Scheduling of unpaid time off

Section 3 - Seniority Tie Breaking Procedure

If two (2) or more employees have the same date of hire or start date in a classification, their respective position on the seniority list shall be determined by alphabetical order of their last names, from A-Z, upon ratification.

ARTICLE 111
GRIEVANCE PROCEDURE

Section 1 - Definition of Grievance

A grievance shall be defined as a violation, misinterpretation or misapplication of the terms of this Agreement.

Section 2 - Procedure

Step 1. In the event an employee believes that there is a basis for a grievance, he or she shall present the alleged grievance in writing to the Food Service Director within ten (10) calendar days of the date the employee first knew or should have known of the act or condition upon which the alleged grievance is based.

Step 2. If a grievance is not resolved informally, the grievant shall contact Local 73 representatives who shall then submit the grievance in written form to the District Manager, Food Service within ten (10) calendar days from when the employee first knew or should have known of the act or condition upon which the alleged grievance is based. The parties shall meet as soon as possible to resolve the grievance. Within ten (10) calendar days after the grievance has been submitted to the District Manager, Food Service, he/she shall render a decision in writing on the grievance.

Step 3. If the grievant is not satisfied with the answer in Step 2, he or she may proceed to Step 3 by submitting such grievance within seven (7) calendar days of receiving the answer at Step 2 to the Regional Director. Within ten (10) calendar days after hearing the grievance, the Regional Director shall render his/her decision in writing on the grievance. The grievance meeting may be held via telephone conference.

Step 4. If the Union is not satisfied with the answer in Step 3, it may proceed to Step 4 within ten (10) calendar days of receiving the answer by notifying the Employer that the Union wishes to

submit the grievance to final and binding arbitration. The fees and expenses of the Arbitrator in all cases shall be shared equally by the Union and the Employer.

Section 3 - Time Limits

The time limits in this Article shall be strictly observed. The failure of the grievant to process the grievance from one step to another within the time limits so prescribed shall constitute a waiver of the grievance and be construed as a withdrawal of the grievance from the grievance procedure. The failure of the employer to respond to a grievance within the prescribed time limits shall cause the grievance to advance to the next step of the procedure. The time limits provided for herein may be extended by mutual written agreement of the parties.

Section 4 - No Strike or Lock-Out

The parties to this Agreement agree that the employees covered by this Agreement shall not engage in any strike, including sympathy strikes, and that the Union and its officers, agents, representatives and members shall not in any way, directly or indirectly, authorize, assist, encourage, participate in or sanction any strike or sympathy strike. Section 2 - Hours of Work

The regularly scheduled work week shall be Monday through Friday. **If an employee shows up for work, and school has clocked in, the employee will receive a minimum of two (2) hours pay at their straight time rate.**

Section 4 - Assignment of Additional Hours

For purposes of this Article, the principle of seniority will be utilized in determining the selection of employees for overtime (additional hours) work on a building-wide basis by job classification. The most senior employee based upon service in the building in classification for which overtime (additional hours) is available and who would not go into overtime pay status (time and half) shall be offered overtime (additional hours) first and then a cycle of rotation shall occur until the list is exhausted. The cycle will then return to the most senior employee. If no volunteers respond in the building and in the job category for which overtime (additional hours) is available, overtime (additional hours) shall then be assigned in inverse seniority order by classification in the building where the overtime (additional hours) is occurring to those associates who would not go into overtime pay status (time and half). This system will continue at the building level until the necessary overtime (additional hours) hours are filled. Any employees refusing overtime in their turn shall lose their place on that cycle of the overtime list and shall not be eligible until the next turn on the list.

Section 3 - Overtime Pay

Employees performing work in excess of forty (40) hours per week or eight (8) hours per day shall be compensated at the rate of time and one-half their regular pay.

Section 6 - Serv-Safe Training:

Serv-Safe training shall be held on the premises of Lake Ridge School Corporation. The Employer will make every effort to schedule the Serv-Safe training at a time convenient for all parties. **If an employee is required to do training off premises, not during work hours, they shall be paid at one and one half (1 1/2) times their straight time rate of pay.**

Section 7 - Bargaining Unit Work

Bargaining unit work shall be performed exclusively by bargaining unit employees, and, as needed, substitute employees, except when there are no unit employees to perform the work needed for the legitimate service needs of the customer or for the instruction of personnel.

Section 8 - Catering Events

Whenever a head cook is responsible for the preparation and execution of a full catering meal (i.e. breakfast buffet, lunch buffet) as designated by the Director of Dining Services that head cook (or the associate designated as head cook by the Director due to the absence of that head cook) shall be paid at \$15.00 an hour for all hours worked on the day of the catering event. If the Company assigns an employee to assist in such catering, that employee shall be paid \$12.00 for all hours worked on the day of the catering event. These wage rates shall not be subject to any wage increase provided for in the parties collective bargaining agreement. Upon request, Management may provide training in catering skills. Management will schedule the training.

The Union will be notified in advance before the creation of any new job classifications. It is agreed that before any new classifications are implemented, the Union will be given the opportunity to present any objections to such classifications.

Section 3 - Promotion

An employee who has been a successful bidder under this Article and promoted to a higher classification shall serve a thirty (30) working day probationary period in the new assignment. Should an employee's work during the probationary period be unsatisfactory, the employee will be reassigned to the classification from which he/she was promoted and his/her wage rate will be adjusted accordingly.

Section 5 Temporary Assignment

Employees who are assigned to a position of higher classification (i.e., higher wage rate) for more than thirty (30) consecutive minutes during the normal work day shall receive the hourly wage of the higher classification. Provided the employee has the necessary skill to perform the job duties.

ARTICLE VI

the employee is qualified to perform the job. Employees who are laid off shall be eligible for recall for a period of one (1) calendar year from the beginning of the following school term after the layoff.

Employees who are eligible for recall shall be given ten (10) calendar days notice of recall. The employee must notify the Company of his/her intention to return with five (5) days after receipt of mailing of the recall notice. The Company shall be deemed to have fulfilled its obligation by mailing the recall notice by certified mail, return receipt requested, to the last known address provided to the Company by the employee. For recall after summer, eligible employees shall be given twenty (20) calendar days notice of recall. The employee must notify the Company of his/her intention to return within five (5) days after receipt of the recall notice.

Section 5 - Use of Non-Bargaining Unit Employees While Employees are on Layoff
