AGREEMENT
Between
PLEASANTVIEW FIRE PROTECTION DISTRICT
and
SERVICE EMPLOYEES INTERNATIONAL UNION LOCAL #73

THIS AGREEMENT entered into by the PLEASANTVIEW FIRE PROTECTION DISTRICT (hereinafter referred to as the "District" or the "Employer") and the SERVICE EMPLOYEES INTERNATIONAL UNION LOCAL #73 (hereinafter referred to as the "Union"), is in recognition of the Union's status as the exclusive representative of certain District employees and has as its basic purpose the promotion of harmonious relations between the District and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of an entire agreement covering all rates of pay, hours of work and conditions of employment applicable to bargaining unit employees. Therefore, in consideration of the mutual promises and agreements contained in this Agreement, the District and the Union do mutually promise and agree as follows:

ARTICLE I
RECOGNITION

Section 1.1. Recognition. Pursuant to the Certification of Representative issued by the Illinois State Labor Relations Board in Case No. S-RC-00-027 the District recognizes the Union as the sole and exclusive collective bargaining representative for all full-time captains (hereinafter referred to as "employees"), but excluding the Chief, Deputy Chief, Battalion Chiefs, Lieutenants, Firefighters, paid on-call firefighters, contractual employees, clerical employees and all other District employees.

Section 1.2. Reserved

Section 1.3. Fair Representation. The Union recognizes its responsibility as bargaining agent and agrees fairly to represent all employees in the bargaining unit, whether or not they are members of the Union. The Union further agrees to indemnify, defend and hold harmless the District and its officials, representatives and agents from any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal cost resulting from any failure on the part of the Union to fulfill its duty of fair representation.

Section 1.4. Union Officers. For purposes of this Agreement, the term "Union Officers" shall refer to the Union's duly elected President, Vice-President, and Secretary.

Section 1.5. Gender. Wherever the male gender is used in this Agreement, it shall be construed to include both males and females equally.

Section 1.6. Seniority. Seniority for the purpose of this Agreement shall be defined as an employee's length of continuous full time service with the District since the employee's last date of hire. Seniority shall not include periods of unpaid leave time in excess of 30 days nor shall it include any time spent as a volunteer or paid-on-call firefighter. Conflicts in seniority between two or more employees otherwise having the same seniority shall be determined on the basis of the employees order on the Board of Fire Commissioners hiring list, with the employee higher on the list being the more senior.

Seniority for all purposes and the employee relationship shall be terminated if the employee:

- (a) quits;
- (b) is discharged for just cause;
- (c) retires or is retired;
- (d) fails to return to work at the end of an approved leave of absence except for good cause shown;
- (e) fails to return from layoff within 14 calendar days from the date of recall; or
- (f) is laid off or otherwise does not perform work as a firefighter for the District (except for absences due to on-the-job injuries compensated under Workers' Compensation or military service) for a period in excess of 30 months.

ARTICLE II UNION SECURITY AND RIGHTS

Section 2.1. Dues Checkoff. While this Agreement is in effect, the District will deduct from each employee's paycheck a sum equal to the uniform, regular monthly Union dues for each employee in the bargaining unit who has filed with the District a voluntary, effective written checkoff authorization.

A Union member desiring to revoke the dues checkoff may do so by written notice to the District at any time during the 30 day period prior to the contract's annual anniversary date, in each year during the life of the contract.

The actual dues amount deducted, as determined by the Union, shall be uniform in nature for each employee in order to ease the District's burden of administering this provision.

If the employee has no earnings due at the time of any checkoff, the Union shall be responsible for collection of dues. The Union agrees to refund to the employee any amounts paid to the Union in error on account of this dues deduction provision. The Union may change the fixed uniform dollar amount, which will be considered the regular monthly fees once each year during the life of this Agreement. The Union will give the District 30-days notice of any such change in the amount of uniform dues to be deducted.

Section 2.2. Fair Share Deduction. The District agrees that employees are required to pay a Union service fee as a condition of employment after having been employed for 90 days for the purpose of negotiating and administering the provisions of this Agreement. In the event that an employee does not voluntarily sign a written dues check off authorization, the District, after being requested to do so in writing by the Union, shall make an involuntary deduction from the employee's pay proportionate to the employee's share of the service charge to negotiate and administer this Agreement in an amount that does not exceed 100 percent of the Union dues.

If a non-member employee challenges the amount of the fair share deduction, the Union agrees to provide information required under law and to provide a mechanism for challenging the amount of the fair share deduction, which meets all requirements of the law.

Section 2.3. Religious Exemption. Should any employee be unable to pay their contribution to the Union based upon bona fide religious tenets or teachings of a church or religious body of which such employee is a member, such amount equal to their fair share, shall be paid to a

nonreligious charitable organization mutually agreed upon by the employee affected and the Union. If the Union and the employee are unable to agree on the matter, such payments shall be made to a charitable organization from an approved list of charitable organizations. The employee will on a monthly basis furnish a written receipt to the Union that such payment has been made.

Section 2.4. Union Indemnification. The Union shall indemnify, defend and save the District harmless against any and all claims, demands, suits or other forms of liability (monetary or otherwise) and for all legal costs that shall arise out of or by reason of action taken or not taken by the District in complying with the provisions of this Article. If the improper deduction is made, the Union shall refund directly to the employee any such amount.

Section 2.5. Union Use of Bulletin Boards. The District will make available space on a bulletin board for the posting of official Union notices of a non-political, non-inflammatory nature. The Union will limit the posting of Union notices to such bulletin board.

ARTICLE III LABOR-MANAGEMENT MEETINGS

Section 3.1. Meeting Request. The Union and the Employer agree that in the interest of efficient management and harmonious employee relations, that meetings be held if mutually agreed between Union representatives and responsible Employer administrative representatives. Such meetings may be requested by either party at least 7 days in advance by placing in writing a request to the other for a “labor-management meeting” and expressly providing the agenda for such meeting. Such meetings, times and locations, if mutually agreed upon, shall be limited to:

- (a) discussion on the implementation and general administration of this Agreement;
- (b) a sharing of general information of interest to the parties;
- (c) notifying the Union of changes in conditions of employment contemplated by the Employer which may affect employees; and
- (d) safety issues.

Section 3.2. Content. It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Specific grievances being processed under the grievance procedure shall not be considered as “labor-management meetings” nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

Section 3.3. Attendance. Attendance at labor-management meetings shall be voluntary on the employee’s part, and attendance during such meetings shall not be considered time worked for compensation purposes. Normally, 2 persons from each side shall attend these meetings, schedules permitting. Attendance at such meetings shall not interfere with required duty time, and attendance, if during duty time, is permitted only upon prior approval of the employee’s supervisor and the Chief.

ARTICLE IV MANAGEMENT RIGHTS

Section 4.1. Management Rights. Except as specifically limited by the express provisions of this Agreement, the District retains all traditional rights to manage and direct the

affairs of the District in all of its various aspects and to manage and direct its employees, including but not limited to the following: to plan, direct, control and determine the budget and all the operations, services and missions of the District; to supervise and direct the working forces; to establish the qualifications for employment and to employ employees; to schedule and assign work; to establish work and productivity standards and, from time to time, to change those standards; to assign overtime; to limit secondary employment; to contract out for goods and services; to determine the methods, means organization and number of personnel by which such operations and services shall be made or purchased; to make, alter and enforce reasonable rules, regulations, orders and policies, standard operating procedures, guidelines, rules and regulations of the Board of Fire Commissioners; to evaluate employees; to establish performance standards; to discipline, suspend and discharge non-probationary employees for just cause; to change or eliminate existing methods, equipment or facilities or introduce new ones; to take any and all actions as may be necessary to carry out the mission of the District in the event of civil emergency, it is the sole discretion of the District to determine that civil emergency conditions exist which may include, but not be limited to, riots, fires, civil disorders, tornado conditions, floods or other catastrophes; and to carry out the mission of the District provided, however, that the exercise of any of the above rights shall not conflict with any of the express written provisions of this Agreement.

Section 4.2. Management Action. Whenever the Fire Chief has any power or right under this Agreement, that power or right may be exercised by the Deputy Chief or may be exercised by any person designated by either of them.

Section 4.3. Reserved

Section 4.4. Substance Abuse Testing. Labor and management will maintain an agreed upon drug and alcohol testing policy and procedure.

**ARTICLE V
DISCIPLINE**

Section 5.1. Disciplinary Actions. Disciplinary actions instituted by the Employer shall be for reasons based upon the employee's failure to fulfill his/her responsibilities as an employee. The Employer agrees with the tenets of progressive and corrective discipline, whereby discipline shall be designed to improve behavior and not merely to punish. Where the Employer believes just cause exists to institute disciplinary action it shall have the option to assess any of the following penalties as it deems appropriate and based upon the circumstances:

1. Oral Reprimand
2. Written Reprimand
3. Suspension
4. Discharge

The employee may file a written reply to any reprimand. Suspensions and discharges shall proceed in accordance with the rules of the Board of Fire Commissioners. The Employer may conduct disciplinary investigations when it receives complaints or has reason to believe an employee has failed to fulfill his/her responsibilities as an employee. In most cases, prior to taking final disciplinary action and concluding its investigation, the Employer will meet with the employee involved and notify the employee of the contemplated disciplinary action and the reason thereof.

ARTICLE VI HOURS OF WORK AND OVERTIME

Section 6.1. Application of Article. This Article is intended only as a basis for calculating overtime payments, and nothing in this Agreement shall be construed as a guarantee of hours of work per day, or per week.

Section 6.2. Work Period and Shift Schedule. For purposes of overtime payment under the FLSA, the normal work period for shift employees shall consist of a 27-day cycle. a shift schedule normally consists of an employee working 24 hours on-duty followed by 48 hours off-duty. For designated 40 hour employees, the work period is defined as a seven day cycle with the hours of work assigned by the Chief.

Section 6.3. Changes in Work Schedule. The shifts, workday and hours to which employees are assigned shall be stated on the Departmental work schedule. Should it be necessary in the interest of efficient operations to establish different shift assignments, the District will give at least 72-hour notice where practicable of such change to the individuals affected by such change.

Section 6.4. Overtime Pay. Pursuant to FLSA, all hours worked in excess of 204 hours (for 27 day cycle shifts), and 40 hours (for 7 day cycle shifts), will be paid at time and one- half the regular pay rate. During a normal year, a 27-day cycle employee is scheduled for 2708 hours of work at regular rate of pay and a seven-day cycle employee is scheduled for 2080 hours of work at regular rate of pay. Eligible hours of work will be paid at overtime rates regardless of exceeding the applicable FLSA minimum threshold.

Section 6.5. Paid On Call Response. When an off-duty employee voluntarily responds to a call for manpower, that employee shall be credited with actual time worked to the next 15 minutes, but not less than one hour. The minimum of one hour shall not apply to time immediately before or after an employee's scheduled shift.

Section 6.6 Compensatory Time. The district will grant compensatory time off in lieu of overtime payment at a time and one-half rate when the following conditions have been met.

- The employee must designate his overtime shift as compensatory time prior to working the overtime shift. All hours worked must be established as either overtime pay or compensatory time prior to the shift and cannot be split for that specific overtime assignment unless approved by the Fire Chief.
- Compensatory time must be scheduled during a time that the employee will not be the third member off duty on that shift due to two other members utilizing a vacation or Kelly day during that time.
- Compensatory time must be scheduled for a minimum 8 hours initially, and increasing by 4 hour increments up to a full 24-hour shift.
- Compensatory time must be scheduled after vacation and floating Kelly picks have been completed, and no less than two shifts prior to the shift it is being applied.

Once compensatory time has been approved no member will be able to move a vacation or Kelly day to that time if they will be the third member off shift due to a vacation or Kelly day. Compensatory time must be used during the same fiscal year it was earned. Any unused compensatory time banked by the end of the fiscal year will be paid out as straight time to the employee on the last pay period of the fiscal year. Compensatory time accrued may be paid at any time by the request of the employee to the Fire Chief. Compensatory time should not be

unreasonably denied by the fire chief when the conditions have been met.

Section 6.7. Court Time. Employees who would otherwise be off-duty shall be credited with "hours worked" for all hours spent appearing in court on behalf of the District or in a matter arising out of their employment. Employees will not be paid for court time in litigation, which they or the Union initiated, or in which the District is the plaintiff and an employee is a defendant.

Section 6.8. Required Overtime. The District shall have the right to require overtime work and employees may not refuse overtime assignments.

Section 6.9. Overtime Assignment. Overtime shall be assigned using the policy and procedures agreed to by the District and the Union. The overtime assignment policy and procedures may be modified at any time by mutual agreement of the parties.

Section 6.10 Work Reduction Days. The District shall provide each employee regularly scheduled to work 24-hour shifts with every 18th shift off (without loss of pay) as a work reduction day. Employees shall receive 12 hours off at the end of one 27-day cycle and another 12 hours off at the beginning of the next 27-day cycle to equal one 24-hour shift off. Except as provided below, the Chief or his designee schedules all work reduction days in advance.

Additionally, employees shall receive two floating work reduction days in each fiscal year, which will be scheduled by the employees after the vacation list selection process has been completed. Floating work reduction days will be picked by seniority. When there are no available days remaining to be taken, shifts will be allowed to schedule a third person off, however, employees are not allowed to schedule a third person off on contractual holidays, Christmas Eve and New Year's Eve.

Employees may trade their assigned work reduction days, after receiving the approval of their respective Battalion Chief or Deputy Chief in his absence, with employees on the same shift through a switch agreement. Switch agreement approvals are subject to the same rules and procedures established for "switch days" except Work Reduction Days must be traded in 24-hour shift segments. If switched, the Work Reduction Day will be considered that of the person originally scheduled to have the day off. Once a Work Reduction Day is changed, the Deputy Chief must authorize any further changes for that Work Reduction Day. Employees may also switch either assigned work reduction days or floating work reduction days to open days (1 shift employee or less scheduled off) on their assigned shift. Any work reduction day that is voluntarily switched by an employee out of their assigned cycle will be treated as a switch day and will not cause overtime to be paid to the employee.

Section 6.11. No Pyramiding. Compensation shall not be paid (or compensatory time taken) more than once for the same hours under any provision of this Article or Agreement.

Section 6.12. Forty-Hour Employees. Employees who are scheduled to work forty hours per week are not entitled to work reduction days. All benefits for such employees, such as vacation and sick days, shall be used on the basis of 8-hour days. Employees scheduled to work forty hours per week are entitled to one personal day and one floating holiday each calendar year.

Section 6.13. Temporary Forty Hour Employees. Employees who are temporarily scheduled to work 40 hours per week are not entitled to a personal day except if working such schedule for more than six months. In such event the employee shall be entitled to two personal days every 12 months.

ARTICLE VII GRIEVANCE

Section 7.1. Definition. A “grievance” is defined as a dispute or difference of opinion raised by an employee or the Union against the District involving an alleged violation or misapplication of an express provision of this Agreement except that any dispute or difference of opinion concerning the imposition of discipline which is subject to the Board of Fire Commissioners’ jurisdiction shall not be considered a grievance under this Agreement.

Section 7.2. Procedure. A grievance filed against the District shall be processed in the following manner:

Step 1: An employee or Union Representative who has a grievance shall present the grievance in writing to the Battalion Chief (or the Deputy Chief in the Battalion Chief’s prolonged absence), specifically indicating that the matter is a grievance under this Agreement. The grievance shall contain a complete statement of facts, the provision or provisions of this Agreement which are alleged to have been violated, and the relief requested. The grievance must be presented no later than 15 calendar days after the occurrence of the event giving rise to the grievance. The Battalion Chief shall render a written response to the grievant within 5 calendar days after the grievance is presented.

Step 2: If the grievance is not settled at Step 1 and the Union desires to appeal, it shall be referred by the Union in writing to the Fire Chief within 10 calendar days after receipt of the District’s answer in Step 1. Thereafter, the Fire Chief, shall meet with the grievant, the Steward involved, and an outside, non- employee Union representative if desired by the employee within 10 calendar days of receipt of the Union’s appeal, if at all possible. If no agreement is reached, the Fire Chief shall submit a written answer to the Union within 10 calendar days following the meeting.

Step 3: If the grievance is not settled at Step 2 and the Union desires to appeal, it shall be referred by the Union in writing to the Board of Trustees within 10 calendar days after receipt of the District’s answer in Step 2. Thereafter, the Board of Trustees shall meet with the grievant, the Steward involved and an outside, non-employee representative of the Union if desired by the employee within 10 calendar days of receipt of the Union’s appeal, if at all possible. If no agreement is reached, the Board of Trustees shall submit a written answer to the Union within 10 calendar days following the meeting.

Section 7.3. Arbitration. If the grievance is not settled in Step 3 and the Union wishes to appeal the grievance from Step 3 of the grievance procedure, the Union may refer the grievance to arbitration, as described below, within 20 calendar days of receipt of the District’s written answer as provided to the Union at Step 3:

- (a) The parties shall attempt to agree upon an arbitrator within 10 calendar days after receipt of the notice of referral. In the event the parties are unable to agree upon the arbitrator within said 10-day period, the grievant shall request the American Arbitration Association to submit a panel of 5 arbitrators. Each party retains the right to reject one panel in its entirety and request that a new panel be submitted. Both the District and the Union shall have the right to strike 2 names from the panel. The party requesting arbitration shall strike the first two names; the other party shall then strike two names. The person remaining shall be the arbitrator.
- (b) The arbitrator shall be notified of his selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and District representatives.

- (c) The District and the Union shall have the right to request the arbitrator to require the presence of witnesses or documents. The District and the Union retain the right to employ legal counsel.
- (d) The arbitrator shall submit his decision in writing 30 calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later.
- (e) More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.
- (f) The arbitrator's fees and expenses, and the cost of a written transcript, if any, shall be divided equally between the District and the Union; provided, however, that each party shall be responsible for compensating its own representatives and witnesses.

Section 7.4. Limitations on Authority of Arbitrator. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the questions of fact as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall be empowered to determine the issue raised by the grievance as submitted in writing at Step 1. The arbitrator shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with, in any way, applicable laws, or of rules and regulations of federal and state administrative agencies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the District under federal and state law. Any decision or award of the arbitrator rendered within the limitations of this Section shall be final and binding upon the District, the Union and the employees covered by this Agreement.

Section 7.5. Time Limit For Filing. No grievance shall be entertained or processed unless it is submitted at Step 1 within 15 calendar days after the occurrence of the event giving rise to the grievance or within 15 calendar days after the employee, through the use of reasonable diligence, could have obtained knowledge of the event's occurrence giving rise to the grievance.

Unless otherwise agreed in writing, a grievance not presented by the employee or the Union within the time limits set forth above, shall be considered "waived" and may not be further pursued by the employee or the Union. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the District's last answer. If the District does not answer a grievance or an appeal thereof within the specified time limits, the aggrieved employee and the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step.

Section 7.6. Time Off. The grievant and one Union representative, or a Union representative if a Union grievance, shall be given paid time off to participate in the Step 2, Step 3 or arbitration meetings if the meetings are conducted on working time. No other time spent on grievance matters shall be considered time worked for compensation purposes.

ARTICLE VIII NO STRIKE-NO LOCKOUT

Section 8.1. No Strike. Neither the Union nor any of its officers, agents or employees will instigate, promote, sponsor, engage in any strike, sympathy strike, secondary boycott,

slowdown, speed-up, sit-down, concerted stoppage of work, concerted refusal to perform overtime, concerted abnormal and unapproved enforcement procedures or policies or work to the rule situation, mass resignations, mass absenteeism, or picketing which in any way results in the interruption or disruption of District operations, regardless of the reason for so doing. Any or all employees who violate any of this Article's provisions may be discharged or otherwise disciplined by the District.

Each employee who holds the Union position of officer or steward occupies a position of special trust and responsibility in maintaining and bringing about compliance with the provisions of this Article. In addition, in the event of a violation of this Article's Section, the Union agrees to inform its members of their obligations under this Agreement and to direct them to return to work.

Section 8.2. No Lockout. The District will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Union.

Section 8.3. Penalty. The failure to confer a penalty in any instance is not a waiver of such right in any other instance nor is it a precedent.

Section 8.4. Judicial Restraint. Nothing contained herein shall preclude the District or the Union from obtaining judicial restraint and damages in the event the other party violates this Article.

ARTICLE IX HOLIDAYS

Section 9.1. Holidays. The following are holidays for eligible employees:

New Year's Day	Labor Day
Easter	Thanksgiving Day
Memorial Day	Day after Thanksgiving
July 4	Christmas Day

Section 9.2. Holiday Pay. Each employee working the 24/48 shift schedule, whether working a holiday or not, shall be credited with 10 hours of straight time pay during the month of the holiday to be paid in the last pay period in November. Forty hour personnel will receive these holidays off with pay. For District observed holidays that fall on a 40-hour employee's unscheduled workday, the Chief will assign the employee another day off. Holiday pay shall be paid at the employee's hourly rate during the current pay period of the annual holiday payment.

Section 9.3. Accumulation. Holiday pay shall not be earned or accumulated during any layoff period or during any leave of absence (except for an on-duty injury). An employee shall forfeit 1/8 of holiday pay for each 1/8 of 2708 hours not worked by reason of layoff or leave of absence (except for an on-duty injury) during the applicable calendar year.

ARTICLE X LAYOFF AND RECALL

Section 10.1. Layoff. The District, in its discretion, shall determine whether layoffs are necessary. If it is determined that layoffs are necessary, employees covered by this Agreement will be laid off in accordance with their length of service as provided in 70 ILCS 705/16.13a. Before a layoff occurs, the District will meet and discuss the matter with the Union.

Section 10.2. Recall. If any positions which have been vacated because of reduction in forces, displacement, or abolition of position are reinstated, such reinstatement shall be made as provided in 70 ILCS 705/16.13a.

**ARTICLE XI
VACATIONS**

Section 11.1. Eligibility and Allowances. All employees shall be eligible for paid vacation as follows:

Year of Service	Shift Days
1st	1 day every four months

Sick leave with pay is provided as a benefit in recognition that employees do contract various illnesses from time to time and that their financial resources may be diminished in such instances if pay is discontinued, and that it may not be in the best interest on behalf of the employee or fellow employees for them to work while sick.

Section 12.2. Allowance. Sick leave may be used for sickness or disability, or for caring for an ill or injured individual living with the employee and who is in the employee's immediate family (defined as the employee's legal spouse, parents and children).

Failure to properly report an illness may be considered as absence without leave and shall be unpaid, and may subject the employee to discipline as well.

Section 12.5. Medical Examination. Prior to an employee's returning to work after missing 2 consecutive working days, the District may require a written certification from his physician indicating the nature of the illness and containing a statement that the employee has been examined and is physically able to return to work. The District may deny paid sick leave benefits in such event if it deems there to be an abuse of sick leave.

If the employee does not return from layoff sooner than 12 months from expiration of the leave, the employee shall be terminated.

If, upon the expiration of a leave of absence, there is no work available for the employee or if the employee could have been laid off according to his seniority except for his leave, he shall go directly on layoff.

During any unpaid leave of absence of more than 30 calendar days or layoff under this

Agreement, all fringe benefits will cease, except that the employee shall be entitled to coverage under applicable group and life insurance plans to the extent provided in such plans, provided the employee makes arrangements for the change and arrangements to pay the entire insurance premium involved, including the amount of premium previously paid by the District.

Promotions to the rank of Battalion Chief and/or next promoted rank above bargaining unit rank (provided that the rank immediately above the unit is not the only rank between the unit and the Chief's rank) shall be conducted in accordance with this Article and the provisions of the Fire Department Promotional Act, 50 ILCS 742/et seq. (hereinafter the "Act"). Except where modified by the terms of this Article, the procedures for promotions shall be made in accordance with the provisions of the Act and the rules of the District's Board of Fire Commissioners. In the event of a discrepancy between the Act and the rules of the District, the Act shall prevail.

Section 22.2 Vacancies. This Article applies to promotions to vacancies in the rank of Battalion Chief. A vacancy shall be deemed to occur on the date upon which the position is vacated and on that same date, a vacancy shall occur in all ranks inferior to that rank, provided that the position or positions continue to be funded and authorized by the corporate authorities. If a vacated position is not filled due to a lack of funding or authorization and is subsequently reinstated, the final promotion list shall be continued in effect until all positions vacated have been filled or for a period up to five (5) years beginning from the date on which the position was vacated. In such event, the candidate or candidates who would have otherwise been promoted when the vacancy originally occurred shall be promoted.

Section 22.3 Eligibility, Exam Components and Weights. Testing criteria for promotional exams for the Battalion Chief rank shall be in accordance with "Appendix C" to this Agreement. The parties waive any requirement to publish notice of an examination in a newspaper and specifically agree that posting a notice of a promotional examination on the District's bulletin boards in each station at least 90 days in advance of an examination process is sufficient notice. Notice shall include the time, date and location of the examinations, the deadline for applications, and the list of reading and study materials.

The parties also agree that the current president of the Pleasantview Fire District's Captains Union may request the use of monitors to the written exam and assessment center portions of the testing process.

The component scores shall then be reduced by the weighting factor assigned to the component on the test and the scores of all components shall be added to produce a total maximum score of 100 points. Candidates shall then be ranked on the list in order based on the highest to the lowest points scored on all the components of the test. In the event of two or more candidates attaining the same score, departmental seniority shall prevail in their ranking on the list. Such ranking shall constitute the preliminary promotional list.

Applicants who are eligible for and elect to use their military preference credit must make a claim for the credit in writing to the Commission within ten (10) days after the posting of the preliminary promotion list or such claims shall be deemed waived. The Commission shall award veteran's preference points to those eligible veterans timely claiming the credit in accordance with 70ILCS705/16.08a. No person shall receive preference for a promotional appointment after receiving one promotion from an eligibility list on which he or she was allowed military preference points. Once all claimed preference points have been awarded, the Commission shall certify a final adjusted promotion list. Failure to receive a minimum total final score of 70 after all preference points have been awarded, shall result in the candidate being found ineligible for promotion and shall not be placed on the final list. The final adjusted promotion list shall then be posted at Pleasantview Fire Protection District Station One and copies provided to the Union and all candidates.

Section 22.5. Right to Review. Any affected employee who believes that an error has been made with respect to eligibility to take an examination, examination result, placement or position on a promotion list, or veteran's preference shall be entitled to review of the matter by the appointing authority. Any disputes as to such matters may be resolved and remedied by filing a grievance as provided by Article VII of this Agreement with the exception that any grievance must be filed with the Board of Fire Commissioners within 10 days of the event giving rise to the grievance, or within 10 days from the date the employee exercising reasonable diligence should have been aware of the event giving rise to the grievance. The Commission will conduct the review at its next meeting and issue a final opinion on the matter within seven (7) days thereafter. If no request for review is filed, any legal challenge to any aspect of the promotional process must be filed within 35 days of the date of the event giving rise to the legal challenge in accordance with the Administrative Review Act. If a request for review is filed, any legal challenge to any aspect of the promotional process must be filed within 35 days of the date of the Commission's written decision regarding the request for review in accordance with the Administrative Review Act (50 ILCS 742/60).

Section 22.6. Order of selection. Whenever a promotional rank is created or becomes vacant due to resignation, discharge, promotion, death, or the granting of a disability or retirement pension, or any other cause, the appointing authority shall appoint to that position the person with the highest ranking on the final promotion list for that rank. The appointing authority shall have the right to pass over that person and appoint the next highest ranked person on the list if they (the Pleasantview Fire Protection District Board of Fire Commissioners) have reason to conclude that the highest ranking person has demonstrated substantial shortcomings in work performance; or, has engaged in misconduct affecting the person's ability to perform the duties of the promoted rank, since the posting of the promotion list.

If the highest ranking person is passed over, the appointing authority shall document its reasons for its decision to select the next highest ranking person on the list. Unless the reasons for

passing over the highest ranking person are not remedial, no person who is the highest ranking person on the list at the time of the vacancy shall be passed over more than once. Any dispute as to the selection of the first or second highest ranking person shall be subject to resolution in accordance with the grievance procedure in Article VII of this Agreement.

Section 22.7. Maintenance of Promotional Lists. Final promotional lists shall be effective for a period of 3 years. The District's Board of Fire Commissioners shall work diligently towards establishing promotional eligibility lists so that promotional vacancies are filled not later than 180 days after the occurrence of a vacancy.

ARTICLE XXIII SAVINGS CLAUSE

In the event any Article, Section or portion of this Agreement should be held invalid and unenforceable by any Board, Agency or Court of competent jurisdiction, such decision shall apply only to the specific Article, Section or portion thereof specifically specified in the Board, Agency or Court decision; and upon issuance of such a decision, the District and the Union agree to immediately begin negotiations on a substitute for the invalidated Article, Section or portion thereof.

ARTICLE XXIV ENTIRE AGREEMENT

This Agreement constitutes the complete and entire agreement between the parties, and concludes collective bargaining between the parties for its term. This Agreement supersedes and cancels all prior practices and agreements, whether written or oral, which conflict with the express terms of this Agreement. If a past practice is not addressed in the Agreement, it may be changed by the Employer as provided in the Management Rights Clause, Article IV. Before changing any past practice which has an economic effect on employees, the District shall give notice of proposed change to the Union. The Union shall have 2 days from receipt of notice to file a demand for bargaining over the effect of the proposed change. The District is obligated to bargain over the effect of the change, but not over the change itself. The District may implement the change 2 days after giving notice, whether or not the Union files a demand for bargaining over the effect. In the event that the District fails to give notice of a proposed change, then the only remedy shall be that the Union may demand bargaining over the effect at any time.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law or ordinance from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity were set forth in this Agreement. Therefore, the District and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject referred to, or covered in this Agreement, or with respect to the impact or effects upon employees of the District's exercise of its right under this Agreement, except as to the impact and effect of matters not contemplated or not foreseen by the District and the Union resulting from changes not within the control of either of them.

ARTICLE XXV TERMINATION

This Agreement shall be effective as of January 1, 2020 and shall remain in full force and effect until 11:59 P.M. on the 31st day of December 2022. It shall be automatically renewed from

year to year thereafter unless either party shall notify the other in writing at least 70 days prior to the anniversary date that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin no later than 60 days prior to the anniversary date. Notwithstanding any provision of this Article or Agreement to the contrary, this Agreement shall remain in full force and effect after the expiration date and until a new agreement is reached unless either party gives at least 10 days written notice to the other party of its desire to terminate this Agreement, provided such termination shall not be before the anniversary date set forth in the preceding paragraph.
