7.1 During the term of this Agreement, the Union or individual union members will not conduct any work stoppage or concerted action of strike, slowdown, mass sick call, informational picketing, or impose a duty of obligation upon any member to conduct, assist or participate in a strike. The Employer agrees not to lock out any portion of its employees during the term of this Agreement.

7.2 The Employer agrees that it will not discriminate against any employee because of his affiliation with the Union and/or because of legitimate union activity, nor will the Employer discourage any employee from joining the Union. The Employer further agrees to inform all present employees and all new employees, hired after the signing of this Agreement, that Local #73, Service Employees International Union, CTW is the exclusive representative of all employees in the unit and that all matters of grievance and other conditions of employment must be handled through the regular procedure set forth in this Agreement.
7.3 The Employer agrees to deduct SEIU Local 73 dues from the paycheck for each employee who individually provides written authorization for such deductions through executing a payroll deduction authorization form created and provided to the employee by the Union. The Employer agrees to deduct contributions to the SEIU Local 73 COPE Fund from the paycheck of each employee who individually provides written authorization for such deductions through a payroll deduction authorization form created and provided to the employee by the Union. The Union shall notify the Employer of the amount to be deducted per pay period.

1. The Union must provide the Employer verification that the employee has provided written authorization of the SEIU Local 73 dues and/or SEIU Local 73 COPE Fund deductions by tendering copies of executed payroll deduction authorization forms from the employee to the Employer at least 30 days prior to deduction being taken.

2. Dues and COPE Fund deductions shall be paid to the Union by the Board no later than ten (10) days following deduction, except as may be otherwise required by Illinois statute or rule or regulation.

3. The Union and employee must notify the Employer, in writing, immediately if any Employee revokes their written authorization to withhold union dues and/or COPE Fund deductions from their paycheck. It is the duty of the Employee and Union to advise the Employer in writing immediately of any such revocation.

7.4 In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with Section 7.3 in reliance on any list, notice certification, affidavit or assignment furnished by the Union to the Employer related to this article, the Union agrees to defend such action, at its own expense and through its own counsel, provided that:

1. The Board gives immediate notice of such action in writing to the Union, and permits the Union intervention as a party if it so desires.

2. The Board gives full and complete cooperation to the Union and its counsel in securing the evidence and giving evidence, obtaining witnesses and making relevant information available at both trial and all appellate levels.

3. The Union agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article.

4. The Board retains the option to be represented by its own general counsel or that of its Errors and Omissions insurance carrier. In that
case, the Board shall first recover all monies provided in its Errors and Omissions insurance policy. The Union shall be obligated only to reimburse the Board for any costs—whether for defense or for damages—not recovered by the Board through such insurance. In the event the Board exercises this option, the conditions enumerated in the subsections 7.4.1 and 7.4.2 above shall apply to both the Union and the Board. The Union shall retain the right to challenge the validity of any charges imposed by such attorney not directly employed by the Union.

5. Exception
It is expressly understood that this save harmless provision will not apply in any claim, demand, suit or other liability which may arise as a result of any type of willful misconduct by the Board. Nor will this save harmless provision apply if any attorney retained by the Board shall fail to vigorously defend, or cooperate in the defense of all provisions on this section 7.4.

Article IX
Grievance Procedure

9.1 For the purpose of this Agreement, a grievance is defined as an allegation that the Administration has violated or is violating the express provisions of this Agreement. Employees may initiate grievances only in the following manner.

Step 1. An effort shall be made to resolve the grievance through informal discussion with the appropriate supervisor. If still unresolved, the grievance may be filed in writing with the appropriate supervisor, provided such shall be filed no later than ten (10) days following the event or action giving rise to the grievance. If requested by the appropriate supervisor, the grievant shall meet to discuss the grievance. A written answer to the grievance shall be given to the grievant no later than seven (7) days following the meeting or the submission of the grievance, whichever shall be the latter.

Step 2. If the grievance is not settled satisfactorily as provided in Step 1, specific nature of the grievance shall be referred in writing to the appropriate supervisor, or designee, within ten (10) days after the appropriate supervisor's answer in Step 1. The written statement of the grievance shall be signed by the aggrieved employee(s) and shall include a statement of the provision(s) of the Agreement alleged to be involved and of the relief requested. The appropriate supervisor or designee shall schedule a conference with the aggrieved employee and his Union representative within five (5) days of the appeal to Step 2 and shall answer the grievance in writing within five (5) days after the conference.

Step 3. If the grievance is not settled in Step 2 and the Union desires to
appeal, the Union shall appeal in writing to the Administration within ten (10) days of the date of the Step 2 answer, or designee shall investigate and answer within seven (7) days.

**Step 4.** In the event the determination of the Administration is not satisfactory, the Union may appeal the grievance in writing to the Board within ten (10) days after such determination.

**Step 5.** Arbitration - If the grievance is not settled in Step 4, the Union may appeal the grievance to final and binding arbitration by giving written notice of its desire to arbitrate. The parties shall jointly request an arbitrator by letter to the Federal Mediation and Conciliation Services (FMCS) which shall supply a panel of arbitrators and otherwise serve as the administrator of the proceedings. The Arbitrator's opinion shall be based solely upon his interpretation of the meaning or application of the terms of the Agreement to the facts of the grievance presented. The recommendation and decision of the Arbitrator shall be binding. The expense of the Arbitrator, including his fee, shall be shared equally by the Board and the Union.

As used in this Article, "days" shall mean working days. A grievance must be filed and appealed within the time limits set forth above, or the grievance shall be considered settled on the basis of the last answer given. If a Board representative fails to answer a grievance within the time limits provided at a particular step (unless such limits are extended by agreement in writing), the Union may appeal the grievance to the next step within the time limits for appeal from the particular step.

9.2 Each employee shall have access, upon reasonable request thereof, to any records affecting his/her employment, except for confidential recommendations and reports of personnel references.

9.3 The union or school district may ask the Illinois Department of Labor for an advisory mediation opinion at the step prior to submission of a grievance to the Board of Education for final review.

9.4 The channel of communications to the Board of Education shall always be through the Superintendent. As employees of the Board of Education, cafeteria employees shall be entitled to communicate with the Board at any time either directly by appointment arranged by the Superintendent or indirectly through the Superintendent. Cafeteria employees shall be entitled to such appointments upon request through the Superintendent.
9.5 It shall be the responsibility of the cafeteria manager to bring to the attention of any cafeteria employee deficiencies in said employees work program or performance of assigned work and, in writing, make a record of such conference. One copy of said record to be provided to said employee.

Article X
The Responsibility of a School Employee

10.1 The Employer and the Union are agreed that the employees covered by this Agreement make an invaluable contribution to the school system. The Employer depends upon the cafeteria to insure the quality of food and health. To this end, exemplary conduct of the employees help make progress possible and the program a success.

10.2 Cafeteria employees should:

A. Carefully follow assigned duties and work schedule.

B. Use supplies, property and equipment only for school purposes.

C. Regulate personal affairs and finances so as to reflect credit upon the employees and the School District.

D. Conduct himself/herself, on and off the job, in a manner that reflects pride in the school district and in co-employees.

E. Recognize the job as a truly public service.

F. Limit outside work and activities so as not to interfere with the best possible performance on the job.

G. Remind him/herself at all times that actions and behavior are influential to growing boys and girls and, therefore, to maintain personal conduct above reproach.

H. Maintain personal hygiene along with clean uniforms and aprons.

10.3 Absence: Employees may not be absent from duty during hours of employment except with the consent of the cafeteria manager or his/her designee.

10.4 When an employee is ill or knows she will be absent, the employee must call her supervisor's office and report the anticipated absence as soon as possible. If the call is made after office hours, the employee must call their supervisor's telephone. Failure to do this may result in disciplinary actions. Employees will contact their supervisor at least one hour before the
beginning of their shift if they are to be absent.

11.2 Dental insurance and vision (single & family) will be available to employees at the same cost as rates for teachers. No Board expenses.

11.3 Insurance coverage after retirement may be continued under terms of COBRA or Medicare only.

11.4 The district shall provide ten thousand dollars ($10,000) term life insurance coverage including accidental death and dismemberment provisions for each employee at no cost to the employee. An employee may, at his/her own expense, purchase additional life insurance at the group rate.

Article XII
Sick and Personal Leave

12.1 Sick leave shall be interpreted to mean leave taken for personal illness, quarantine at home, or serious illness or death in the immediate family or household. The Employer may require a physician's certification or, if the treatment is by prayer or spiritual means, certification by a spiritual advisor or practitioner of such person's faith as a basis for pay during leave after an
absence of three (3) consecutive days for personal illness or as it may be necessary in other cases, as provided under the "Illinois School Code".

12.2 Twelve (12) sick leave days with pay shall be granted to employees each year for personal illness. Upon completion of the first fiscal year of service, Cafeteria Custodians shall receive two (2) weeks of paid vacation (10 working days) each fiscal year. After ten (10) years of service, three (3) weeks’ vacation will be granted each fiscal year. After fifteen (15) years of service, one day of vacation will be added for each year of service up to a maximum of twenty-five (25) days each fiscal year. Sick leave days will be made available to employees at the rate of one (1) day a month up to a total of twelve (12) per year cumulative to 140.

Credit for one year’s employment for vacation purposes will be granted when the anniversary date of employment falls during the months of June, July, August and September.

12.3 Personal Emergency Leave

Because the Board of Education of District 206 recognizes that occasional emergencies make it advisable to make provisions for members of the bargaining unit through a leave policy, approval for personal emergency leave may be given at the discretion of the immediate supervisor.

Four (4) personal emergency leave days may be granted annually. Unused personal emergency leave days may be added to the cumulative sick leave total for the next year. Personal emergency leave days are provided for business, professional, religious, family or legal obligations the employee cannot meet outside the regular employee day, or in an emergency over which he/she has no control which requires immediate attention. Personal emergency leave days may also be used at Christmas break. Notice of leave shall be given to the immediate supervisor as far in advance as possible.

Approval will not be granted for a personal emergency leave day on a day immediately before or after a holiday, vacation period, institute days, half-day workshop days, or during the first and last week of the school year, except in dire emergencies and/or during the winter break.

12.4 Upon retirement, employees will receive a payment for the employee's unused sick leave days at the rate of $20.00 per day not to exceed $1,500.00.

12.5 If an employee has an illness or injury which prevents him or her from working, said employee's job shall be held open for a period not to exceed ten (10) months, should the illness or injury be job related, said employee's
job will be kept open for 18 months.

12.6 Procedures for Job Related Injuries - Employees *injured* on the job have an obligation to file an injury report (Form 45) as soon as possible. If the employee cannot work as a result of the injury, the employee will receive a paycheck for up to thirty (30) work days. At the end of the thirty (30) work days, the employee has the option of:

1. Taking a full sick/personal/vacation day and signing the workers' compensation check over to the district. Whereby the District will then reimburse the employee's benefit account balances with 2/3 of the employees benefit time which was used (i.e. employee uses a six hour vacation day to cover an absence due to injury. Workers compensation issues a check to the employee for four hours of pay. The employee will surrender the workers compensation check to the District. The District will then restore the employees vacation accrual with four hours of vacation pay) in effect, purchasing 2/3 of a day back, or;

2. Accepting the workers' compensation check only.

All accidents will be investigated in accordance with our workers' compensation carrier's guidelines.

Benefits will continue, but in cases where the employee has no paycheck for the employer to deduct the employee's share of the benefit cost, the employee has an obligation to write a check to District 206 for the employee's share. If no check is received within thirty (30) days of the due date of the normal deduction (pay day), the employer has a right to terminate the benefit (with a five (5) day notice), but is still due the back premiums from the employee.

After six (6) months off the job due to work related injury, the employee will meet with a designee of the employer to discuss temporary/permanent disability benefits with IMRF, and the various options.

If any time before or after the six (6) month period, the employer and employee both feel there is no way the employee can ever return to work, the employer can replace the employee, although the employee can still receive workers' compensation as enumerated above.

In cases where the workers' compensation carrier has denied the claim, the employee will forfeit all sick/personal and vacation time to compensate the district. In cases where the employee does not have
enough leave time to compensate the district for pay received, the employee must pay back the wages, make payment arrangements acceptable to the Board of Education, or face termination.

If any time after the carrier denies a claim and the employee receives restrictions from a doctor, the employer will treat the employee as having a non-work related illness or injury. There is no obligation on the employer's part to provide light duty.

When you sustain a workplace injury/illness, the injured employee will call Company Nurse® directly after reporting the incident to their Supervisor. The attending nurse will provide first aid advice and direct the injured employee to an appropriate treatment site, if necessary.
