**MEMORANDUM OF UNDERSTANDING
AND
WORKING AGREEMENT**

THIS AGREEMENT, made and entered into as of March 10, 2021 by and between the BOARD OF EDUCATION OF COMMUNITY CONSOLIDATED SCHOOL DISTRICT 15 of Illinois, hereinafter referred to as the "Board" and SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL No. 73, hereinafter called "Union."

The Board of Education of Community Consolidated School District 15 and the Service Employees Union Local No. 73, S.E.I.U. agree that the Board has the full and exclusive responsibility for providing high quality education for the children of District 15 and of carrying on vital and continuous programs in the field of education for the benefit of both the children and the community at large.

WITNESSETH:

THAT WHEREAS, it is not intended by the parties to modify any of the discretionary authority vested in the Board by the Statutes of the State of Illinois and the Constitution of the United States; and

WHEREAS, the Board recognizes the union as the exclusive bargaining representative for the personnel covered by the Agreement as hereinafter provided; and

WHEREAS, it is the intent and purpose of the parties hereto that this Agreement respect and promote the said responsibility and obligation of the Board, as well as the interests of its personnel covered by this Agreement; avoid interruptions and interferences with the Board's services to the children of District 15 and its programs; and set forth herein rates of pay, hours of work, and certain specified conditions of employment for the personnel covered by this Agreement.

NOW, THEREFORE, in consideration of their mutual covenants herein contained, the parties hereto agree in matters relating to wages and hours of employment as follows:

**ARTICLE I
RECOGNITION**

The Board recognizes the union as the sole and exclusive bargaining representative for its full-time and regular part-time school year custodial, maintenance, internal services, and transportation mechanic personnel, except for those persons designated as non-working supervisors or in comparable roles. For the purpose of this Agreement, the term employees shall include all personnel listed under the terms of this Agreement. This statement does not exclude any non-certified employee from voluntary union membership subject to the provisions of Section II below. Additional classifications may be added by mutual consent of the parties.

**ARTICLE II
UNION SECURITY**

A. The employer agrees that it will not discriminate against any employee because of his or her affiliation with the union, nor will the employer in any way discourage any employee from

joining the union and/or discriminate because of legitimate union activity. The employer further agrees to inform all present employees and all new employees, hired after the signing of the Agreement, that Local No. 73 Service Employees International Union is the exclusive bargaining representative of employees in the unit and that all matters of grievance must be handled through the procedures required by this Agreement.

- B. CHECK OFF OF UNION DUES: The employer agrees to deduct regular monthly dues uniformly required as a condition of the union membership from the wages of the employees who become or are union members and remit such dues to the union, providing the employee signs and submits to the employer a written authorization to deduct dues.
- C. The Secretary-Treasurer of the union shall certify to the employer the amount of the union dues and initiation fees, which shall be uniform. The union agrees to indemnify the Board for any erroneous collection of dues and to hold the Board harmless for any money turned over to the union.
- D. The Union agrees to hold harmless and indemnify the School District, School Board, and all current, former, and future, directors, employees, and agents thereof ("Indemnitees"), as to all claims that may arise in litigation in any forum resulting from the implementation or attempted implementation of this Article in this and prior Agreements.

**ARTICLE III
S.E.I.U. COMMITTEE ON POLITICAL EDUCATION (COPE)**

- A. Upon receipt of a lawfully executed, written authorization from an employee, the District shall, during the term of this Agreement or until such authority is revoked by the employee in writing, deduct voluntary employee contributions to the S.E.I.U. Committee on Political Education (COPE), managed and operated by the union, in the amounts designated by the employee. Such deduction or deductions shall be made in twenty-four (24) equal installments and shall be remitted by the District to the union official designated by the union in writing to receive such funds. Employees who are hired after the first pay period of the fiscal year will have the deduction prorated for the remainder of the year. The SEIU Committee on Political Education shall refund to the District or to the employee any contributions which may be deducted erroneously or any monies which may be remitted erroneously.
- B. The union agrees to indemnify and hold harmless the District against any and all claims, suits, orders, or judgments against the District resulting from any action taken or not taken by the District pursuant to the provisions of Section A of this article.

**ARTICLE IV
MANAGEMENT RIGHTS**

This Agreement shall not supersede any existing laws or future laws of the State or Federal governments as they affect the regular operation of the school system by the Board. If any article or provision of this Agreement shall be declared invalid by a court of competent jurisdiction or, shall become inoperative because of any State or Federal law, the remaining portions of the Agreement shall continue in full force during the term of this Agreement. The parties understand and agree that the management of the schools of District 15, the control of the premises and the direction of the working force are vested exclusively in the Board and include, but are not limited to, the following: the right to select, hire, transfer, promote, assign, and supervise employees; to

suspend, discharge, and discipline employees for just cause; to determine and change starting times, quitting times, and shifts, and the number of hours to be worked by employees; to determine staffing patterns, including, but not limited to, the assignment of employees as to numbers employed, duties to be performed, qualifications required, and areas worked; to make reasonable rules and regulations with respect to employees covered by this Agreement; to determine policies and procedures with respect to the establishment, management, and conduct of its schools; to determine or change the methods and means by which its operations are to be carried on; to carry out all ordinary functions of management, whether or not exercised by the Board prior to the execution of this Agreement, subject only to the provisions specified in this Agreement.

ARTICLE V SENIORITY AND PROBATION

A. School District Seniority

1. School District seniority is defined as the length of an employee's continuous employment by the Board.
2. All seniority shall be terminated:
 - a. When an employee is discharged for cause.
 - b. When an employee quits.
 - c. When an employee fails to report for work after a layoff, when properly notified in accordance with this Agreement.
 - d. When an employee is laid off for a period of more than two (2) years.
3. Absence due to injury or disease for which Worker's Compensation is payable shall not terminate seniority within the time limits as noted in Paragraph A.2.d above.

B. Probationary Period

1. All new employees shall be considered on a probationary trial basis for a period of ninety (90) work days commencing on their first day of employment with the District, excluding workdays that fall during the summer when the regular school year is not in session. The probationary period may be extended by the employee's direct supervisor for up to ninety (90) work days if the probationary employee has had documented performance issues during the initial 90-work day period. During the probationary period, the employee's work performance will be evaluated by the employer to determine if continued employment is warranted. It shall be the responsibility of the principal, and Manager of Environmental Services or the immediate supervisor to acquaint them with the manner in which a new employee is performing the work assigned. New employees shall be informed by the head custodian if their work is satisfactory and, if not, how it can be improved. Complaints regarding unsatisfactory work performance of probationary employees shall be directed to the principal or the immediate supervisor. The Manager of Environmental Services shall be informed of all such complaints regarding employees in the department.
2. A probationary employee may be discharged without cause or recourse at any time prior to the end of the probationary period. If an employee is terminated at any time during the probationary period, such action shall not be subject to the grievance procedure.
3. The seniority of a new employee shall be established at the conclusion of the probationary period and shall begin as of the most recent date hired.
4. All new employees shall be provided with a copy of their job description at the time of hire. Within thirty (30) days of their starting date, the immediate supervisor shall outline the job expectations.
5. One week prior to the expiration date of the probationary period or sooner if warranted,

the Manager of Environmental Services shall recommend, in writing, to the Assistant Superintendent for Personnel and Human Services or designee whether a new employee shall be granted continued employment or terminated.

C. Promotions and Demotions

1. It shall be the general policy of the school district to consider internal applicants for promotional vacancies before advertising and accepting applications from candidates who are outside the district. No internal applicant will be promoted unless he or she can demonstrate the ability to perform the required work of the vacant position.
2. Subject to the Board's right to fill a vacancy on a temporary basis under paragraph F below, when a promotional vacancy occurs or a new position is created, notice will be posted for five (5) working days. Copies of the notice will be sent to each head custodian, each building principal for posting in the school, and the Union Chairperson. The posting will describe the position and advise that written applications will be accepted from employees within the bargaining unit. The notice will specify the final date and hour for the receipt of the applications. After the closing date, the Personnel Office will provide the Manager of Environmental Services, principal or supervisor, and Union Chairperson with a list of all internal applicants who apply for promotional vacancies.
3. The Manager of Environmental Services will conduct the initial screening and submit a list of qualified applicants to the principal or supervisor for consideration. The Personnel Office will prepare a summary of each candidate's employment history in the school district that includes information on evaluation and absences which shall exclude FMLA qualifying or other legally protected absences. If an internal applicant is not selected as a qualified candidate to be interviewed, he or she may request a meeting with the manager of Environmental Services to review the reasons for not being included on the list. All qualified applicants for positions shall be interviewed by the principal or supervisor with the Union Chairperson or designee present. The Manager of Environmental Services and the Assistant Superintendent for Personnel and Human Services may be included in the interview. No teacher shall be included in the interview.
4. It is agreed that the Board, in exercising its judgment, will give consideration to the employee's entire service record with the school district. The term "entire service record" as herein used shall include the following:
 - Length of service
 - Ability to perform the work assigned
 - All formal evaluations conducted on the employee while working in the school district.
5. When an employee is promoted, he or she will be placed on a 60 working day probationary qualifying period. During that time, the designated employee or the Board may request return to the previous classification.
6. Promotions shall be defined as a change in job category as outlined in Appendix B. Internal applicants who are promoted will be compensated by a raise of 10%. If an employee is promoted and subsequently returns to his/her previous classification during the probationary qualifying period, he/she shall be placed at the salary step for his/her previous classification consistent with his/her continuous service.
7. If the Board elects to demote an employee after the probationary qualifying period, his/her new salary shall be determined by lowering the base salary of that employee by 10%. This paragraph shall not be construed to create any obligation on the part of the Board to demote, rather than to dismiss, such an employee.

D. Layoff and Rehire

1. In the event the Board of Education decides to reduce the number of classified personnel

positions in the bargaining unit or discontinue some particular type of educational support service, the following guidelines will be in effect.

- a. The Superintendent's recommendation regarding the dismissal or release of classified personnel or reduction in hours worked by classified personnel shall be based upon the length of continuing service with the school district within the respective category of positions.
 - b. The Superintendent may consider the requirements of available positions and the possibility of movement between classifications in reaching his/her recommendation.
 - c. The following categories of positions shall be subject to the provisions of this policy:

Any classified staff member removed or dismissed or has his or her hours reduced under this provision shall be notified in writing of the Board's decision by certified mail at least sixty (60) days before the date of renewal or dismissal or reduction in hours. The notification shall include a statement of honorable dismissal and the reason(s) therefore.
 4. Vacancies for the following school term or within one (1) calendar year from the beginning of the following school term within a specific category of position or any other category of position shall be tendered to employees so removed or dismissed from that category of position in order of seniority, so far as they are qualified to hold such positions. When rehiring employees who have been honorably dismissed, the Board will notify them by certified mail at the last known address. If such employees do not notify the Board within five (5) days from the mailing date of such notice that they will report for work on the date specified, or give reasonable and acceptable reasons for unavoidable delay beyond such time, they shall be considered as having resigned and all seniority shall be terminated.
 5. Any qualified staff dismissed or released pursuant to this provision shall be paid all earned compensation on or before the next payroll date following his or her last day of employment.

E. Seniority Lists

The Board shall furnish to the union two (2) copies of the current list of employees which shall include the employee's name, hiring date, and classification. The list will be provided to the union and posted in each building by February 1 of each year. If no errors are reported by the union within thirty (30) calendar days, the list shall be considered correct and stand as is without grievance.

F. Temporary Vacancies

1. A job will be considered vacant when an employee has resigned, is discharged, demoted, promoted, transferred, or when it is a newly created position. Any vacancy may be filled on a temporary basis for ninety (90) calendar days. The Board and the union can mutually

- agree to extend a temporary position beyond the 90-day limit.
2. When the time limit on a temporary vacancy expires, the job will be advertised as a permanent position and filled as per Paragraph D or C.

- D. Should any differences arise as to the meaning or application of any of the provisions of this Agreement, the grievance shall be processed in accordance with the following procedure; it being mutually agreed that an earnest effort shall be made by both parties predicated upon the exercise of good faith to settle such differences as expeditiously as possible pursuant to such procedure.

E. Procedure

1. Step One

Any employee with an alleged grievance, as defined by the provisions of this article, shall, within ten (10) working days of occurrence of the violation or interpretation, discuss the complaint with his/her immediate supervisor. The employee may be accompanied by the union steward and/or a duly authorized union representative, in this or any other level of the grievance procedure. It is agreed that all grievance meetings shall normally be held at a time that does not interfere with the needs of the school; at any rate, employees shall suffer no loss of pay by attending mutually agreed upon meetings. In Step One, the principal and/or the Assistant Superintendent for Personnel and Human Services shall be involved. If the difference is not settled satisfactorily at this level, the grievance shall be reduced to writing and processed to Step Two.

2. Step Two

If the grievance remains unsettled in Step One, the employee may elect to advance the grievance to step 2 by submitting the grievance to the Manager of Environmental Services within five (5) working days. The involved parties, union steward, and Manager of Environmental Services shall meet again within five (5) working days after the receipt of the disposition to discuss the grievance at a mutually satisfactory time. The Manager of Environmental Services shall give his/her report in writing within five (5) working days after the meeting.

3. Step Three

If the difference remains unsettled in Step Two, a written report may be submitted to the Assistant Superintendent for Business and Auxiliary Services of District 15 within five (5)

working days. The Assistant Superintendent for Business and Auxiliary Services, involved parties, union representative of Local No. 73, and the union steward shall meet to discuss the grievance within five (5) working days after receipt of the written report from the Manager of Environmental Services. The Assistant Superintendent for Business and Auxiliary Services shall give his/her report in writing within five (5) working days after such meeting.

4. Step Four

If the difference still remains unsettled in Step Three, a written report may be submitted within five (5) working days to the Superintendent of Schools of District 15. A meeting time shall be established that will be satisfactory to the Superintendent or representative, and all parties involved within ten (10) working days, at which time the grievance will be resolved.

5. Step Five

Within ten (10) working days after receiving the decision of the Superintendent, Local No. 73 may submit the grievance to Arbitration.

G. Binding Arbitration

The arbitrator in his/her decision shall not amend, modify, nullify, ignore, or add to the provisions of this Agreement. The arbitrator's authority shall be strictly limited to the issue or issues presented by the parties and his/her decision must be based solely upon interpretation of the meaning of the express language of the Agreement.

H. Selection Process

The Board and the union will select a third party to act as the impartial arbitrator and the administrator of the proceedings which shall be held in a district building unless the parties mutually agree otherwise. The total family and medical leave, paid or unpaid under this provision, cannot exceed twelve (12) weeks during any fiscal year or, for service member family leave, twenty-six (26) weeks during any fiscal year. The following reasons are eligible for family/medical leave:
 - a. The birth of a child and to care for the newborn child, provided the leave is completed no later than twelve (12) months after the birth of the child;
 - b. The placement of a child with the employee for adoption or foster care, provided the leave is completed no later than twelve (12) months after the placement of the child;
 - c. Because the employee is needed to care for the employee's spouse, child, or parent with a serious health condition; or

- or illness if the employee is the spouse, child, parent or next of kin of the service member.
2. Any other leave provided for in this agreement which may be taken for any of the above purposes will be credited to the employee's twelve (12) weeks of family/medical leave.
 3. An employee on family or medical leave will continue to be covered under the district's health and dental insurance plans under the same terms as if the employee had been continuously working during the leave period, provided that:
 - a. Coverage shall end when the employee notifies the district of his/her intent not to return to work, fails to return on the scheduled date or exhausts his/her family and medical leave rights under this provision;
 - b. The employee will be required to pay his/her share of applicable premium payments at the same time as such payments would be made if by payroll deductions. Coverage may lapse if a employee's premium payment is more than thirty (30) days late;
 - c. The district may recover its premium cost if the employee fails to return to work following an approved, unpaid leave unless the reason for the failure to return is a serious health condition of the employee, spouse, parent or child or serious injury or illness of a covered service member or other circumstance beyond the employee's control. In this event, the district may require a certification of the existence of a serious health condition which the employee must provide within thirty (30) days of the request.
 4. Upon conclusion of a family/medical leave, the employee will be restored to his/her former position or to an equivalent position as established by school board policies and practices and this agreement (with respect to pay, benefits and other terms and conditions of employment) with any general pay increases or benefit enhancements granted during the leave, provided that:
 - a. An employee will be required to submit a physician's release prior to returning from a personal medical leave;
 - b. An employee returning from family/medical leave has no greater rights to a position than had he/she been continuously working during the leave period (e.g. In case of RIF);
 - c. Where the employee seeks an intermittent/reduced schedule medical leave, the district may temporarily transfer the employee to an available alternative position with equivalent pay and benefits for which the employee is qualified if the transfer better accommodates the requested recurring periods of leave; and
 - d. An employee on an approved family/medical leave may not perform work for another employer during the leave.
 5. Health Coverage and Other Benefits
 - a. The employer must maintain coverage under any group plan that provides health care to the employee or employee's family. The coverage must be continued for the duration of the FMLA leave at the same level and under the same conditions coverage would have been provided if no leave had been taken, provided that:
 - b. Coverage shall end when the employee notifies the district of his/her intent not to return to work, does not return on the scheduled date or exhausts his/her family and medical leave rights under this provision;
 - c. The employee will be required to pay his/her share of applicable premium payments at the same time as such payments would be made if by payroll deductions. Coverage may lapse if an employee's premium payment is more than thirty (30) days late.
 - d. The school district may recover the premium paid for coverage during the leave if the employee does not return to work:
 - 1) Due to the continuation, recurrence or onset of a serious health condition of a family

- member or employee that would otherwise entitle the employee to take leave, or;

ARTICLE XI
UNSATISFACTORY PERFORMANCE AND DISCIPLINARY PROCEDURES
FOR NON-PROBATIONARY EMPLOYEES

From time to time it may be necessary to initiate disciplinary action against an employee for misconduct or unsatisfactory work performance. The employee has the right to request representation at any investigatory conference at which the employee reasonably believes his/her answers may lead to discipline. The employee is responsible for contacting the appropriate person to provide that representation. Notice to the union chairperson shall be given at least forty-eight (48) hours in advance unless impractical due to the seriousness of the employee misconduct.

A. Unsatisfactory Work Performance Procedures:

The employer shall provide employees with an opportunity to correct unsatisfactory work performance pursuant to the following steps.

1. Step 1—As soon as possible after the first incident of unsatisfactory performance, the immediate supervisor and, when appropriate, other supervisory personnel including the head custodian, Supervisor of Custodial Services, Supervisor of Maintenance, or Manager of Environmental Services, will meet with the employee to provide direction and guidance

for appropriate job performance. A written record of the meeting shall be provided to the employee. A copy will be kept by the immediate supervisor.

2. Step 2—If unsatisfactory work performance continues, the employee shall be given a written notice detailing the deficiencies in his or her performance and identifying what steps must be taken to improve that performance. A 30-calendar day minimum timeline for correcting the deficiencies must be included in the written notice.
3. If improvement is immediate and continues for 90 working days, the written notice shall be removed from the employee's personnel file upon written request from the employee. However, if similar unsatisfactory performance is exhibited within one (1) year of the remediation, the written notice shall be returned to the employee's personnel file and the disciplinary procedure will continue with Step 3.
4. Step 3—If improvement does not occur as a result of Step 2, a second written notice shall be given to the employee informing him or her that continued unsatisfactory work performance will lead to dismissal. At this step the employee's skills and abilities will be evaluated to determine if he or she can serve the school district in another capacity. A transfer to another position in the district may occur at this step.
5. Step 4—Continued unsatisfactory work performance shall result in dismissal from employment in the school district. The immediate supervisor shall present such recommended notice in writing to the employee stating the effective date of the dismissal.
6. The immediately above procedure for non-probationary employees is subject to the grievance procedure.

B. Misconduct Procedures:

1. The employer shall provide progressive discipline. For certain serious misconduct incidents or offenses, suspension or immediate termination may be the first step in the disciplinary process with the approval of the Manager of Environmental Services or the Assistant Superintendent for Personnel and Human Services.
2. Upon an Employee's request, written complaints or letters of discipline will be expunged from the Employee's file two (2) years after the date they are placed in the file and cannot be used for future disciplinary purposes unless there is another complaint or letter of discipline of a similar nature against the Employee during the two (2) year period. However, any written complaints or letters of discipline, which address behavior that has jeopardized the health or safety of others, shall remain in the Employee's file permanently and may be used for future discipline.

C. Excessive Absenteeism:

Employees who demonstrate a pattern of exceeding their accumulated sick leave benefits under this Agreement may be subject to progressive discipline up to and including termination.
