

Sisters and brothers,

Yesterday, Graduate Employees at University of Illinois Chicago walked off the job demanding living wages and expanded protections for workers who experience discrimination on the job. During the fall of 2020, Graduate Employees stood with us during our historic strike, now it's time to show them the same solidarity they showed us by standing with them in their fight for a fair contract.

This week, GEO is asking that our members any of the actions below to show their support for striking Graduate Employees at UIC:

1. Send a letter of support by [filling out this link](#) to send an email to UIC management.
2. Share and donate to their [strike fundraising link](#).
3. Join the rally at Wednesday, April 20 at 12 p.m. on the East Quad.
4. Walk the picket line. Pickets will be 9:00 -12:00 p.m. and 1:00 - 4:00 p.m. all through the week, meeting location is on the East Quad. Come out on your lunch break or before or after your shift to walk the picket line and show your support.

In Solidarity,

Union Stewards
