It is the purpose of this Agreement to achieve and maintain harmonious relations between the Employer and the Union; to provide for equitable and peaceful adjustments of differences which may arise; and to establish proper standards of wages, hours, and other conditions of employment as set forth herein.

Section 1

The Village shall retain the sole right and authority to operate and direct the affairs of the Village including the Fire Department in all its various aspects. practice or course of conduct, negotiations or bargaining proposals, or otherwise, unless expressly
made part of this Agreement. Specifically, but without limiting the generality of the foregoing, it is
distinctly understood and agreed that this Agreement does not affect and shall not be deemed or
construed to impair or limit in any way the Village's right in its sole discretion and judgment to

SECTION 4: THE ADMINISTRATION OF TESTS

The Village may require an Employee to submit immediately to Breathalyzer, blood and/or urine tests on a random or specified situation basis, or if the Village otherwise determines there is probable cause for such testing. If an Employee is required to undergo such testing, based on probable cause, the Village will provide the Employee with the basis for such probable cause in writing at or about the time the test is administered. If the written basis is not provided prior to the actual test, a verbal statement of the basis will be provided prior to administering the test and the written basis will be provided within three (3) days thereafter.

Random testing shall be done on dates and at times and places designated by the Fire Chief or designee. A Union representative shall be advised of the date, time and place for the testing and the name(s) of the Employee(s) to be tested. The Union shall have the right to have a Union representative present at the test site, provided that the Union representative is available within one (1) hour of when the Union is notified. No Employee shall be subject to random testing more than once in an eighteen-month period, and no Employee shall be required to take a random test a second (or third) time during each calendar year until all other non-probationary Employees in the bargaining unit have been tested once (or twice, as the case may be).

Specified situation testing may occur in the following circumstances:

A. During an assignment of a Firefighter to the EAP, and upon his return to duty with the Department;

B. If a Firefighter is involved in a motor vehicle or other accident while in the performance of his duty;

C. Upon promotion to a higher rank; or

D. If the Firefighter has experienced excessive absenteeism or tardiness under circumstances giving rise to a reasonable suspicion of off-duty drug or alcohol abuse.

The Village may use breathalyzer tests as well as urine and blood tests for alcohol testing. For drug/alcohol tests not involving a breathalyzer, the Village shall use only licensed clinical laboratories and shall be responsible for maintaining the proper chain of custody. The Village shall maintain a list of approved licensed clinical laboratories and shall offer the Employee a choice of one of at least two (2) such laboratories for the conduct of drug tests pursuant to this Policy. The taking of urine samples shall not be witnessed unless there is probable cause to believe the Employee is tampering with the test procedures. If the first test results in a positive finding, a confirmatory test (GC/MS or a scientifically accurate equivalent) shall be conducted.
AGREEMENT BETWEEN: VILLAGE OF CARPENTERSVILLE & CARPENTERSVILLE FIREFIGHTERS ASSOCIATION SEIU LOCAL 73 (2018-2021)

An initial positive test result shall not be submitted to the Village unless a confirmatory test result is also positive as to the same sample. Upon request, the Village shall provide an Employee with a copy of any test results, which the Village receives with respect to such Employee.

A portion of the tested sample shall be retained by the laboratory so that the Employee may arrange for another confirmatory test (GC/MS or a scientifically accurate equivalent) to be conducted by a licensed clinical laboratory of the Employee’s choosing and at the Employee’s expense. Once the portion of the tested sample leaves the clinical laboratory selected by the Employer from the list maintained by the Village, the Employee shall not have access to the sample and shall be responsible for maintaining the proper chain of custody for said portion of the tested sample.

Within two (2) working days after the test is administered, the Employee may request a meeting with the Fire Chief or designee, with or without Union representation. At any such meeting, the Employee and/or the Union may raise issues relating to the testing, including probable cause. The Employee shall also have a one-time only option at this meeting to admit to a drug/alcohol illness and to seek assistance from the Village’s Employee Assistance Program ("EAP"). If the Employee invokes this option, the test results shall not be made available to the Village.

Except where the Employee invokes the one-time only option to admit to the illness and to seek assistance from the EAP, the results of any positive tests shall be made available to the Village. If an Employee tests positive for the use of a proscribed drug, the Village may take such action as the Village in its discretion deems appropriate. The first time an Employee tests positive for substance abuse involving something other than a proscribed drug, and/or if the Employee invokes the one-time only option to admit to the illness and to seek assistance from the EAP, the Employee shall be required to enter and successfully complete the EAP, during which time the Employee may be required to submit to random testing with the understanding that if the Employee again tests positive for the use of a drug/alcohol illness, the Village may take such action as the Village in its discretion deems appropriate. The Village in any event retains the right to take such action as the Village in its discretion deems appropriate including discharge if an Employee engages in conduct prohibited by Section 3 of this Article, or in conduct that is otherwise subject to discipline and is aggravated by drug or alcohol abuse.

Conduct prohibited by Section 3 of this Article shall be cause for discipline including termination.

SECTION 5: VOLUNTARY REQUESTS FOR ASSISTANCE

Except where there is imminent danger to the life of an Employee or others and except where the Employee has invoked the one-time only option to admit to the illness and to seek the assistance provided for in Section 4, above, the administrator of the Village’s EAP shall maintain in strict confidentiality the fact that an Employee has voluntarily sought assistance from the Village’s EAP. Seeking confidential assistance from the Village’s EAP shall not be grounds for disciplinary action; however, the seeking of such confidential assistance also shall not insulate an Employee from the consequences of engaging in conduct prohibited by Section 3.

SECTION 6: EXPUNGEMENT

If an Employee is ordered to take a drug or alcohol test pursuant to this Policy, and the findings on either the initial or confirmatory test are negative, the test results as well as all records of and references to the test and/or the order to take the test shall be expunged from the Employee’s personnel records no later than two years after the date of the test, unless the Employee has tested positive on another occasion within the two-year period.

The parties recognize the principles of progressive and corrective discipline. Disciplinary action or measures may include the following:

A. Oral reprimand
B. Written reprimand
C. Suspension (notice to be given in writing)
D. Discharge

Disciplinary action may be imposed upon a non-Probationary Employee only for just cause. Disciplinary action or measure imposed upon a non-Probationary Employee may be processed as a grievance only as set forth in the section on Disciplinary Grievances. For purposes of this Agreement, a Probationary Employee is an employee who has not completed one year of service in the Fire Department. Probationary Employees may be disciplined or discharged at will.

If the Village has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the Employee before other Employees or the public.

SECTION 2: LIMITATION

The Village's agreement to use progressive and corrective disciplinary action does not prohibit the Village in any case from imposing discipline which is more or less severe than set forth above.

SECTION 3: INVESTIGATORY INTERVIEWS

Where the Village desires to conduct an investigatory interview of an Employee where the results of the interview might result in discipline, the Village agrees to first inform the Employee that the Employee has a right to Union representation at such interview. If the Employee desires such Union representation, no interview shall take place without the presence of a Union representative. The role of the Union representative is limited to assisting the Employee, clarifying the facts and suggesting other Employees who may have knowledge of the facts.

ARTICLE XXI

SECTION 4: ILLINOIS ACCESS TO PERSONNEL RECORDS ACT

The Village will comply with the Illinois Access to Personnel Records Act in its entirety.

ARTICLE XXII
GRIEVANCE PROCEDURE

SECTION 1: GRIEVANCE DEFINED

A grievance for the purpose of this Agreement is defined as a difference of opinion between an Employee covered by this Agreement and the Village with respect to the meaning or application of the express terms of this Agreement.
SECTION 2: PROCEDURE

Grievances shall be settled in the following manner. If a grievance is not filed or appealed to any step of the grievance procedure or arbitration within the time limits set forth herein, it shall be considered to have been settled on the basis of the Village's last answer. If the Village does not answer the grievance within the applicable time limit, the grievance shall be denied at that step at the time such answer is due.

Step I

The Employee concerned must submit a grievance in writing to the Employee's Shift Commander within 7 (seven) days of the first instance of the alleged act or omission, which is the subject of the grievance. If not raised within the applicable time limit, the grievance shall be deemed to have been waived and shall not be processed further. The Shift Commander shall attempt to adjust the grievance at that time and render a written decision within fourteen (14) calendar days.

Step II

If the grievance is not settled at Step I, the grievance may be submitted in writing by the Union only to the Fire Chief or designee within seven (7) calendar days who shall render a written decision within fourteen (14) calendar days after the receipt of the grievance.

Step III

If the grievance is not settled at Step II, the grievance may be submitted by the Union only within seven (7) calendar days to the Village Manager who shall render a written decision within fourteen (14) calendar days after the receipt of the grievance.

Step IV

If the grievance is not settled in accordance with the foregoing procedure, the Union may refer the grievance to arbitration by giving written notice to the Village Manager within twenty-eight (28) calendar days after receipt of the Village's answer in Step III (or if no answer, the last date for such answer). The parties shall attempt to agree upon an arbitrator promptly. In the event the parties are unable to agree upon an arbitrator, they shall jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators from Illinois, Wisconsin, or Indiana who are members of the National Academy of Arbitrators. The parties shall alternatively strike one (1) name at a time from the list until one (1) name remains, with a coin toss being used to determine who strikes first; providing that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of his selection by a joint letter from the Village and Union requesting that he set a time and place for hearing, subject to the availability of the Village and Union representatives. The arbitrator shall have no authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of this
AGREEMENT BETWEEN: VILLAGE OF CARPENTERSVILLE & CARPENTERSVILLE FIREFIGHTERS ASSOCIATION SEIU LOCAL 73 (2018-2021)

Agreement. He shall consider and decide only the specific issue submitted to him and his award and decision shall be based solely upon his interpretation of the meaning or application of the terms of this Agreement to the facts of the grievance presented. The decision of the arbitrator shall be final and binding. The costs of the arbitration proceeding, including the fee and expenses of the arbitrator, shall be divided equally between the Village and the Union.

SECTION 3: REPRESENTATION

Grievances may be processed by the Union on behalf of an Employee or on behalf of a group of Employees. The grievant or one (1) grievant representing a group of grievants may be present at any step of the grievance procedure, and the Employee is entitled to Union representation at every step of the grievance procedure upon his or her request. Grievances may be filed on behalf of two (2) or more Employees by the Union only, and only if the same facts, issues and requested remedy apply to all Employees in the group.

SECTION 4: SUBJECT MATTER

Only one (1) subject matter shall be covered in any one (1) grievance. A grievance shall contain a statement of the grievant's position, the Article and Section of the Agreement allegedly violated, the date of the alleged violations, the relief sought, the signature of the grieving Employee(s), and the date of filing. The Employee(s) shall only be excused for the amount of time reasonably required to present the grievance. The Employee(s) shall not be paid for any time during which a grievance meeting occurs outside of the Employee's work shift. In the event of a grievance, the Employee's assigned work task shall be performed first and the grievance filed later, unless the Employee reasonably believes the assignment endangers his safety. RESOLUTION OF GRIEVANCE

FOR THE UNION: __________/________/________ FOR THE UNION: __________/________/________
WHEREAS, SEIU Local 73 ("Union") represents the Village of Carpentersville's ("Village") part-time firefighters; and

WHEREAS, SEIU and the Village are parties to a collective bargaining agreement with a term from May 1, 2018 to December 31, 2021; and

WHEREAS, it is mutually desirable to schedule part-time employees to work on regularly recurring shifts so that the employees can better anticipate their work hours, and so that the firefighting teams can develop better cohesion, efficiency, and can work together more safely; and

WHEREAS, the Village and the Union desire to work cooperatively to increase the level of service provided to the community;

NOW, THEREFORE, the parties agree as follows:

1. The Village shall implement the attached Standard Operating Guideline regarding the "Part-Time Firefighter Work Schedule." The Union agrees that the Village has complied with all notice and discussion requirements regarding the development and implementation of the Standard Operating Guideline.

2. An employee's election to work as a Part-Time Shift Firefighter or as a Part-Time Non-Shift Firefighter (as those terms are used in the attached Standard Operating Guideline) shall not diminish their right to be represented by the Union. SEIU Local 73 shall remain the exclusive bargaining representative for all Part-Time Shift Firefighters and all Part-Time Non-Shift Firefighters for the duration of this Agreement.

3. Nothing within this Agreement shall restrict the Village's management right to make or amend rules and regulations, including the right to amend the attached Standard Operating Guideline, as recognized in Articles IV and XVIII of the collective bargaining agreement.

4. The Village and Union recognize that employees who choose to act as Part Time Shift Firefighters and take advantage of the scheduling opportunities in the attached Standard Operating Guideline will be regularly scheduled to work more than 30 hours in a work week. All such employees will be permitted to participate in the health insurance plan that is offered by the Village pursuant to Article XXIX of the bargaining agreement.
AGREEMENT BETWEEN: VILLAGE OF CARPENTERSVILLE & CARPENTERSVILLE
FIREFIGHTERS ASSOCIATION SEIU LOCAL 73 (2018-2021)

5. Notwithstanding the fact that some employees might voluntarily elect to become Part-Time
Shift Firefighters, all employees covered by this Agreement shall continue to be classified as
part-time firefighters for all purposes under the bargaining agreement and under Illinois Law,
including but not limited to the Illinois Pension Code, the Illinois Municipal Code, the Board of
Fire and Police Commissioners Act, and the Illinois Public Labor Relations Act.

6. This Side Letter and the attached Standard Operating Guideline shall supersede any contrary
provisions contained in the collective bargaining agreement, including but not limited to Article
XXV, Section 13, Scheduling.

7. This Side Letter of Agreement shall be attached to and become part of the collective
bargaining agreement between the Union and the Village. The duration of this Agreement
shall be governed by Article XXXI, Duration, of the collective bargaining agreement.
