This Agreement is entered into by and between the Board of Education, Ottawa Township High School, District 140 (hereinafter referred to as the "Board"), and Local 73, Service Employees International Union (hereinafter referred to as the "Union").

ARTICLE II - RECOGNITION

For the purpose of collective bargaining with respect to wages, hours, and other conditions of employment, the Board recognizes the Union as the exclusive bargaining agent for the custodial employees and maintenance assistant.

The Board agrees not to negotiate with any representative of the employees other than Local 73, SEIU, for the duration of this Agreement.

The Board shall have the right to employ up to three part-time employees to perform bargaining unit work for a total number of forty-five hours per week or less. This does not include seasonal employees.

ARTICLE III - DEFINITION OF BARGAINING UNIT

The Bargaining Unit shall include all full-time custodial employees and the Assistant Maintenance Technicians. The Director of Maintenance and Operations and the Supervisor of Custodians and Facilities are not covered by this agreement.

ARTICLE IV - NO STRIKE CLAUSE

There shall be no strike among bargaining unit employees during the term of this Agreement. The Board will not lock out employees during the term of this Agreement.

ARTICLE V - GRIEVANCE PROCEDURE

A. Definitions:

1. Any claim by the Union or any member that there has been a violation or misinterpretation of the specific terms of this Agreement, shall be defined as a grievance.
2. All time limits referred to in the grievance and arbitration procedures shall consist of work days, unless specifically described as calendar days.
3. Failure of an employee to submit or to act on any grievance within the prescribed time limits will act as a bar to any further appeal. An administrative failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
4. Initiation of this grievance procedure shall be conditioned upon the filing of the formal grievance in writing within twenty (20) days of when the occurrence may have been discovered.

B. Procedures:

1. The parties hereto acknowledge that it is usually most desirable for an employee and the employee's immediately involved supervisor to resolve problems through free and informal communications. When requested by the employee, a Union representative may accompany the employee to assist in the informal resolution of the grievance. If, however, the informal process fails to satisfy the employee, a grievance may be processed as follows:
2. If the grievance is not resolved in Step 1, the grievant may refer the grievance in writing to the Superintendent or his designee who will arrange for a meeting to take place within five (5) days after the receipt of the grievance. The Superintendent or designee will provide a written reply within five (5) days of the meeting.
3. Within ten (10) days after receiving the decision of the Superintendent or designee, the grievant may appeal to the Board of Education through the Superintendent. Within thirty (30) calendar days, the Board shall meet on the grievance in closed session. Within ten (10) days after that meeting, the decision of the Board shall be communicated in writing to the Union and to any individual grievant(s). Any meeting of the Board of Education concerning a grievance shall be in closed session.
4. If the Union is not satisfied with the answer of the Board to a grievance, it may submit the grievance to final and binding arbitration by notifying the FMCS with a copy to the Superintendent. The FMCS shall make the selection of the arbitrator to hear and decide the grievance, as provided under the rules and regulation of the FMCS. If a demand for arbitration is not filed with the FMCS within thirty (30) calendar days of the Board's decision, the grievance shall be deemed to have been waived.

C. General Provisions:

1. The Arbitrator shall have no power to alter the terms of this Agreement. His or her authority shall be strictly limited to deciding only the issue or issues presented to him by the Board and the Union, and his decision shall be based only upon interpretation of the meaning of the application to the facts of the case to the express relevant language of this agreement.
2. Each party shall bear the full cost of presenting its case in arbitration. The cost of the Arbitrator and the Federal Mediation and Conciliation Service shall be divided equally between the parties.
3. If either party requests a transcript of the arbitration hearing, that party shall bear full cost of such transcript. If both parties order a transcript, the cost of the two transcripts shall be divided equally between the parties. If a copy of the transcript shall be furnished to the Arbitrator, the cost of such will be divided equally between the parties.
4. Grievances of a general nature, involving one or more employees or one or more supervisors, may be initially filed by the Union at Step 2 under Procedures.

5. The Board acknowledges the right of the Union grievance representative to participate in the processing of a grievance at any level, and no employee shall be required to discuss any grievance if the Union representative is not present.
6. The Union shall be provided with copies of documents, if any, which are the subject of a grievance. The Union may request other documents related to the grievance and the Board may grant such requests. If the Board refuses such a request, the Union is free to pursue other legal means of securing documents related to a grievance.
7. No reprisals shall be taken by the Board or the Union against any employee because of the employee's participation or lack of participation in a grievance.
8. Except in the case of an arbitration, no work time should be used in the preparation of any grievance.
9. All records generated by the processing of a grievance shall be filed separately from the employee's personnel file.
10. A grievance may be withdrawn or settled at any level without establishing precedent.
