four (4) hours.

6. Transition to accrual program for current employees: Current employees who elect to change from the traditional sick leave program to the accrual program will pass through a transition phase. During the first two years of the contract (January 1, 2009-December 31, 2010) the employee will retain the ability to use the thirty (30) calendar day full-pay major illness/injury benefit as provided in Section B.4 of the contract. During the third year of the contract (January 1, 2011 –December 31, 2011) the employee will retain the ability to use this benefit for up to twenty (20) calendar days. During the fourth year of the contract (January 1, 2012 – December 31, 2012) the employee will retain the ability to use this benefit for up to ten (10) calendar days.

Re: SEIU 73 and Village of Bedford Park/Stipends Issue

Dear Mr. Richert:

This letter sets forth the parties' understandings with respect to the Stipends provided for in Appendix C of the collective bargaining agreement.

In the event an employee who is receiving a stipend as of the date of ratification of this collective bargaining agreement does not possess a valid certification for that particular stipend, the parties agree that payment of the stipend shall be suspended, and the employee shall have six (6) months, from the date of ratification, in which to produce the certification. If the employee produces the certification within the six-month period, the payment of the stipend shall be reinstated, retroactive to the date on which it was suspended. If the employee does not produce the certification within the six-month period, the employee will not be eligible for the stipend until he or she produces a valid certification, and payment of the stipend shall be prospective only.

If the above accurately reflects our agreement, please so indicate by signing your name below.

Sincerely,
