10.1 Definition.

A grievance is a complaint involving a work situation or a complaint that there has been a deviation from different interpretation of, or misapplication of a practice or policy; or, a complaint that there has been a violation, a misinterpretation or a misapplication of any provisions of this Agreement; or any matter relating to an official reprimand, continued service, or reemployment of a Building Service Employee.

10.2 Basic Principles.

- A. Any custodian or Maintenance Services Division Employee or group of such employees shall have the right to present grievances in accordance with these procedures. A group shall consist of Custodians or Maintenance Employees who hold the grievance in common.
- B. All discussions shall be kept confidential by all parties involved during the first stage of a grievance.
- C. A Custodian or Maintenance Employee who participates in the grievance procedure shall be free from disciplinary action or reprisal because of such participation.
- D. The Administration has the responsibility to consider and take prompt action within authority delegated to it, on grievances presented to it.
- E. The failure of the UNION to act within the time limits herein set forth will act as a barrier to any further appeal. The Administrator's failure to render a decision within the time limits shall permit the grievant to proceed to the next step. The time limits may be extended by mutual agreement.
- F. Hearings and conferences held in the nature of executive sessions under this procedure shall be conducted in one of the school offices at a time that will afford a fair and reasonable opportunity for all persons, including witnesses, to be present.
- G. It is agreed that no grievance will be suspended or delayed by the summer vacation.

10.3 Procedures.

- A. First Stage: The aggrieved Building Service Employee shall request an informal conference with the immediate supervising administrator regarding the adjustment of any grievance. This is to be done within ten (10) administrative office days after the employee becomes aware of the alleged violation. At such and all future conferences regarding the alleged grievance, the employee may be represented by a UNION representative or by any Custodial or Maintenance Employee of his choice. The immediate supervising administrator may also have a representative of his choice. The aggrieved employee must be present at this as well as at all subsequent meetings. No other UNION organization shall represent the Building Service Employee. If the aggrieved is dissatisfied with the outcome of the conference, he must request to proceed to the second stage within ten (10) days of receiving the administrative decision.
- B. Second Stage: In the event the grievance has not been settled satisfactorily at the first stage, the aggrieved Custodial or Maintenance Employee, if he chooses the UNION as his representative, shall file a signed statement setting forth all of the pertinent facts, dates relative to the complaint, and the remedy sought to the Union's Grievance Committee in order that it may review and evaluate the merits of the complaint. Copies shall be submitted to the immediate supervising administrator of the aggrieved employee, to the Superintendent, Assistant Superintendent of Finance/Operations, and Assistant Superintendent for Human Resources within ten (10) days of receiving the first stage decision.

If the Building Service Employee chooses another Custodial or Maintenance Employee other than an official UNION representative as his representative, he shall submit the same type of report to this representative who will also sign it and present it to the immediate supervising administrator of the grievant, to the Superintendent; to the Assistant Superintendent of Finance/Operations and to the Assistant Superintendent for Human Resources within ten (10) days of receiving the first stage decision.

The aggrieved Building Service Employee, having filed the grievance in writing, shall at a mutually agreeable time discuss the matter with the immediate supervision administrator and his representative if he so desires in the presence of a UNION representative, or in the presence of any Custodian or Maintenance Employee of the grievant's choice with the objective of resolving the matter. The filing of the grievance at the second stage must be within ten (10) days of the first stage decision. The immediate supervising administrator who has authority to make a decision on the grievance shall make such a decision and communicate it in writing to the aggrieved employee, to the Superintendent, to the Assistant Superintendent of Finance/Operations, the Assistant Superintendent for Human Resources and to the UNION President within ten (10) days.

- C. Third Stage: In the event a grievant has not been satisfactorily resolved at the second stage, the aggrieved employee or his representative, within ten (10) days of the Administrator's written decision, shall submit a written statement of rejection with specific reasons to the Superintendent and to the Assistant Superintendent of Finance/Operations and the Assistant Superintendent for Human Resources. Copies of this statement are also to be forwarded to the grievant, to the Administrator involved, and to the UNION President.

Within fourteen (14) days after the written rejection is submitted, the aggrieved Building Service Employee, the Administrator, the Superintendent, the Assistant Superintendent of Finance/Operations, the Assistant Superintendent for Human Resources, and the UNION representative (if the aggrieved employee wishes) shall meet in attempt to resolve the grievance. The Superintendent shall file an answer within ten (10) days of the third stage grievance meeting and communicate it to each party participating in the third stage conference.

- D. Fourth Stage: If the grievance cannot be settled at the third stage, said grievance shall be submitted, within ten (10) days of the third stage, to the BOARD through the Superintendent at a mutually agreed upon "Executive Session." This "Executive Session" shall be held at the next regularly scheduled monthly Board meeting as long as notification is given at least seven (7) calendar days prior to the meeting. If notification is given after seven (7) calendar days notice then the grievance will be heard at the following month's regularly scheduled board meeting. The BOARD shall allow the employee and his representative to present their case orally at the "Executive Session."
- E. Fifth Stage: In the event the parties are unable to come to an agreement at the fourth stage meeting, the Aggrieved Party within twenty-five (25) administrative office days after receipt of the BOARD's decision may request in writing the appointment of an Arbitration Committee. Said committee shall be activated within thirty (30) days after the written request has been submitted. The Arbitration Committee shall consist of one member selected by the BOARD, one member selected by the UNION, and one neutral member who shall be chosen by the aforementioned two members to serve as chairman of the committee. If the BOARD and the UNION committee cannot agree on a third member, the Office of the Regional Services Division (County Superintendent of Schools) shall be requested to assist by appointing the third member.

The Arbitration Committee shall convene within twenty (20) days after its appointment, hold formal hearings as necessary, and provide adequate opportunity to all parties to testify fully and present evidence regarding their respective positions.

At least five (5) days written notice shall be given to all parties of the time and place of hearing. Within twenty (20) days after conclusion of the hearing the Arbitration Committee shall render its decision. The decision shall be final and binding on the parties. All expenses of the Arbitration Committee shall be equally shared by the BOARD and the UNION.

In addition, the employee must provide the cell phone number for the District to keep on record for use in case of need to contact the employee during work hours, while the employee is on call or for an emergency. If the employee knows that he will be unavailable, the employee must notify the Director of Buildings and Grounds, or his designee in case the Director of Buildings and

fiscal year prior to the start of the following school year may elect to receive \$1,500.00 as additional compensation if the employee is eligible for single health insurance but does not enroll in any health insurance the following school year; or may elect to receive, \$2,275.00 as additional compensation if the employee is eligible for family insurance but enrolls only in single health insurance in the following school year; or may elect to receive \$3,000.00 as additional compensation if the employee is eligible for family health insurance but does not enroll in any health insurance the following school year. Such compensation will be paid to the employee in the school year after the employee withdraws enrollment in the District health insurance coverage and/or the employee's health insurance eligibility changes as long as appropriate documentation, if needed, is provided to the District within the open enrollment period for insurance.

Such a decision to accept the additional compensation in lieu of enrolling in District health insurance must be made by the qualified and eligible employee prior to the health insurance open enrollment period immediately prior to the school year in which the additional compensation is to be paid. Employees may change insurance coverage mid-year due to a change of life events as required by the District's health insurance carrier's policies. Changes in the amount of this insurance opt out benefit due to changes in life events may not be received until the following school year in accordance with the provisions of the preceding paragraph.

The additional compensation shall be added to the employees' gross salary and paid in equal installments as part of his/her regular paycheck. No individual who is currently enrolled in/enrolls in the Retirement program in Article III and/or any other current or future retirement provisions shall be eligible to receive such additional compensation pursuant to this section of the Agreement. In addition, if an individual who seeks to receive the additional compensation from this provision would

cause the District to violate the laws and regulations which specifically preclude an employer from offering a financial incentive or other benefit to an employee not to enroll in, or to terminate enrollment in, a general health plan that is or would be primary to Medicare shall not be eligible for the additional compensation.

Employees who seek to re-enroll in the District's health insurance may do so in accordance with the rules of this plan.

ARTICLE XIII - UNION SECURITY

13.1 Dues Check-off.

The Board agrees to deduct Union members' dues, assessments, COPE, or fees from the paycheck of each member authorizing such deductions as long as the corresponding authorization is provided in writing on a form approved by the District and created and provided to the member by the Union. The Union shall tender copies of the executed forms to the District. Upon receipt of this documentation and confirmation by the Union that an employee covered by this agreement has authorized checkoff of dues, assessments, COPE or fees, the Employer shall deduct such dues, assessments, and fees from wages owed to the employee and remit them to the secretary or treasurer of SEIU Local 73.

The Union shall notify the District immediately if any member(s) revoke their written authorization to withhold union dues from their paycheck. It is the responsibility of the Union to immediately advise the District in writing of any such revocation.

The Union shall indemnify and hold harmless the Board of Education, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits or other forms of liability that shall arise out of, or resulting from, an action taken by the Board for the purpose of complying with the above provisions of this article, or in reliance on any list, notice, certification, affidavit, or assignment furnished by the Union to the District related to this article. The Union and its members may not file a grievance to resolve any disputes over the provisions of this section. Furthermore, the parties agree to act in compliance with all State and Federal laws regarding this article at all times.

13.2 Employee Data.

The Superintendent or his designee, upon request shall furnish the Union a complete list of the names and addresses of the employees in the bargaining unit, provided that such a list shall not be provided more than one per pay period. The Union shall use the list exclusively for bargaining representation purposes and shall not disclose any information contained in the list for any other purposes.

ARTICLE XIV DISCIPLINE

14.1 Just Cause for Discipline.

Bargaining unit members who have successfully completed their probationary period shall be subject to discipline, for just cause. Except for serious offenses that may warrant suspension or termination, the BOARD agrees to the concept of progressive discipline. In

all cases, employees will be afforded due process.

Steps in progressive discipline shall include verbal warning, written warning, suspension and termination. The BOARD and UNION agree that the commission of certain serious offenses, and/or multiple offenses of the same or similar infractions, would permit the Board to skip some or all of the steps in the progressive disciplinary process.

A. When an administrator calls a conference with an employee which might lead directly to dismissal or possible disciplinary action against the employee, the following provisions shall be applicable:

1. The employee and bargaining unit President shall be informed in advance of the purpose of the conference;
2. The employee shall have the right to have a union representative present at the conference;
3. The decision regarding discipline will not be made until the employee has responded to any charges shared at the conference; and
4. The employee will receive written notice of the administrator's decision, including discipline if merited.

B. In the event a bargaining unit member is relieved of his/her duty with or without pay, he/she may discuss the matter with the Superintendent before proceeding to Stage Four of the grievance procedure.

C. In the event a decision to suspend or dismiss a bargaining unit member is made by the Board of Education, the Union may proceed to Stage Four (4) before the Board without resort to prior steps.

14.2 Removal of Adverse Material from Personnel File.

Upon the employee's written request, any record of disciplinary action or other adverse material shall be removed from the employee's personnel file after three (3) years, provided there has been no reoccurrence of the same or similar incident. Except that record of major disciplinary action such as a suspension from work, may be removed after five (5) years, provided there has been no reoccurrence of the original (or similar) infraction or incident. Evaluations shall not be removed.

ARTICLE XV SUBCONTRACTING

15.1 Subcontracting.

It is the general policy of the District to continue to utilize its Custodial and Maintenance employees to perform work they are qualified to perform. However, the District agrees to follow Section 10-22.34c of the Illinois School Code (105 ILCS 5/10-22.34c) as required should it decide to subcontract the work performed pursuant to this collective bargaining agreement.

This does not include subcontractor work traditionally utilized through past practices such as window washing services, etc. and may include such services as construction clean up, water and fire damage clean up, and other emergency cleaning services as may be needed in order to ensure the safety and security of students and staff.

ARTICLE XVI DRUG AND ALCOHOL TESTING POLICY AND PROCEDURES

I. GENERAL POLICY REGARDING DRUGS AND ALCOHOL

The use of illegal drugs and the abuse of legal drugs and alcohol by all District employees presents unacceptable risks to the safety and well-being of other employees and the public, invites accidents and injuries, and reduces productivity. In addition, such conduct violates the reasonable expectations of the public that the employees who serve them obey the law and be fit and free from the effects of drug and alcohol abuse.

In the interests of employing persons who are fit and capable of performing their jobs, and for the safety and well-being of students, employees, and residents, the Board and Union agree to establish a program that will allow the Board to take the necessary steps, including drug and/or alcohol testing, to implement the general policy regarding drugs and alcohol.

II. DEFINITIONS

A. "Drugs" shall mean any controlled substance(s) listed in the Illinois Compiled Statutes, 720ILCS 570 et seq., also known as the Controlled Substances Act, and 720 ILCS 550 et seq., also known as the Cannabis Control Act, for which the person tested does not submit a valid pre-dated prescription. In addition, it includes "designer drugs" which may not be listed in the Controlled Substances Act or the Cannabis Control Act, but which have adverse effects on perception, judgment, memory or coordination.

B. The term "drug abuse" includes the use of any controlled substance which has not been legally prescribed and/or dispensed, or the abuse of a legally prescribed drug, which results in impairment while on duty.

C. "Impairment" due to drugs or alcohol shall mean a condition in which the employee is unable to properly perform his/her duties due to the effects of drugs or alcohol in his/her body. When an employee tests positive for drugs or alcohol, there is a rebuttable presumption of impairment.

III. PROHIBITIONS

Employees shall be prohibited from:

A. Consuming or possessing alcohol or drugs at any time during the work day on any of the District's premises or job sites, including all of the District's buildings, properties, vehicles and the employee's vehicle while engaged in District business.

B. Illegally selling, using, possessing, purchasing or delivering any drug during the work day or when off duty.

C. Being under the influence of alcohol or drugs during the course of the work day.

D. Failing to report to the employee's supervisor any known adverse side effects of medication or prescription drugs that he/she is taking.

Violations of these prohibitions shall result in disciplinary action up to and including discharge.

IV. THE ADMINISTRATION OF TESTS

A. Informing Employees Regarding Drug Testing

All current employees will be given an electronic copy of the drug and alcohol testing policy upon execution of the Agreement between the parties. All newly hired employees will be provided with an electronic copy at the start of their employment.

B. Pre-Employment Screening

Nothing in this policy shall limit or prohibit the District from requiring applicants for bargaining unit positions to submit urine specimens or submit to a breathalyzer to be screened for the presence of drugs and/or alcohol prior to employment.

C. When A Test May Be Compelled

As set out more fully in the following provisions, the District shall have the right to require an employee to submit to drug/alcohol testing including but not limited to the following conditions:

1. When an employee has been arrested or indicted for conduct involving illegal drug-related activity on or off duty.

2. When an employee is involved in an on-the-job injury causing reasonable suspicion of illegal drug use or alcohol abuse.

3. When an employee is involved in an on-duty motor vehicle accident where there is reasonable suspicion of illegal drug use or alcohol abuse.

4. Where there is reasonable suspicion to believe that an employee is impaired due to being under the influence of drugs or alcohol while on duty. Such reasonable suspicion shall be confirmed by two administrators. One administrator may be the Executive Director of Buildings and Grounds. The other may include any administrator outside the Custodian and Maintenance Unit. After 4pm, only one administrator is necessary.

5. Random Testing, pursuant to the District's random testing procedures.

D. Reasonable Suspicion Testing (Pertaining to Items 1-5 under Section 4, C)

1. Reasonable Suspicion Standard

Reasonable suspicion exists if the facts and circumstances warrant rational inferences that a person is impaired by alcohol or controlled substances. Reasonable suspicion will be based upon the following:

- a. Observable phenomena such as direct observation of use and/or the physical symptoms of impairment by alcohol or controlled substances;
- b. Information provided by an identifiable third party which is independently corroborated.

2. Order to Submit to Testing

Where there is reasonable suspicion to believe that an employee is impaired due to being under the influence of drugs or alcohol while on duty, that employee may be required to report for drug/alcohol testing. In such instances of reasonable suspicion, the District shall provide the employee with written notice of the order to submit to drug testing.

3. Procedure

The employee must then report to a testing facility within one (1) hour of receiving the order and submit to testing. The drug testing company will provide on-site testing within one (1) hour. In the event the employee needs to report elsewhere, transportation will be provided for the employee to and from the facility. At the time the employee is ordered to submit to testing, the District shall notify the Union representative on duty and if none is on duty, the District shall make a reasonable effort to contact an off-duty Union representative. Refusal of an employee to comply with the order for a drug/alcohol screening will be considered evidence that the employee would test positive for alcohol or drugs on the screening. Any employee who refuses to comply with the order for a drug/alcohol screening shall be subject to discipline as if they had tested positive.

The employee shall be permitted to consult with a representative of the Union at the time the order is given, provided that such a representative is available. When testing is ordered, the employee may be removed from duty and placed on leave with pay pending the receipt of results.

E. Random Testing (Pertaining to Item 6 under Section 4, C)

1. Frequency and Selection

- a. The random selection of employees to be tested shall be based on a computer generated listing which shall ensure that there are no "safe periods" for any employee. Each work day shall present every employee with a substantially equal statistical chance of being required to submit to the random testing program, regardless of samples previously submitted.

- b. The number of random tests to be performed shall be 8 per month.
- c. The collection of specimens for random testing shall be evenly distributed throughout the year. The number of specimens collected weekly, monthly or quarterly shall remain relatively constant.
- d. Random testing may be conducted on different days of the week throughout the annual cycle to prevent employees from anticipating patterns in collection schedules.
- e. The computerized random selection listing shall be generated from the common selection pool of all employees using a confidential identification number uniquely assigned to each individual employee. The association with and identification of the employee's name shall be known only to the Superintendent until such time as the daily selection for testing list is prepared for notification.
- f. The process will be unannounced as well as random. Employees will be notified that they have been selected for testing after they have reported for duty on the day of collection. The District may bypass an employee on the random list if he/she is on vacation or otherwise unavailable at the time the testing is scheduled.
- g. An employee shall not be required to submit to random testing more than two (2) separate times in one (1) fiscal year.

2. Procedure

- a. Upon notification that an employee has been selected for random testing, the employee shall be required to report immediately to the Executive Director of Buildings and Grounds and will be directed to the District designated Random Drug and Alcohol Testing Location, the transportation center, and no later than one (1) hour from notification. On-site testing will be provided within one (1) hour.
- b. Upon arrival at the District designated Random Drug and Alcohol testing location, the employee will identify himself or herself by use of the photo identification card and present the original Random Drug and Alcohol Testing Notification Form.
- c. Upon completion of the specimen collection process, the employee will, if his or her shift is not completed, immediately return to duty status.

V. CONDUCT OF TESTS

In conducting the testing authorized by this Agreement, the District shall:

- A. Use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has and/or is capable of being accredited by the National Institute of Drug Abuse (NIDA).

- B. Ensure that the laboratory or facility selected conforms to all NIDA standards, including blind testing.

VI. CUTOFF LEVELS

The following minimum initial cutoff levels shall be used when screening specimens to determine whether they are negative for the five (5) drugs or classes of drugs:

Initial Test Level

Marijuana metabolites.....	50ng/ml
Cocaine metabolites.....	150ng/ml
Opiate metabolites.....	2000ng/ml
Phencyclidine.....	25ng/ml
Amphetamines.....	500ng/ml

All specimens identified as a positive during the initial screening test shall be confirmed using GC/MS techniques at the minimum cutoff levels listed below.

Confirmatory Test Level

Marijuana metabolites	15 ng/ml
Cocaine metabolites	100 ng/ml
Opiates	
Morphine	2000ng/ml
Codeine	2000 ng/ml
Phencyclidine	25 ng/ml
Amphetamines	
Amphetamine	250ng/ml
Methamphetamine	
Delta-9-tetrahydrocannabinol-9-carboxylic acid	250ng/ml
Benzoylecgonine	250ng/ml

The minimum cut off level have been established based on Department of Health and Human Services recommendations. It is understood that changes in technology and/or the need to detect the presence of other prescription or illegal drugs may necessitate the adoption of new or changed cutoff levels. Should such changes or need arise the parties agree to meet promptly to negotiate with respect to the levels to be adopted.
