APPENDIX A -- Job Classification

APPENDIX C -- County Healthcare Plan

COLLECTIVE BARGAINING

PREAMBLE

This Collective Bargaining Agreement is entered into between the COUNTY of COOK (hereinafter referred to as the "Employer" or "County") and the Service Employees International Union Local 73 (hereinafter referred to as the "Union"). Which consists of thirteen (13) separate and individual bargaining units combined here within for the sole purpose of collective bargaining only.

ARTICLE I Recognition

Section 1.1 Representative Unit:

The County recognizes the Union as the sole and exclusive representative for all employees of the County in the job classifications set forth in Appendix A of this Agreement as certified by the Illinois Labor Relations Board.

The Appendix A lists the Cook County job titles certified to be represented by the Service Employees International Union Local 73 (SEIU Local 73), in a specific bargaining unit; and the rates of pay for each such job title. The job titles listed in Appendix A is for descriptive purposes. Its use is neither an indication nor a guarantee that any classification or title set forth therein will continue to be utilized by the County.

Section 1.2 Union Membership:

The County does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this section, an employee shall be considered to be a member of the Union if they timely tenders the dues and initiation fee required as a condition of membership.

The County will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement. For this purpose, the County shall notify the designated Union representatives of the starting dates of new employees within thirty (30) calendar days of their start.

Section 1.3 Check-off:

With respect to any employee from whom the County receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the County, the County shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made.

The Union shall advise the Employer of any increase in dues, fair share fees, or other approved deductions in writing at least forty-five (45) days prior to its effective date. The Employer shall implement the increase in the first full pay period on or after the effective date.

The parties acknowledge and agree that the phrase "written authorization" as provided in this Agreement include authorizations created and maintained by use of electronic records and electronic signatures consistent with State and Federal law.

Section 1.4 "Fair Share":

The County shall grant "fair share" to the Union in accordance with Sections 6(e) (g) of the Illinois Public Labor Relations Act upon satisfactory demonstration to the County that the Union has more than fifty percent (50%) of the eligible employees in the bargaining unit signed up as dues paying members. Once this condition has been met, all employees covered by this Agreement will within thirty (30) days of the Union meeting said condition or within thirty (30) days of their employment by the County either (1) become members of the Union and pay to the Union regular Union dues and fees, or (2) will pay to the Union each month their fair share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours, and other conditions of employment.

Such fair share payment by non-members shall be deducted by the County from the earnings of the non-member employees and remitted to the Union, provided, however, that the Union shall certify to the County the amount constituting said fair share, not exceeding the dues uniformly required of members of the Union, and shall certify that said amount constitutes the non-members' proportionate share of the Union's costs of the collective bargaining process, contract administration and pursuing matters affecting employee wages, hours and other conditions of employment.

Upon receipt of such certification, the County shall cooperate with the Union to ascertain the names of and addresses of all employee non-members of the Union from whose earnings the fair share payments shall be deducted and their work locations.

Upon the Union's receipt of notice of an objection by a non-member to the fair share amount, the Union shall deposit in an escrow account, separate from all other Union funds, fifty percent (50%) of all fees being collected from non-union employees. The Union shall furnish objectors and the County with verification of the terms of the escrow arrangement and, upon request, the status of the fund as reported by the bank.

The escrow fund will be established and maintained by a reputable independent bank or trust company and the agreement therefore shall provide that the escrow accounts be interest bearing at the highest possible rate; that the escrowed funds be outside of the Union's control until the final disposition of the objection; and that the escrow fund will terminate and the fund therein be distributed by the terms of an ultimate award, determination; or judgment including any appeals or by the terms of a mutually agreeable settlement between the Union and an objector or group of objectors.

If an ultimate decision in any proceeding under state or federal law directs that the amount of the fair share should be different than the amount fixed by the Union, the Union shall promptly adopt said determination and notify the County to change deductions from the earnings of non-members to said prescribed amount.

Section 1.5 Religion Exemption:

Employees who are members of a church or religious body having a bona fide religious tenet or teaching which prohibits the payment of a fair share contribution to a union shall be required to pay an amount equal to their fair share of Union dues, as described in Section 4, to a non-religious charitable organization mutually agreed upon by the Union and the affected employees as set forth in Section 6(g) of the Illinois Public Labor Relations Act.

Section 1.6 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Article. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

Section 1.7 Severability and Right to Re-Open:

In the event any of the provisions of this agreement are or shall become invalid, illegal, or unenforceable by reason of any federal or State Law, Local Ordinance, Decision of any Court or Ruling of any Federal or State Board, Agency, or other governmental entity, such invalidity, illegality, or occurs, at the request of either party, the Union and the Employer shall meet and negotiate in good faith for the purpose of bargaining over the effects of the invalidity, illegality, or unenforceability of the provision or provisions.

**ARTICLE II
Employer Authority**

Section 2.1 Employer Rights and Obligations:

The Union recognizes that the County has the full authority and responsibility for directing its operations and determining policy. The County reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the County shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by the law.

Section 2.2 Union and County Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and County agree to meet at least once every two months (6 times per year) through designated representatives at the request of either party and at mutually agreed upon times and locations. If either party requests additional meetings, the parties shall schedule the additional meeting as soon as practicable. The Union and County shall each designate not more than seven (7) representatives to a labor-management committee for this purpose. The Labor Management Committee shall also make recommendations to the County concerning courses and in-service training to enhance career opportunities for employees in their departments or respective bargaining units. The parties shall exchange agenda items for the

meeting at least one (1) week in advance. The Union may take meeting minutes and distribute to all coverees SEIU Local 73 applicable departments.

Section 2.3 Integrity of Bargaining Unit:

Non-Bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations such as an Act of God or temporary unforeseen circumstance, in training situations where a supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the Employer. This provision does not limit the employer's right to hire seasonal employees to assign work to them. Seasonal employees shall be defined as employees who work forty (40) hours or less per week for a maximum of three (3) months per year. Such exceptions shall not be used to avoid hiring bargaining unit employees. However, under no circumstances shall non-union management and non-union bargaining unit employees perform work that results in a reduction of hours for bargaining unit employees or the reduction of positions available of positions available for bargaining unit employees which has the effect of eroding the bargaining unit.

The Employer agrees that any newly created job title that performs the same or similar work performed by members of the bargaining unit shall be included in the bargaining unit and offered to current bargaining unit employees and then other employees represented by SEIU Local 73 prior to hiring from among external applicants.

Section 2.4 Union and Employer Meetings:

Facilities Management Only: The Steward and the Building Custodian shall have monthly discussions regarding any concerns within their specific areas. These discussions shall include, but not be limited to, the following areas:

1. Work Assignment Distribution
2. Distribution of Overtime
3. Provision of Proper Supplies and Cleaning Materials
4. Safety Issues

Section 2.5 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

ARTICLE III

Hours of Work and Overtime

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Regular Work Periods:

The regular work day for full-time employees shall remain according to prior practice and procedure. If any work periods need to be changed the employer shall first meet with the Union to negotiate such changes. The length of paid lunch periods and breaks granted by each department shall remain in effect. The regular work day shall consist of eight (8) consecutive hours of work, including a one (1) hour paid lunch period. The regular work day for full-time employees in the Bureau of Administration shall be 8:30 a.m. to 4:30 p.m. The regular work day for Departments in the Bureau of Administration shall consists of eight (8) consecutive hours of work, including a one (1) hour paid lunch period and two (2) fifteen (15) minute breaks. If any work periods need to be changed the employer shall first meet with the Union to negotiate such changes.

The regular work day for full-time employees in the other County bureaus/departments represented in this agreement shall consists of eight (8) consecutive hours of work, including a one (1) hour paid lunch period and two (2) fifteen (15) minute breaks. If any work periods need to be changed the employer shall first meet with the Union to negotiate such changes.

Section 3.3 Compensatory Time and/or Overtime Compensation:

Employees may be assigned to overtime work provided that such overtime shall be limited to either emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities or the institution or department.

Employees who are required to work overtime will be compensated in accordance with the Fair Labor Standards Act.

When overtime is required, and the corresponding compensatory time would work and undue hardship on the efficient department operations, the Chief Administrative Officer, The Chief of the Bureau of Health Services or the Chief Financial Officer of Cook County, each for their respective department, may authorize the payment of cash overtime if the sufficient budgeted funds are available. The department head must give prior written notification to Chief Financial Officer or Cook County, as appropriate of the reasons requiring paid overtime, the positions affected and the probable period of time the overtime work will be required. All such overtime will be compensated at the time and one-half.

Each department shall record hours worked for each employee eligible for overtime payments. Department Heads are responsible for the correct computation of straight time and overtime hours due an employee.

Compensatory time shall be reclaimed in a minimum of thirty-minute increments.

Section 3.4 Safety- Unsafe Working Conditions:

Employees who reasonably and justifiably believe their safety and health are in danger due to an alleged unsafe working condition, equipment or vehicle, shall immediately inform their supervisor who shall have the responsibility to determine what action, if any, should be taken, including whether or not the job assignments should be discontinued.

Section 3.5 Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Employer will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the Employer may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any reason does not received a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Employer will, when the matter is called to its attention, give preference to such employee with respect to further overtime assignments for which they would be normally eligible until a reasonably fair balance in the overtime distribution is reestablished. The Employer shall maintain such records as may be necessary to establish the overtime hours worked by each employee, such records shall be available for inspection by the Union.

Section 3.6 Emergency Related Overtime:

If an employee covered by a SEIU Local 73 agreement is called back to work after the completion of the regularly scheduled shift, the employee shall receive minimum of (3) hours compensation at one and one-half times the employee's hourly pay.

Section 3.7 Flextime:

Flextime schedules may be granted if practicable to do so for legitimate and compelling personal reasons. Request for flextime schedules shall be submitted by the employee at least two (2) weeks in advance or when the situation is first known to the employee but in no event less than one (1) week before the flextime schedule becomes effective. Such request for flextime shall not be unreasonably denied.

Section 3.8 Distribution of Overtime (Facilities Management Only):

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Employer will attempt to assign overtime work to the employees who are immediately available. Planned overtime will be posted and rotated per buildings when the need for overtime occurs and who normally and customarily perform the work involved, except that in cases of emergency the Employer may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit. In the event an employee for any

reason does not receive a fair share of overtime, the employee shall not be entitled to payment for overtime not worked, but the Employer will, when the matter is called to its attention, give preference to such employee with respect to future overtime assignments for which they would be normally eligible until a reasonably fair balance in the overtime distribution is re-established. The Employer shall maintain such records as may be necessary to establish the overtime hours worked by each employee, such records shall be available for inspection by the Union.

Section 3.9 Docked Time (Facilities Management Only):

The Employer will not unilaterally deduct from any employee's sick, vacation, C/E, personal time or time due. Employee upon request shall receive an accounting of accumulated time to be deducted or docked from pay or its equivalent upon employee's choice. In no case shall dock time be allowed to accumulate for more than twelve (12) hours.

**ARTICLE IV
Seniority**

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be six (6) months. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of their most recent hire.

Section 4.2 Definition of Seniority:

For purposes of this Article, seniority is defined as an employee's length of most recent continuous employment with Cook County since their last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Promotion, Transfer:

In cases of promotion and transfer, employees in the department shall have first preference in order of their department seniority, provided that the employee has the ability and qualifications to perform the required work.

When a position becomes vacant that the Employer intends to fill, it shall first be offered to applicants from among bargaining unit employees in the same job title and department as a shift or location transfer and then shall be electronically posted and employees will be given preference in order of seniority in the following order:

- (a) To qualified employees in a different job title in the same department;

- (b) then to qualified employees in bargaining units under Offices Under the President;
- (c) then to qualified employees in other SEIU Local 73 bargaining units;
- (d) and finally, to outside applicants.

An employee requesting a later shift or location transfer within the same department shall not be subject to an interview. The requested lateral transfer or location transfer will be awarded in order of seniority, provided that the employee has the ability and qualifications to perform the required work.

Section 4.4 Reduction in Work Force, Layoff and Recall:

Should the County determine that it is necessary to decrease the number of employees within a job classification within a department, the employees in the job classification shall be laid off in inverse order of seniority within the department provided, however, the retained employees have the ability and minimum qualifications to perform the required work. Where possible, surplus employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date.

To avoid layoff, each affected employee or Union representative must notify the County within five (5) working days of receipt of electronic notification of the layoff that the employee intends to exercise their seniority by bumping in accordance with the following steps in sequential order:

1. Employees identified for layoff will be listed in order of seniority. Employees then will be allowed to exercise their rights under this section in the order of seniority with the most senior employee acting first.
2. Employees subject to layoff shall be offered a vacant position as deemed available by the Office of Budget and Management Services in their current job classification in the SEIU bargaining unit under the Offices of the President and Cook County health provided they have the present ability and minimum qualifications to perform the required work with a reasonable orientation period.
3. If no vacancy exists pursuant to Subsection 2 above or the employee opts not to fill a vacant position, the affected employee will be allowed to bump a less senior employee within their current job classification or in the same pay grade throughout the Offices under the President.
4. In the event there is no employee with less seniority within the same job classification as the employee being laid off, that employee may bump the employee with the least seniority in the next lower pay grade down within the department first provided the employee being laid off has more seniority than the employee being bumped and is minimally qualified to perform the job functions immediately with reasonable orientation. Employees who accept jobs in lower job classifications to avoid layoff shall be paid in accordance with Article V Section 5.3C of this collective bargaining agreement.

5. If there are no bumping opportunities in the next lower pay grade down for the employee identified for lay off, the employee then will continue to the following lower pay grade sequentially in the Offices under the President until a placement opportunity arises. If there is an available position, in the next lower pay grade down from the employee who is exercising bumping rights, they must either accept the position or be laid off. No employee may forego a bumping opportunity to take a position in a lower pay grade. The bumping process for any employee will end when the first position is available for which the employee is qualified. The employee must accept that position or accept layoff.
6. If no such options exist, the laid off employee shall have the option of recall rights for the period defined in Section 4.8 below to the same or any bargaining unit position that becomes available for which the employee is qualified to perform the work with an reasonable orientation. No employee shall be required to accept a lower paid or part-time position which is offered as part of a recall.
7. SEIU Employees laid off because of the closing or merging of an agency or department into another agency or department under the Offices of the President shall have the following option based on County seniority prior to exercising rights under subsections above:
 - i. Fill a vacant position within the bargaining unit represented by SEIU Local 73 within the office or department that is being merged, or positions newly created to absorb the main elements of the positions that the laid off employees previously performed provided that the employee can perform the work with reasonable orientation.
 - ii. Laid off employees shall first be offered to 'follow the work' if there are newly created positions created to absorb the main elements of the positions that the laid off employees previously performed.
 - iii. If the Employer creates a new position it cannot be tailored to exclude the affected bargaining unit employees being laid off.

Vacant positions that the Employer intends to fill, and which remain vacant after posting shall be offered to qualified employees in other SEIU Local 73 represented bargaining units who are being laid off.

All employees affected by the layoff must be present in person or participate remotely at the meetings. SEIU Local 73 is authorized to and will make a selection on behalf of any absent employee or any employee who otherwise is unable to participate in the meeting.

An employee who is laid off as a result of this procedure shall be subject to recall in order of seniority before a new employee is hired in the job classification previously held by him or her at the time of the reduction in force. Employees shall have their salary restored to the applicable grade and step.

For the purposes of layoff, ties in seniority shall be broken by the lower of the employees' Cook County Identification numbers.

With the exception of layoffs for five (5) days or less, and except in a bona fide emergency, each collective bargaining agreement shall provide for electronic notice to the Union of the layoff thirty (30) days prior to the effective date of the layoff.

Section 4.5 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the County to their former job or in an equivalent position, within thirty (30) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the represented unit may ask to return to their former job within ten (10) working days after commencing work on the new job. An employee who receives a new job under this procedure shall not be permitted to bid for another job for one (1) year thereafter, and an employee who returns to their former classification under this procedure will not be permitted to bid again on the same job for one (1) year thereafter.

Section 4.6 Return to Represented Unit:

An employee who has been promoted or transferred out of the represented unit, and who is later transferred back to the unit by the County shall upon return to the represented unit be granted the seniority they would have had, had the employee continued to work in the classification from which they were promoted or transferred. Under no circumstances shall the period in which there is an ability to return to the former job be longer than thirty (30) calendar days.

Section 4.7 Termination of Seniority:

Absence from work because of layoff or any other reason twelve (12) months in the case of an employee with less than one (1) year of service twenty four (24) months in the case of an employee with one (1) or more years of service, or thirty six (36) months in case of an employee with seven years or more of service when the absence began, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;

Section 4.8 Transfer of Stewards:

Employees acting as Union stewards under Article XI, Section 6, of this Agreement shall not be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union at least five (5) days in advance of any such transfers.

Section 4.9 Seniority List:

The Employer may take all steps necessary to comply with the ADA. Any such steps which might conflict with the terms of this Agreement shall be discussed with the Union prior to implementation. The parties shall cooperate in resolving potential conflicts between the Employer's obligation under the ADA and the rights of the Union. Neither party shall unreasonably withhold its consent to the reasonable accommodation of an employee. The Employer agrees that it shall not apply this section in a discriminatory, arbitrary or capricious manner.

ARTICLE XIV Discipline

Section 14.1 General:

Disciplinary action will be imposed upon an employee only for just cause. Discipline will be imposed as soon as practicable after the Employer is aware of the conduct or event giving rise to the discipline and after the Employer has had a reasonable period of time to investigate the matter. Prior to any meeting which could lead to discipline, an employee will be advised of their right to Union representation at that meeting.

While the parties agree that discipline should be timely, the parties also acknowledge that a determination of whether discipline is timely depends on the facts and circumstances of each case. While it is the County's policy to endeavor to issue discipline within thirty days of the County's knowledge of the incident giving rise to that discipline, the failure of the County to do so within thirty days, in and of itself, shall not be the sole basis for granting a grievance and overturning a discipline decision.

Oral warnings and written warnings shall remain in an employee's personnel file, but will not be considered for purposes of progressive discipline after (12) twelve months, if the employee has not additional discipline for the same or similar offense.

Suspensions will remain in the employee's personnel file, but will not be considered for purposes of progressive discipline after eighteen (18) months if the employee has not received discipline for the same or similar offense during that eighteen (18) month period.

Section 14.2 Form of Discipline:

The Employer agrees with the principles of fairness and consistency in imposing discipline. Generally, disciplinary action will include the following steps:

- Oral reprimand
- Written reprimand
- Suspension
- Discharge

In determining what disciplinary action is appropriate, the Employer will consider the nature and gravity of the misconduct, the employee's disciplinary record and any mitigating circumstances. Certain serious misconduct may result in suspension or automatic discharge as defined in the Rules and Regulations Governing Employee Conduct.

Oral warnings and written warnings shall remain in an employee's personnel file, but will not be considered for purposes of progressive discipline after twelve (12) months, if the employee has not additional discipline for the same or similar offense. Suspensions, other than for offenses that constitute a criminal or civil violation of federal, state or municipal law, will no longer be considered in determining future disciplinary actions eighteen (18) months from the date the suspension was issued, provided the employee has not received discipline for the same or similar offense during the eighteen (18) month period. For offenses that constitute a criminal or civil violation of federal, state, or municipal law, suspensions may be considered in future disciplinary actions regardless of how long ago the suspension was issued. Offenses constituting a criminal or civil violation of federal, state or municipal law include, but are not limited to, laws prohibiting discrimination and harassment on the basis of another person's membership in a protected class. If the employee or union claim in any grievance or arbitration proceeding that the employee has a "clean" or "unblemished" record, the County will be free to use any discipline issued to the employee regardless of the provisions of this section.

Section 14.3 Training:

The Employer will train supervisors in the fair and consistent administration of this policy.
