COLLECTIVE BARGAINING AGREEMENT

PREAMBLE

This collective bargaining agreement is entered into between the County of Cook and the Sheriff of Cook County as joint employers of employees covered by this Agreement (hereinafter collectively referred to as the "Employer") and Local 73 - Service Employees International Union (S.E.I.U.), AFL-CIO (hereinafter referred to as the "Union").

ARTICLE I **Recognition**

Section 1.1 Representative Unit:

The Employer recognizes the Union as the sole and exclusive representative for all employees of the Employer in the job classifications set forth in Appendix A of this Agreement and excluding all confidential employees, technical, professionals, supervisors, managers, seasonal employees, all industrial relations and personnel department employees.

The term "Department" when used in this Agreement shall be understood as referring to the following:

- Sheriff's Office

Section 1.2 Union Membership:

The Employer does not object to Union membership by its employees, and believes that certain benefits may inure from such membership. For the purpose of this Section, an employee shall be considered to be a member of the Union if they timely tenders the dues and initiation fee required as a condition of membership.

Section 1.3 Dues Checkoff:

With respect to any employee from whom the Employer receives individual written authorization, signed by the employee, in a form agreed upon by the Union and the Employer, the Employer shall deduct from the wages of the employee the dues and initiation fee required as a condition of membership in the Union, or a representation fee, and shall forward such amount to the Union within thirty (30) calendar days after close of the pay period for which the deductions are made. The amounts deducted shall be set by the Union.

The Union shall advise the Employer of any increase in dues, fair share fees, or other approved deductions in writing at least forty-five (45) days prior to its effective date. The Employer shall implement the increase in the first full period on or after the effective date.

The parties acknowledged and agreed that the phrase "written authorization" as provided, in this agreement include electronic records and electronic signatures consistent with State and federal law.

Section 1.4 Indemnification:

The Union shall indemnify and save the County harmless against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of any action taken by the County for the purpose of complying with any provisions of this Agreement. If an incorrect deduction is made, the Union shall refund any such amount directly to the involved employee.

Section 1.5 SEIU COPE:

The Union has established a political action committee which is called SEIU COPE. Union members may contribute voluntarily to this committee to support the political activities of the Union.

The Employer agrees to deduct the contribution amount established by the committee per pay period, from the wage of employees who voluntarily authorize in writing such deductions. Such amounts shall be forwarded thirty (30) days after the close of the pay period for which the deductions are made.

Section 1.6 Neutrality:

If the Union seeks to represent a group or groups of employees not covered by this Agreement, the Employer shall maintain a neutral position and shall not attempt to influence the decision of such employees with respect to Union representation. Representation shall be granted to the Union based upon voluntary procedures of the Illinois Public Labor Relations Act and Illinois Local/State Labor Relations Board.

Section 1.7 Severability and Right to Re-Open:

In the event any of the provisions of this agreement are or shall become invalid, illegal, or unenforceable by reason of any federal or State Law, Local Ordinance, Decision of any Court or Ruling of any Federal or State Board, Agency, or other governmental entity such invalidity, illegality, or occurs, at the request of either party, the Union and the Employer shall meet and negotiate in good faith for the purpose of bargaining over the effects of the invalidity, illegality, or unenforceability of the provision or provisions.

ARTICLE II

Employer and Union Rights and Obligations

Section 2.1 Employer Rights:

The Union recognizes that the Employer has the full authority and responsibility for directing its operations and determining policy. The Employer reserves unto itself all powers, rights, authority, duties and responsibilities conferred upon it and vested in it by the statutes of the State of Illinois, and to adopt and apply all rules, regulations and policies as it may deem necessary to carry out its statutory responsibilities; provided, however, that the Employer shall abide by and be limited only by the specific and express terms of this Agreement, to the extent permitted by law.

Section 2.2 Employer Obligation:

The Union recognizes that this Agreement does not empower the Employer to do anything that it is prohibited from doing by law. General Orders shall not supersede the Agreement.

Section 2.3 Integrity of the Bargaining Unit:

Non-bargaining unit employees shall not be permitted to perform bargaining unit work except in emergency situations, in training situations where some supervisor or management personnel is teaching or instructing an employee, or where bargaining unit members are unavailable through no fault of the Employer to perform required work other than with normal absenteeism and vacations, or where circumstances exist which are out of the ordinary and beyond the control of the employer. If non-bargaining unit employees repeatedly perform bargaining unit work, this issue shall immediately be grievable at the second step of the grievance procedure.

Section 2.4 Union and Employer Meetings:

For the purpose of conferring on matters of mutual interest which are not appropriate for consideration under the grievance procedure, the Union and Employer agree to meet periodically through designated representatives at the request of either party and at mutually agreed upon times and locations, but not less than every two (2) months. The Union and Employer shall each designate not more than five (5) representatives to a Labor-Management committee for this purpose.

Section 2.5 Labor Management Meetings on Career Development:

Labor management meetings will be held periodically to discuss employee training and education as well as job classifications.

The Employer and the Union recognize the importance of training programs, the development of career ladders and of equitable employment opportunity structures and seeks here to establish these goals through the labor-management meetings.

Toward this end, the Employer and the Union agree to establish a Labor/Management Committee. This committee shall review all training programs, their implementation and application to bargaining unit Sheriff employees.

The Labor Management Committee shall evaluate, discuss and recommend reclassifications and upgrades to the Sheriff. These recommendations shall be reviewed by the Sheriff, and if possible, any changes will be requested in the following fiscal year budget. The Labor Management Committee may also make recommendations to the Sheriff and the County concerning courses on in-service training to enhance career opportunities for employees in the Bargaining Unit. When meetings are scheduled, a specific management representative will be assigned to the meetings.

Section 2.6 Union and County Meetings Respecting Health Care:

For the purpose of maintaining communications between labor and management in order to cooperatively discuss issues respecting health care coverage for all County employees, each Local Union, the County and members of bargaining units not covered by this Agreement shall meet quarterly through designated representatives. Each Local Union shall designate not more than one (1) representative to the Health Care/Management Committee. The County, through its Office of Risk Management, shall prepare and submit an agenda to the other parties at least one (1) week prior to the scheduled meeting, which agenda shall address, among other things, issues raised by each Local Union to the Office of Risk Management. The date and location for such

meetings shall be established by the Office of Risk Management, taking into account the scheduling concerns of all County bargaining units.

ARTICLE III **Hours of Work and Overtime**

Section 3.1 Purpose of Article:

The provisions of this Article are intended to provide the basis for calculating overtime pay, and shall not be construed as a guarantee of hours of work per day or days per week or pay in lieu thereof, or as a limitation upon the maximum hours per day or per week which may be required.

Section 3.2 Regular Work Periods:

The regular work day for a full-time employee shall consist of eight (8) consecutive hours of work within the twenty-four (24) hour period beginning at their scheduled starting time.

The length of paid lunch periods and breaks presently granted by each department shall remain in effect.

Employees shall be paid once every two (2) weeks (bi-weekly).

Section 3.3 Compensatory Time and/or Overtime Compensation:

- A. Overtime shall be voluntary to the extent possible. Voluntary overtime shall be offered on a rotating basis each pay period beginning with the most senior available on duty bargaining unit employees in the job title. If there are no available employees in the job title on duty volunteer then, the Employer shall make reasonable efforts to contact and offer the overtime based on the rotation, to off-duty employees in the job title who signed up for the overtime in advance. The intent of the parties is to make reasonable efforts to have an equitable distribution of overtime in the department. If there are not enough volunteers then employees may be assigned to overtime work provided that such overtime shall be limited to emergency conditions which cannot be deferred and which cannot be performed with the personnel available during normal work hours, or because of an abnormal peak load in the activities of the institution or department.
- B. An Employee shall be paid one and one-half (1½) times the average of the employee's regular hourly rate (including any differential) for all hours worked in excess of forty (40) in any regular work week. An employee's time spent on FMLA (paid benefit time) shall not count towards overtime eligibility. Employees shall not be laid off from their regular scheduled hours of work to avoid payment of overtime. Hours in pay status, with the exception of sick time, shall count as time worked in computing overtime.
- C. Employees shall receive payment for overtime worked within thirty (30) days following the pay-period in which the employee worked the overtime. The Employer shall also allow the overtime check to be paid through direct deposit for those employees who choose direct deposit.

- D. The Employee may request and the Employer may, in lieu of overtime pay, grant compensatory time off at the rate of one and one-half (1½) hours for each hour of overtime worked. All denials of a request shall be accompanied by an explanation.
- E. An Employee may "bank" up to two hundred forty (240) hours (four (4) weeks) of compensatory time. All overtime hours worked above this limit must be compensated for in accordance with subsection B of this section.
- F. An Employee terminating employment with the County shall be paid for unused compensatory time in accordance with the Fair Labor Standards Act (FLSA).
- G. The Employer shall allow employees to take accrued compensatory time off within a reasonable period after making the request when such time off does not unduly disrupt the operation of the office.

Section 3.4 Overtime Work:

Employees will be expected to perform any reasonable amounts of overtime work assigned to them. The Sheriff/Designee will attempt to assign overtime work to the employees who are immediately available when the need for overtime occurs, and who normally and customarily perform the work involved, except that in cases of emergency the Sheriff's/Designee may assign the overtime work to any employees immediately available. It is the intention of the parties that overtime will be distributed equitably among the employees in the same job classification within a department or operating unit.

An employee requesting to be skipped when it becomes their turn to work overtime shall be rotated to the bottom of the seniority list. An employee who works overtime will be placed at the bottom of the overtime seniority list once the overtime is received.

Section 3.5 Flextime:

Requests by employees for flextime schedules may be granted if practicable to do so. The scheduling of flextime shall be by mutual arrangement between the employee and their supervisor. Flextime shall not be granted or denied in a discriminatory or arbitrary manner.

ARTICLE IV

Seniority

Section 4.1 Probationary Period:

After the date of this Agreement, the probationary period for a new employee, or an employee hired after a break in continuous service, shall be one hundred eighty (180) calendar days. The probationary period shall be extended for a period equal to the time required for any formal training program required of any probationary employees, and the Union shall be consulted about the instituting of any such training program which extends the probationary period. A probationary employee shall have no seniority and may be terminated at any time during the probationary period for any just cause and shall have no recall rights or recourse to the grievance procedure with respect to any such discipline or discharge. Upon completion of the probationary period, the employee's seniority shall be computed as of the date of their most recent hire.

Section 4.2 Definition of Seniority:

For purposes of this Article, seniority is defined as an employee's length of most recent continuous employment with the Sheriff of Cook County since their last hiring date as a full-time employee and as a regular part-time employee entitled to benefits pursuant to Article V, Section 5.4. Seniority for such regular part-time employees shall be prorated.

Section 4.3 Promotion, Transfer:

In cases of promotion and transfer, employees shall have first preference in order of their department seniority, provided that the employee has the ability and qualifications to perform the required work. An employee who is awarded a new position shall receive the pay of that position after the first full pay period in that position.

Employees requesting a shift, details (schedules) or work location transfer shall make their requests prior to December 31st for any transfer opportunities that become available during the following calendar year. Transfer request shall specify the shift start and end times and work location for which they are requesting the transfer or the employee may make a more general request (e.g., day shift or any location). Employees may modify or remove shift requests by December 31st each year for consideration in the following calendar year. Employees may submit transfer requests during their probationary period; however, such requests shall not be considered until after their probationary period is completed, except by mutual agreement.

When positions become available, employees who have pending requests within the division and within the appropriate job classification shall be first offered the opportunity to transfer to the opening by seniority before a position is posted.

If there are no transfer requests, the Employer shall post the position(s) and the position(s) shall be awarded to the most senior applicant who can perform the work with a reasonable orientation and training period in the following order:

1. Employees from within the bargaining unit in the same job title; then
2. Employees from within the division in a different job title; then
3. Employees from within the bargaining unit; then
4. Outside or other County applicants

When the employer is looking to re-allocate AA staff for a period not to exceed forty-five (45) calendar days, due to either a lack of work or for a special project the following procedures will be used. The employer shall go through the requests by seniority and if no one is seeking the location, shift, and detail of the location, then the employer shall use reverse seniority to re-allocate staff (new location &/or shift/detail). Any employee's being re-allocated who cannot accept reallocation may exercise bumping right if available.

If the temporary assignment exceeds forty-five (45) calendar days, then employees may volunteer to extend the temporary assignment for up to an additional forty-five (45) calendar days. If not enough employee volunteer to extend the temporary assignment, then the Employer shall reallocate additional needed staff using reverse seniority beginning with the least senior employee who was not in the prior temporary reassignment.

The Employer and union agree that creation and maintenance of a diverse workforce is an important goal of both parties to this agreement.

Section 4.4 Reduction In Work Force, Layoff and Recall:

Should the Employer determine that it is necessary to decrease the number of employees within a job classification, within a department, the employees to be laid off in that classification shall be removed from it in inverse order of seniority. The affected employees and the Union shall be given notice thereof at least thirty (30) days prior to the effective date. In the event there is an elimination of positions within any classification, the positions eliminated will be identified. An employee subject to layoff due to the elimination of their position shall be placed in the position of the least senior employee in that classification within the work location. The least senior employee displaced in the work location shall be placed in the position of the least senior employee in the classification in the department. An employee may, in lieu of bumping to a position outside of the employee's work site, choose to be placed in a vacant position in the next lower classification at their work site.

The least senior employee displaced in the classification in the bargaining unit shall be offered the position of the least senior employee in the next lower classification in the classification series, first by work location, then by bargaining unit, in accordance with the seniority provisions of this Agreement. Employees who have previously served in other classifications outside their classification series shall also be offered the right to displace the least senior employee in that classification, first within the work location, then the bargaining unit. In the event there are not enough such openings, the employee will be offered positions in any other classification within the bargaining unit in which there is a vacancy, or which is filled by an employee who has not completed the probationary period or who is a part-time or temporary employee, all in accordance with the seniority provisions of this Agreement. In the event there are not enough vacancies within the bargaining unit, employees will be offered any other vacancies under the jurisdiction of the Sheriff. Where the County is obligated to fill positions outside the laid off employee's bargaining unit pursuant to applicable collective bargaining agreements, such positions shall not be considered vacancies for the purposes of this paragraph.

Employees laid off, including employees placed in a lower paying position and probationary employees, as a result of this procedure, shall be subject to recall in accordance with the recall provisions of this Agreement before hiring new employees. Employees will be recalled to the classification held by them at the time a decrease in work force is first put into effect, if a vacancy exists. Employees otherwise will be recalled to a vacancy in another classification and subsequently returned to their classification prior to the decrease in the work force, all in accordance with the seniority provisions of this Agreement.

In the event of a layoff, or pending layoff, the parties shall discuss the need for retraining employees in order for such employees to qualify for other positions. All of the foregoing is conditioned upon the employee's ability and fitness to perform the job.

With the exception of layoffs for five (5) days or less, and except in a bona fide emergency, each collective bargaining agreement shall provide for written notice to the Union of the layoff thirty (30) days prior to the effective date of the layoff.

Section 4.5 Promotion and Shift Assignment:

Employees in the same job classification and in the same department, but on a different shift, where applicable, will first be given preferential consideration for a change in shifts in accordance with Section 4.3.

Section 4.6 Return to Former Job:

An employee who has been promoted or transferred to another job within the represented unit may be returned by the Sheriff to their former job or an equivalent position, within ninety (90) calendar days or before completion of a formal training program, if the employee does not demonstrate the ability and qualifications to satisfactorily perform the job to which promoted or transferred. An employee who has accepted another job within the, represented unit may ask to return to their former job within ten (10) working days after commencing work on the new job. An employee who receives a new job under this procedure shall not be permitted to bid for another job for six (6) months thereafter, and an employee who returns to their former classification under this procedure will not be permitted to bid again on the same job for six (6) months thereafter.

For those collective bargaining agreements containing a provision providing for the ability of the employee who has been promoted; transferred or recalled to another job within the represented unit to be returned to the former job or status, under no circumstances shall the period in which there is an ability to return to the former job be longer than thirty (30) calendar days.

Section 4.7 Return to Represented Unit:

An employee who has been promoted or transferred out of the represented unit, and who is later transferred back to the unit by the Sheriff shall upon return to the represented unit be granted the seniority they would have had, had the employee continued to work in the classification from which they were promoted or transferred.

Section 4.8 Termination of Seniority:

An employee's seniority and employment relationship with the Employer shall terminate upon the occurrence of any of the following:

- a. Resignation or retirement;
- b. Discharge for just cause, including but not limited to the following:

- c. Absence for three (3) consecutive work days without notification to the department head or a designee during such period of the reason for the absence, unless the Employee has an explanation acceptable to the Employer for not furnishing such notification;
- d. Failure to report to work at the termination of a leave of absence or vacation, unless the employee has an explanation acceptable to the Employer for such failure to report for work;
- e. Absence from work because of layoff or any other reason for twelve (12) months in the case of an employee with less than one (1) year of service four (24) months in the case of an employee with one (1) or more years of service, or thirty-six (36) months in case of an employee with seven years or more of service when the absence began, except that this provision shall not apply in the case of an employee on an approved leave of absence, or absent from work because of illness or injury covered by duty disability or ordinary disability benefits;
- f. Failure to report for work upon recall from layoff within ten (10) work days after notice to report for work is sent by registered or certified mail or by telegram, to the Employee's last address on file with the Department Personnel Office;

Engaging in gainful employment while on an authorized leave of absence, unless permission to engage in such employment was granted in advance by the Sheriff in writing.

Section 4.9 Transfer of Stewards:

Employees acting as Union stewards under Article XI, Section 11.6, of this Agreement shall not be transferred from their job classifications or departments because of their activities on behalf of the Union. Any transfers of Union stewards from their job classifications or departments, other than in an emergency, will be discussed with the Union in advance of any such transfers.

Section 4.10 Seniority List:

On December 1st, March 1st, June 1st and September 1st of each year the Employer will furnish the Union a list showing the name, number, address, personal email address and cell phone number (if available), classification and last hiring date of each employee, and whether the employee is entitled to seniority or not. The Sheriff shall post a similar list without employee addresses. Within thirty (30) calendar days after the date of posting, an employee must notify the Employer in writing of any error in their last hiring date as it appears on that list or it will be considered correct and binding on the employee and the Union for that period of time. The Employer will furnish the Union monthly reports of any changes to such list.

Upon written request made by Local 73 no more often than every sixty (60) days, the County shall notify Local 73 in writing of the following personnel transaction involving bargaining unit employees within each department and on a work location basis: new hires, promotions, demotions, checkoff revocations, layoffs, re-employments, leaves, returns from leave,

suspensions, discharges, terminations, retirements and Social Security numbers. Local 73 shall, upon request, receive such information on computer tapes, where available.

Section 4.11 Job Posting:

When job openings or vacancies occur within the bargaining unit in a particular department, or when new positions are created, the Sheriff will post a notice on all bulletin boards where notices to employees are normally posted. These postings will be for a period of ten (10) working days.

Interviews for the positions shall begin within thirty (30) days of the last day of posting. The positions shall be filled within thirty (30) days of the last interview.

Awards will be made in accordance with Section 4.3 of this Article. Employees in equal or lower-paying grades in other work sections or divisions who apply for the vacancy will be given preferential consideration in accordance with Section 4.3 before new employees are hired.

Grievance Procedure

Section 11.1 Policy:

The provisions of this Article supplement and modify the provisions of the Employer's Grievance Procedure applicable to all employees. (See Appendix B.)

Section 11.2 Definition:

A grievance is a difference between an employee or the Union and the Employer with respect to the interpretation or application of, or compliance with, the agreed upon provisions of the Agreement, the Employer's rules and regulations or disciplinary action. It is understood that employees shall not advance oral reprimands past Step Two of the Grievance Procedure. All grievances shall be in writing and contain a statement of the facts, the provision(s) of the agreement which the Employer is alleged to have violated, and the relief requested. The Union

will send copies of grievances appealed at Step Three to the County's Director, Department of Human Resources or their designee. It is recognized that because a joint employer relationship exists in this Agreement certain grievances are appropriately answered by the Sheriff and others by County Bureau of Human Resources, depending on the subject of the grievance.

Section 11.3 Representation:

Only the aggrieved employee(s) and/or representatives of the Union may present grievances. Employees may take up grievances through Steps One to Three either on their own and individually or with representation by the Union. If an employee takes up a grievance without Union representation, any resolution of the grievance shall be consistent with this Agreement and the Union representative shall have the right to be present at such resolution. A grievance relating to all or a substantial number of employees or to the Union's own interests or rights with the Employer may be initiated at Step Two by a Union representative. Grievances may be initiated at Step Three by mutual agreement between the Union and the Employer. Grievance meetings may be conducted remotely via telephone, Zoom, or comparable remote platform.

Section 11.4 Grievance Procedure Steps:

The steps and time limits as provided in the Employer's Grievance Procedure are as follows:

| <u>Step</u> | <u>Submission Time</u> <u>Limit This Step</u> <u>(calendar days)</u> | <u>To Whom Submitted</u> | <u>Time Limits</u> <u>Meeting</u> | <u>Response</u> |
|-------------|--|--------------------------|--------------------------------------|-----------------|
| 1 | 30 days | Immediate Supervisor | 10 days | 10 days |
| 2 | 5 days | Division Director | 10 days | 10 days |
| 3 | 10 days | Clerk/Designee | 30 days | 30 days |
| 4 | 30 days | Impartial Third Party | 30 days | 30 days |

Section 11.5 Time Limits:

The initial time limit for presenting a grievance shall be thirty (30) days and the same limit shall apply to hearings and decisions at Step Four. Time limits may be extended by mutual agreement in writing between the employee and/or the Union and the Employer. For errors in pay, the time period shall be six (6) months.

There shall be strict adherence to the time limits described within the grievance procedure by both Employer and employee and/or Union. Time extensions may be granted upon mutual agreement and shall be in writing.

If the employer fails to respond within the time limits, the grievant and/or the Union shall have the right to advance the grievance to the next step of the grievance procedure up to and including arbitration.

Section 11.6 Stewards:

The Union will advise the Employer in writing of the names of the Chief Stewards and/or Stewards in each department with the Employer and shall notify the Employer promptly of any changes. Upon obtaining approval from their supervisor before leaving their work assignment or area, the Chief Steward or Steward or in cases of new Steward orientation, the Chief Steward

and/or Steward will be permitted to handle and process grievances referred by employees at the appropriate steps of the grievance procedure during normal hours without loss of pay, provided that such activity shall not exceed a reasonable period of time.

The Employer will grant the Union an opportunity during the orientation of new employees to present the benefits of Union membership, at which time the Union may give such employees a copy of this Agreement. If such opportunity is not offered, the Steward will provide Union orientation on work time. Such orientation will be scheduled at a time and place mutually agreeable to the Steward, Employee and Supervisor involved. All employees shall be allowed time off with pay to attend meetings agreed to by the Employer required by the Employer, or mandated by this Agreement.

Stewards shall be allowed to attend authorized meetings with Union representatives during their normal work hours without loss of pay. Such meetings shall be limited to a maximum of four (4) per year per steward.

Section 11.7 Union Representatives:

Duly authorized Union representatives of the Union will be permitted at reasonable times to enter the appropriate County facility for purposes of handling grievances or observing conditions under which employees are working. These Union representatives will be identified to the Sheriff's Designee in a manner suitable to the Employer and on each occasion, will first secure the approval of the Sheriff/Designee to enter and conduct their business so as not to interfere with the operation of the Employer. The Union will not abuse this privilege, and such right of entry shall at all times be subject to general Sheriff department rules applicable to non-employees.

Section 11.8 Impartial Arbitration:

If the Union is not satisfied with the Step Three answer, it may within thirty (30) days after receipt of the Step 2 Two answer submit in writing to the Sheriff notice that the grievance is to enter impartial arbitration. The parties will select an arbitrator from a permanent panel of arbitrators agreed upon by both parties. The Union and the County will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding. If the two (2) parties fail to reach agreement on an Arbitrator within ten (10) days, the Sheriff and Union may request the Local Labor Relations Board, American Arbitration Association or the Federal Mediation and Conciliation Service to provide a panel of arbitrators. Each of the two (2) parties will confer within seven (7) days of receipt of the panel to alternately strike one (1) name at a time from the panel until only one (1) shall remain. The remaining name shall be the Arbitrator. The Union and the Sheriff will make arrangements with the Arbitrator to hear and decide the grievance without unreasonable delay. The decision of the Arbitrator shall be binding.

Expenses for the Arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the County and the Union, each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.

The Arbitrator, in their opinion, shall not amend, modify, nullify, ignore or add to the provisions of this Agreement. The issue or issues to be decided will be limited to those presented to the Arbitrator in writing by the Sheriff and the Union. Their decision must be based solely upon their interpretation of the meaning or application of the express relevant language of the Agreement.

The Union and the County shall meet within thirty (30) days after the effective date of this Agreement for the purpose of selecting a permanent panel of seven (7) arbitrators. The arbitrators shall be selected on a rotating basis. Either party shall have the authority to strike an arbitrator from the permanent panel at any time. The struck arbitrator will proceed on the cases currently assigned, but will not receive any new case assignments. In the event that an arbitrator is struck from the panel, the parties shall meet as soon as possible to choose a mutually agreed upon replacement. Nothing herein shall prevent the parties, by mutual agreement, from selecting an arbitrator from outside the panel. Absent such mutual agreement, the arbitrator shall be selected from the panel in accordance with the above procedure.

Section 11.9 Expedited Arbitration:

The parties may mutually agree that a grievance shall be submitted to expedited arbitration. If the parties agree to expedited arbitration, the following provisions of this paragraph shall apply. Immediately upon notification of the designated arbitrator, the parties shall arrange a place and date to conduct a hearing within a period of no more than thirty (30) calendar days, unless the parties agree to a longer period. If the designated arbitrator is not available to conduct a hearing within the thirty (30) calendar days and the parties do not otherwise agree to a longer period, the next panel member in the rotation shall be notified until an available arbitrator is obtained. Nothing herein precludes multiple cases being heard on the same day before the same arbitrator.

The hearing shall be conducted under the following procedures:

- a. the hearing shall be informal;
- b. no briefs shall be filed or transcripts made;
- c. there shall be no formal rules of evidence; however, the arbitrator shall only rely on credible relevant evidence;
- d. the hearing shall normally be completed within one (1) day;

Such decision shall be based on the evidence before the arbitrator and shall include a brief written explanation of the basis for such conclusion. Any arbitrator who issues a bench decision shall furnish a written copy of the award to the parties within seven (7) calendar days of the close of the hearing.

The decision of the arbitrator shall be final and binding, except that it shall not be regarded as precedent or be cited in any future proceeding. The parties further agree to increase the arbitration panel from seven (7) arbitrators. to twelve (12) arbitrators.

For those employees who already receive two (2) fifteen (15) minute breaks, this provision is not in addition to those breaks currently granted. Pregnant employees and employees who are nursing and who regularly operate computer monitors may request an adjustment, temporary transfer, or other change in their assignment, if such assignment or change can reasonably be made and is consistent with the Employer's operating needs. Once the employee is no longer pregnant or nursing, the employee shall be allowed to return to her original position if available.

The parties agree and acknowledge that the provisions of this paragraph are inapplicable to a separate investigation with a different case assignment number that may involve facts that arose during a separate investigation. Unless the OPR investigation is timely completed, the employee shall not be subject to discipline in the absence of a mutually agreed upon extension of time. The Union will be reasonable when considering these requests when, for example, the employee is away from work for an extended period of time during the 18-month period.

For purposes of this section, the 18-month time-frame shall begin for any OPR investigation where the date the incident arose or the date that the incident is stamped (as set forth in (A) and (B) above) is on or after the date of ratification of the parties CBA and moving forward.

I PURPOSE

The illegal manufacture, distribution, dispensing, sale, transfer, possession or use of drugs or controlled substances is prohibited by federal, state and local law. The Federal Drug-Free Workplace Act of 1988, Title 41, Sections 702-704 are applicable to Cook County Government as a grantee of federal funds. The Cook County Board of Commissioners has adopted a resolution that established a policy to maintain all county government workplaces as drug-free workplaces.

The Department recognizes that pervasive illegal drug use has become a national crisis. Drug use in the workplace poses enormous problems in the areas of public health and safety as well as substantial social and economic costs. The Department must play a key role in "The War on Drugs," not only in terms of its public responsibilities as a law enforcement agency, but also in terms of its responsibilities for employee health and well-being. It is imperative that all civilian employees have the physical stamina and psychological stability to promptly perform all required duties under conditions of duress and possibly even great danger.

The overriding purpose of the criminal justice system is to protect community safety through the apprehension, adjudication and incarceration of law breakers. Because of the enormous responsibilities of the Sheriff's Office, drug use by any sheriffs personnel has a particularly devastating effect on all of law enforcement.

Drug use by civilian personnel could be n thing short of disastrous if it impacts on public safety and the ability of civilians to perform their duties. The purpose of this policy is to:

- A. Deter and eventually eliminate drug use by civilian employees.
- B. Promulgate department policy that prohibits the presence of either of the following in an employee's system:
 - 1. Illegal drugs and controlled substances or their metabolites.
 - 2. Legally prescribed drugs in excess of prescribed limits.
- C. Set forth policy and procedures governing random, mandatory and reasonable suspicion drug testing of all civilian employees.
- D. Achieve the goal of a safe, efficient and drug-free workplace through a fair, equitable, consistent, confidential and reasonable drug testing policy that ensures due consideration of the rights of employees as well as their privacy, integrity, reliability and dignity throughout the process for the protection of both employees and the public.
- E. Encourage civilian employees who have drug use problems to participate in the Employee Assistance Program or a drug rehabilitation program prior to detection via the Department's drug testing program.

- F. Provide for confidentiality of testing results.
- G. Decrease absenteeism, injuries on the job, liability and financial burden on employee health and benefit programs.
- H. Ensure the professional credibility, unimpeachable integrity and judgment of civilian employees by providing sanctions for prohibited off-duty conduct.
- I. Promote public confidence in the safety and integrity of all civilian personnel and ensure their fitness for duty.
- J. Discourage and deter any temptation to deviate from acceptable behavior by the implementation of a drug testing program and subsequent disciplinary sanctions that guarantee that the only acceptable course of conduct is complete abstinence from illegal drug and controlled substance use.
- K. Balance the interests of the Department, employees and the general public with a fair, confidential and accurate drug testing program.
- L. Recognize the Drug Testing Unit within the Sheriffs Office as a critical component of efforts to combat drug abuse in our society.
- M. Describe responsibilities and procedures relative to the Drug Testing Program.
- N. Institute the use of the Drug Testing Program Notification Form (RDT-92-100) and the Drug Screen Specimen Affidavit Form (RDT-92-101) for civilian personnel.

II POLICY STATEMENT

The Department recognizes that the vast majority of its civilian employees are not drug users and will not become drug users. A few are not drug-free, and some could possibly fall prey to the insidious spread of drug use, absent the strong preventive and deterrent effect of a drug testing program. This policy has not arisen from distrust, but rather from the desire to provide a better working environment.

It is imperative that all civilian employees possess the judgment, physical stamina and psychological stability and are capable of devoting constant and uninterrupted attention to the performance of all required duties without risk of harm to themselves, other employees or the public. As a result of its responsibilities, as well as the sensitive nature of its work, the Department has an obligation to eliminate illegal drug use from its workplace.

It is therefore the policy of the Department to take all reasonable measures to maintain a work environment free of the unlawful use of drugs or controlled substances and prevent an otherwise pervasive societal problem from invading Sheriffs civilian personnel.

- A. This policy applies to all civilian personnel of the Sheriffs Department which includes exempt personnel. For the purposes of this policy and directive, civilian employees are defined as persons of any title who are not sworn.
- B. The terms "drug" or "controlled substance" include, but are not limited to; the following substances and their respective metabolites:
 - 1. Cannabis as defined in 720 Illinois Compiled Statutes 550/3 or as amended.
 - 2. Controlled substances as defined in 720 Illinois Compiled Statutes 570/102 or as amended.
- C. The unlawful involvement with drugs; the presence in an employee's system of drugs or controlled substances or their metabolites; the use of cannabis or non-prescribed controlled substances; or the abuse of legally prescribed drugs or controlled substances by civilian employees of the Department, at any time, while on or off-duty, are strictly prohibited.
- D. Violations of this policy, substantiated by a confirmed positive drug test, will result, in disciplinary action leading to the dismissal of a civilian employee.
- E. This policy does not apply to the use of controlled substances within the limits of a medically valid prescription except where such use is found to be an excessive or abusive use of prescribed controlled substances; legal drugs illegally obtained; multiple prescriptions for controlled substances from one or more physicians; or not in accordance with the "good faith" definition provided in 720 Illinois Compiled Statutes 570/102.
- F. All civilian employees of the Department shall be subject to urinalysis. drug testing on a mandatory, random or reasonable suspicion basis. Employees selected for drug testing are required to cooperate fully in the testing process. The actions listed below, whether they occur during or after the collection or analysis of drug specimens are violations of this policy. Any such action will be used as a basis for the initiation of a disciplinary action in accordance with Article II, Section D, of this directive.
 - 1. Refusal to submit to testing.
 - 2. Failure to cooperate.
 - 3. Tampering or attempting to tamper with urine specimens.
 - 4. Adulteration of a test sample.
 - 5. Submission of or attempt to submit a false test sample.
 - 6. Any other activities designed to interfere with, impede or otherwise obstruct drug testing.

G. "Reasonable suspicion" is defined as a belief based on objective facts sufficient to lead a reasonably prudent supervisor to find that a civilian employee is using, or has used, drugs in violation of this policy. The suspicion must be drawn from specific, objective, articulable facts and reasonable or rational inferences drawn from those facts in light of experience. The facts must lead the supervisor to believe that the employee's ability to perform the functions of the job is impaired, or that the employee's ability to perform their job safely is reduced.

1. Reasonable suspicion drug testing shall be conducted when a civilian employee has exhibited unusual work habits or behavioral traits and is incapable of performing required duties and a manager or supervisor has furnished written documentation citing specific instances of reasonable and articulable suspicion that the employee is under the influence of drugs or has otherwise violated this policy.
2. Factors to be considered by command and supervisory personnel in determining whether a finding of reasonable suspicion is appropriate may include, but are not limited to, any of the following, alone or in combination:
 - a. Observable phenomena, such as direct observation of drug use and/or the physical symptoms or manifestations of being under the influence of drugs.
 - b. Abnormal conduct or erratic behavior while on-duty.
 - c. Excessive unexcused absenteeism, tardiness or deterioration in work performance.
 - d. Slurred speech or unsteady walking or movement.
 - e. Illegal possession of drugs or controlled substances or an arrest for violation of a drug statute.
 - f. Information obtained from reliable and credible sources with personal knowledge which has been independently corroborated.

H. In addition to random and reasonable suspicion drug testing, mandatory drug testing shall be conducted when a civilian employee:

1. Is appointed to an exempt position, subject to promotion to a career service rank, or is applying for assignment to certain specialized Department units;

2. Qualifies for an extra-departmental training program of more than two weeks duration;
 3. Is returning to the Department after an absence of 15 days or more with the exception of vacation time, personal time, holiday and compensatory time due days. However, if the reason for the absence is medical but other time earned is then used in the alternative the employee will be subject to testing.
 4. Is involved in an accident involving a Department vehicle that results in a fatality or injury which demands immediate medical attention away from the scene of the accident or any property damage.
- I. The provisions of this policy shall not prevent the Department from conducting medical screenings, with the express written consent of the employee, to monitor exposure to toxic or other unhealthy substances in the workplace or in the performance of their responsibilities. Any such screenings shall be limited to the specific substances expressly identified in the employee consent form.

III MANAGEMENT RESPONSIBILITIES

Directors and supervisors are responsible for the reasonable enforcement of this policy.

- A. Supervisors shall request approval by the Department Head that a civilian employee be required to submit to a drug test when they have a reasonable suspicion that the employee is under the influence of drugs while on-duty or otherwise in violation of this order and policy.
- B. Any director or supervisor requesting that an employee be required to submit to a drug test must document, in writing, the facts constituting reasonable suspicion.
- C. A summarized copy of the written report, including the facts constituting reasonable suspicion, shall be furnished to the employee when the employee is ordered to submit to a reasonable suspicion drug test approved by the Department Head.
- D. Directors and supervisors encountering an employee who refuses an order to submit to a drug analysis upon direct order shall advise the employee of the requirements of this order and the disciplinary consequences of this policy.
- E. Employees reasonably believed to be under the influence of drugs or controlled substances shall be prevented from engaging in further work. Director and supervisory personnel shall arrange for the safe transportation of such employees from the workplace.

IV EMPLOYEE RESPONSIBILITIES

While the use of medically prescribed drugs is not per se a violation of this policy, failure by the employee to notify their supervisor, before beginning work, when taking prescribed drugs which could foreseeably interfere with the safe and effective performance of duties or operation of Department equipment can result in discipline.

In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using prescribed drugs clearance from a qualified physician shall be required. Each employee shall:

- A. Not report for duty when their ability to perform job duties is impaired due to on or off duty drug use.
- B. Notify the Department of their arrest for a violation of any criminal drug statute regulating the manufacture, distribution, dispensation, possession or use of a drug or controlled substance within 24 hours of such arrest.
- C. Promptly obey an order to submit to a drug testing procedure required by this order.

V CONFIDENTIALITY

All information, interviews, reports, statements, memoranda and test results, written or otherwise, received by the Department through the drug testing program are the property of the Department and are confidential communications. They shall not be used or received in evidence in any criminal proceeding against the employee, obtained in discovery, or disclosed in any public or private proceedings, except in accordance with the provisions of this order.

- A. Laboratory reports and test results shall not be placed in an employee's general personnel file but shall be kept in a separate confidential medical folder that shall be securely kept under the control of the Drug Testing Unit. The Unit is authorized to release the contents of the confidential medical folder to the Department Head or Commander of Internal Investigations.
- B. Disclosure of a positive confirmed drug test result without employee consent is authorized when it is:
 - 1. Required in a disciplinary action.
 - 2. Compelled by law or by judicial or administrative process (providing that the employee is given timely written notice by the Department).
 - 3. The information is needed by medical personnel for the emergency diagnosis or treatment of the employee, and the employee is unable to authorize disclosure.

- C. No physician-patient relationship is created between an employee and the Department or any person performing or evaluating a drug test, solely by the establishment, implementation or administration of the drug testing programs conducted in accordance with this order and policy.

VI TESTING LABORATORY CERTIFICATION

- A. The initial screening of urine specimens and confirmation testing of positive immunoassays required by this policy shall only be conducted by a licensed laboratory that meets the standards appropriate to the application of analytical forensic toxicology. The laboratory must conform to the guidelines of, and be certified to perform urine drug testing by, the Substance Abuse and Mental Health Services Administration (SAMHSA) and must be licensed by the U.S. Department of Health and Human Services (HHS).

The laboratory must meet the strict standards established in the Mandatory Guidelines for Federal Workplace Drug Testing Programs (53FR 11979, 11989) published on April 11, 1988, or as amended. The laboratory must have in its possession a letter of certification from HHS/SAMHSA and be listed in the Federal Register. In addition, the laboratory must be licensed and/or accredited by the U. S. Department of Health and Human Services Clinical Laboratory.

- B. The laboratory contracted for the testing of specimens submitted in accordance with this order shall be required to provide for and employ the following policies, procedures and personnel:

1. Initial drug screening tests utilizing the EMIT or equally reliable method.
2. Confirmation testing utilizing the Gas Chromatography/Mass Spectrometry (GC/MS) method.
3. Rigorous chain of custody procedures for collection of specimens and for handling specimens during testing and storage.
4. Stringent standards for making the drug testing site secure, for restricting access to all but authorized personnel and providing an escort for any others who are authorized to be on the premises.
5. Precise requirements for quality assurance and performance testing specific to urine specimens for the presence of controlled substances or illegal drugs and their metabolites.
6. Specific educational and experience requirements for laboratory personnel to ensure their competence and credibility as experts on forensic urine drug testing, particularly to qualify them as witnesses in legal proceedings which challenge the finding of the laboratory.

VII DRUG TESTING UNIT

The Administrator of the Drug Testing Unit shall be responsible for the operation of the drug program established by this policy in accordance with the Mandatory Guidelines in Article VI, of this policy and shall also be responsible for:

- A. Assuring that privacy intrusions are minimized during the collection of urine specimens and that specimens are stored and transported to testing laboratories under such conditions that the quality of the specimens shall not be jeopardized.
- B. Ensuring that the identities of employees whose tests show positive for the presence of a drug or controlled substance are limited to the Department Head or the Commander of Internal Investigations.
- C. Ensuring the use of a computer generated program to select employees for random drug testing.
- D. Assuring rigorous chain-of-custody procedures for the collection, handling and proper documentation of test specimens during testing and storage.
- E. Ensuring the generation of the random selection listing of personnel to identify employees who are to be directed to submit to drug testing on particular dates and shifts.
- F. Ensuring the notification of the directors and supervisors of each employee to be tested.
- G. Maintaining standard operating procedures to ensure the efficient operation and integrity of the Drug Testing Program.
- H. Coordination and liaison with the certified testing laboratory contracted by the Department.
- I. Evaluating the program and collecting and compiling anonymous statistical data including, but not limited to, reporting the number of:
 - 1. Random, reasonable suspicion and mandatory tests.
 - 2. Verified positive test results.
 - 3. Disciplinary actions initiated as a result of confirmed positive test results and other violations of this policy.
- J. Assisting in developing employee drug education and prevention programs.

VIII RANDOM DRUG TESTING SELECTION PROCEDURES

- A. The random selection of employees to be tested shall be based on a computer generated listing which shall ensure that there are no "safe periods" for any civilian employee. Each workday shall present every affected employee with a new opportunity of being required to submit to the random testing program, with a substantially equal statistical chance for all employees each new day, regardless of samples previously submitted. The selection process shall employ objective, neutral criteria and shall not permit subjective factors to play a role in the methodology.
- B. The number of random tests to be performed in any year shall be determined by a formula based on testing twenty (20) per cent of civilian employees who are in the common selection pool.
- C. The collection of specimens for random testing shall be evenly distributed throughout the year. The number of specimens collected weekly, monthly or quarterly shall remain relatively constant.
- D. Random testing shall be conducted on different days of the week throughout the annual cycle to prevent employees from anticipating patterns in collection schedules.
- E. The computerized random selection listing shall be generated from the common selection pool of all civilian employees utilizing a confidential identification number uniquely assigned to each individual employee. The association with and identification of the employee's name shall be known only to the Administrator or designee of the Drug Testing Unit until such a time as the daily selection for testing list is prepared for notification.

IX EMPLOYEE NOTIFICATION PROCEDURES

When a director or supervisor receives notification from the Drug Testing Unit, they shall prepare a Drug Testing Notification Form (RDT-92-100) in triplicate and read and explain the contents of the form to the affected employee. The Drug Testing Notification Form shall be distributed as follows:

- A. Original to the affected employee for presentation at the Drug Testing Unit for its retention.
- B. Second copy shall be retained by the affected employee.
- C. Third copy shall be retained by the director or supervisor of the affected employee in the unit of assignment or detail for 30 days.

The director/supervisor of an affected employee; when notified that the employee is leaving the unit of assignment to submit the required specimen, shall immediately contact and inform the Drug Testing Unit that the employee is enroute to the testing site.

X DUTIES OF EMPLOYEES SELECTED FOR DRUG TESTING

A civilian employee who is selected to be tested shall fully cooperate in the completion of all phases of the testing process and shall adhere to the following procedures:

- A. Upon notification that they have been selected for drug testing, the employee shall be required to report to the Drug Testing Unit office site before the conclusion of their tour of duty on which the notification was received.

The civilian employee shall then immediately proceed to the Drug Testing Unit office site. Affected personnel shall report in accordance with the following schedule:

1. First shift personnel shall report no earlier than 0500 hours and no later than 0800 hours.
 2. Second shift personnel shall report no earlier than 0800 hours and no later than 1400 hours.
 3. Third shift personnel shall report no earlier than 1400 hours and no later than 2000 hours.
- B. Upon arrival at the Drug Testing Unit office, employees shall identify themselves, present their photo identification card and the original Drug Testing Program Notification Form.
- C. Answer all pre-test questions relating to their medical history regarding the use of any/all prescribed drug(s).
- D. Upon completion of the specimen collection process, the employee shall immediately return to duty status.
- E. be considered completed until they have submitted the required urine specimen. An affected employee's tour of duty shall not

XI TEST RESULT PROCEDURES

- A. Confirmation and reporting of test results.
1. All employees shall be notified, in writing, of the results of their drug screening test, whether negative or positive.

2. A drug screening specimen that initially yields a positive result shall be tested a second time using a gas chromatography/mass spectrometry (GC/MS) test.
3. If the second test (GC/MS) confirms the initial positive test result, the employee shall be notified of the results in writing. The notification shall identify the particular drug(s) or controlled substance(s) or their metabolites and shall specify the concentration level.
4. An employee whose confirmation test as specified in paragraph 3, is deemed positive may, at the employee's own expense, have additional testing conducted on the original test sample. The employee shall have forty-eight (48) hours to notify the Drug Testing Unit, in writing, that they intends to have the confirmation verified by a laboratory of their own choice. The laboratory must be certified by the Federal Department of Health and Human Services (HHS) Substance Abuse and Mental Health Services Administration (SAMSHA).
5. Any employee who is the subject of a drug test that results in a positive confirmed test shall, upon written request, have access to any test or laboratory records relating to their drug test.
6. Confirmed positive test specimens shall be delivered to the laboratory of the employee's choice by the laboratory that performed the test for the Department. The original laboratory shall be responsible for the transfer of the portion of the specimen to be retested and for the integrity of the chain of custody during such transfer.
7. Quantitation for a retest is not subject to a specific cutoff level requirement but must provide data sufficient to confirm the presence of the drug or metabolite. Because some analytes may deteriorate or are lost during storage, detected levels of the drug below the detection limits established by this policy, but equal or greater than the established sensitivity of the assay must, as technically appropriate, be reported and considered corroborative of the original positive results.
8. An original copy of the results of the retest conducted by the employee's chosen laboratory shall be delivered to the Drug Test Unit within ten (10) calendar days from the date the specimen was delivered to the employee's selected laboratory by the Department laboratory.
9. If the HHS certified laboratory selected by the employee disputes the positive finding(s) of the laboratory utilized by the Department within the time allotted, using the same testing procedures used by the original laboratory, then no further action shall be taken against the employee. If the retest result is negative the Department shall reimburse the employee for the expenses incurred for the retest, such reimbursement shall be limited to the current cost to the Department for GC/MS confirmation testing.

10. If the laboratory selected by the employee fails to dispute the positive finding(s) within the allotted time, or if the employee fails or refuses to elect the confirmatory testing procedure within the time or in the manner prescribed herein, the Drug Testing Unit will proceed with the preliminary investigation previously initiated as a result of the initial confirmation finding of the original laboratory.
- B. Upon receipt of notification of a positive test result, the Administrator or designee of the Drug Testing Unit shall:
 1. Notify the Department Head or the Commander of Internal Affairs to instruct the employee to furnish documentation relating to the use of any legally prescribed drugs (e.g., patient maintenance report and/or prescribing physician's statement, etc.).
 2. When necessary, initiate a preliminary investigation to determine the validity of the employee's statement and evidence provided in support of a claim that they are presently taking prescribed drugs.
 - a. If the preliminary investigation reveals that the drugs have been legally prescribed and are being consumed at a therapeutic level in accordance with prescription directions, no further action shall be taken.
 - b. In all other instance, the Department Head or the Commander of the Internal Investigation Section shall be notified when the confirmed test results indicate positive evidence of drug usage by the employee. No action shall be taken as the result of a positive test result solely on the basis of an initial screening test procedure.

XII SEARCHES FOR ILLEGAL DRUGS

In the course of investigations related to this policy, investigative personnel may conduct searches of Department-owned property including, but not limited to lockers, desks, briefcases, toolboxes, offices, vehicles, etc. Searches of Department owned property may occur on or off Department premises.

In the course of an investigation under this policy where reasonable grounds exist either by testing positive for substances provided for in this policy or by being arrested for a violation of the Illinois Controlled Substance Act or the Cannabis Control Act. Searches of employee owned property may only occur on Department premises or in Department owned, vehicles. By accepting employment with, or performing services for the Department, all employees are deemed to have consented to such searches and no further consent shall be necessary.

XIII EMPLOYEE ASSISTANCE PROGRAM

The Department fully supports the Employee Assistance Program (EAP) and encourages employees who are using illegal or unauthorized drugs or controlled substances to seek the confidential services of the Program. The EAP plays an important role by providing employees an opportunity to eliminate the use of illegal drugs or controlled substances. Referrals can be made to appropriate treatment and rehabilitative facilities who shall follow-up with individuals during their rehabilitation period to track their progress and encourage successful completion of the program. Enrollment in, or current participation in, an EAP or other rehabilitation program will not excuse an employee from drug testing programs initiated by this policy and order; nor shall such participation preclude disciplinary action against an employee who tests positive for drug use during the course of any testing procedure required by this order.

XIV CONFLICT RESOLUTION AND INCLUSION OF APPENDIX

- A. This policy supersedes and takes precedence over any existing orders or directives. Any conflict between this policy shall be resolved in favor of this policy.
- B. The appendix referred to or cited in the policy is part of this policy and shall have the same force and effect as any other part of the policy.

XV DISCIPLINARY ACTION

Violations of this policy, substantiated by a confirmed positive drug test, will result in disciplinary action leading to the dismissal of a civilian employee.

XVI SAVINGS CLAUSE

If any provision of this policy or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by any existing or subsequently enacted Federal or State legislation or any other competent authority, such legislation or finding shall not affect the enforceability of any other provisions of this policy which shall remain in full force and effect.

ARTICLE 100 - GENERAL

101 APPLICABILITY

- A. These mandatory guidelines apply to all drug testing procedures conducted by this Department.
- B. Only laboratories certified under the standards established by the U.S. Department of Health and Human Services (HHS) are authorized to perform urine drug testing for the Department.

102 DEFINITIONS

For the purposes of these Guidelines the following definitions are adopted:

- Administrator: The person responsible for the supervision of the Drug Testing Unit and collection site operations.
- Aliquot: A portion of a urine specimen used for testing purposes.
- Chain of Custody: Procedures to account for the integrity of each urine specimen by tracking its handling and storage from the point of specimen collection to final disposition of the specimen. These procedures shall require that an approved chain of custody form be used from time of collection to receipt by the laboratory and that upon receipt by the laboratory an appropriate laboratory chain of custody form(s) account for the sample or sample aliquots within the laboratory. Chain of custody forms shall, at a minimum, include an entry documenting date and purpose of each time a specimen or aliquot is handled or transferred and identifying every individual in the chain of custody.
- Collection Site: A place designated by the Department where individuals present themselves for the purpose of providing a specimen of their urine to be analyzed for the presence of drugs or their metabolites.
- Collection Site Person: A person who instructs and assists individuals at a collection site, receives and makes initial examination of the urine specimen provided by those individuals. A collection site person shall have successfully completed training to carry out this function.
- Confirmatory Test: A second analytical procedure to identify the presence of specific drugs, controlled substances or their respective metabolites that is independent of the initial

test and which uses a different technique and chemical principle from that of the initial test in order to ensure reliability and accuracy. (At this time, gas chromatography/mass spectrometry (GC/MS) is the only authorized confirmation method).

Initial Test: (also known as Screening Test): An immunoassay screen to eliminate "negative" urine samples for further testing or consideration.

Permanent Record Book: A permanently bound book in which identifying data on each specimen collected at a collection site are permanently recorded in the sequence of collection.

Reason to Believe: Reason to believe that a particular individual may alter or substitute the urine specimen.

103 FUTURE REVISIONS

In order to ensure the full reliability and accuracy of initial and confirmation drug tests, the accurate reporting of test results, and the integrity and efficacy of testing programs, the Department may make changes in these Guidelines to reflect improvements in the available science and technology. These changes will be discussed with the affected employees Union prior to implementation and will be published as adopted from time to time.

ARTICLE 200 - SCIENTIFIC AND TECHNICAL REQUIREMENTS

201 THE DRUGS

- A. Department policy and directives define "drugs" and "controlled substances" as those substances and the respective metabolites, including but not limited to, cannabis as defined in 720, Illinois Compiled Statutes 550/3 and controlled substances. It does not include drugs used pursuant to a valid prescription or when used as otherwise authorized by law. While this definition encompasses many drugs, it is not feasible to test routinely for all of them. Department drug testing programs shall test for drugs as follows:
 - I. Random drug testing programs shall at a minimum test for marijuana and cocaine.
 - 2. Drug testing programs are also authorized to test for opiates, amphetamines, phencyclidine or any drug as defined in 201 (a) of these guidelines
- B. Urine specimens collected pursuant to the policies and directives of the Department shall be used only to test for those drugs included in these

Guidelines and may not be used to conduct any other analysis or test unless otherwise authorized by law.

- C. These Guidelines are not intended to limit additional categories of drugs in the drug testing of civilian employees.

202 SPECIMEN COLLECTION PROCEDURES

- A. Designation of Collection Site: The drug testing program shall have one or more designated collection sites which have all necessary personnel, materials, equipment, facilities, and supervision to provide for the collection, security, temporary storage, and shipping or transportation of urine specimens to a certified drug testing laboratory.
- B. Security: Procedures shall be provided for the designated collection site to be secure. If a collection site facility is dedicated solely to urine collection, it shall be secure at all times. If a facility cannot be dedicated solely to drug testing, the portion of the facility use for testing shall be secured during drug testing.
- C. Chain of Custody: Chain of custody standardized forms shall be properly executed by authorized collection site personnel upon receipt of specimens. Handling and transportation of urine specimens from one authorized individual or place to another shall always be accomplished through chain of custody procedures. Every effort shall be made to minimize the number of persons handling specimens.
- D. Access to Authorized Personnel Only: No unauthorized personnel shall be permitted in any part of the designated collection site when urine specimens are collected or stored. With the exception of personnel authorized to conduct inspections, all authorized visitors and maintenance and service personnel shall be escorted at all times. Documentation of individuals accessing these areas, dates, and time of entry and purpose of entry must be maintained.
- E. Privacy: Procedures for collecting urine specimens shall allow individual privacy unless there is reason to believe that a particular individual may alter or substitute the specimen to be provided.
- F. Integrity and Identity of Specimen: Collection site personnel shall take precautions to ensure that a urine specimen not be adulterated or diluted during the collection procedure and that information on the urine bottle and in the record book can identify the individual from whom the specimen was collected. The following minimum precautions shall be taken to ensure that unadulterated specimens are obtained and correctly identified:

1. To deter the dilution of specimens at the collection site, toilet bluing agents shall be placed in toilet tanks wherever possible so the reservoir of water in the toilet bowl always remains blue. There shall be no other source of water (e.g., no shower or sink) in the enclosure where urination occurs.
2. When an individual arrives at the collection site, the collection site person shall request the individual to present photo identification. If the individual does not have proper photo identification, the collection site person shall contact the supervisor of the individual, the coordinator of the drug testing program, or any other official who can positively identify the individual. If the individual's identity cannot be established, the collection site person shall not proceed with the collection. Individuals may also be required to furnish fingerprints for recording and establishing positive identification.
3. If the individual fails to arrive at the assigned time, the collection site person shall contact the appropriate authority to obtain guidance on the action to be taken.
4. The collection site person shall ask the individual to remove any unnecessary outer garments such as a coat or jacket that might conceal items or substances that could be used to tamper with or adulterate the individual's urine specimen. The collection site person shall ensure that all personal belongings such as a purse or briefcase remain with the outer garments. The individual may retain their wallet.
5. The individual shall be instructed to wash and dry their hands prior to urination.
6. After washing hands, the individual shall remain in the presence of the collection site person and shall not have access to any water fountain, faucet, soap dispenser, cleaning agent or any other materials which could be used to adulterate the specimen.
7. The individual may provide their specimen in the privacy of a stall or otherwise partitioned area that allows for individual privacy.
8. The collection site person shall note any unusual behavior or appearance in the permanent record book.
9. In the exceptional event that a Department collection site is not accessible, and there is an immediate requirement for specimen collection (e.g., an accident investigation), a public rest room maybe used according to the following procedures: A collection site person of the same gender as the individual shall accompany the

individual into the public rest room which shall be made secure during the collection procedure. If possible, a toilet bluing agent shall be placed in the bowl and any accessible toilet tank. The collection site person shall remain in the rest room, but outside the stall until the specimen is collected. If no bluing agent is available to deter specimen dilution, the collection site person shall instruct the individual not to flush the toilet until the specimen is delivered to the collection site person. After the collection site person has possession of the specimen, the individual will be instructed to flush the toilet and to participate with the collection site person in completing the chain of custody procedures.

10. Upon receiving the specimen from the individual, the collection site person shall determine that it contains at least 60 milliliters of urine. If there is less than 60 milliliters of urine in the container, the specimen will be discarded and a notation regarding the insufficient amount of specimen collected will be documented on the affidavit form. The donor will be required to provide another specimen in the amount of 60 milliliters in a different specimen collection container. The individual may be given a reasonable amount of liquid to drink for this purpose (e.g., a glass of water). If the individual fails for any reason to provide 60 milliliters of urine, the collection site person shall contact the appropriate authority to obtain guidance on the action to be taken.
11. After the specimen has been provided and submitted to the collection site person, the individual shall be allowed to wash their hands.
12. Immediately after the specimen is collected, the collection site person shall measure the temperature of the specimen. The temperature measuring device used must accurately reflect the temperature of the specimen and not contaminate the specimen. The time from urination to temperature measurement is critical and in no case shall exceed four (4) minutes.
13. If the temperature of a specimen is outside the range of 32.5-37.7 degrees centigrade or 90.5-99.8 degrees Fahrenheit, and there is reason to believe that the individual may have altered or substituted the specimen, and another specimen shall be collected under the direct observation of a same gender collection site person and both specimens shall be forwarded to the laboratory for testing. An individual may volunteer to have their oral temperature taken to provide evidence to counter the reason to believe the individual may have altered or substituted the specimen caused by the specimen's temperature falling outside the prescribed range.

14. Immediately after the specimen is collected, the collection site person shall also inspect the specimen to determine its color and look for any signs of contaminants. Any unusual findings will be noted in the permanent record book.
15. All specimens suspected of being adulterated shall be forwarded to the laboratory for testing.
16. Whenever there is reason to believe that a particular individual may alter or substitute the specimen to be provided, a second specimen shall be obtained as soon as possible under the direct observation of a same gender collection site person.
17. Both the individual being tested and the collection site person shall keep the specimen in view at all times prior to its being sealed and labeled. If the specimen is transferred to a second bottle, the collection site person shall require the individual to observe the transfer of the specimen and the placement of the tamper proof seal over the bottle cap and down the sides of the bottle.
18. The collection site person and the individual shall be present at the same time during procedures outlined in paragraphs (f) (19) - (f) (22) of this section.
19. The collection site person shall place securely on the bottle an identification label, which contains the date, the individual's specimen number, and any other identifying information provided or required.
20. The individual shall initial the identification label on the specimen bottle for the purpose of certifying that it is the specimen collected from him or her.
21. The collection site person shall enter in the permanent record book all information identifying the specimen. The collection site person shall sign the permanent record book next to the identifying information.
22. The individual shall be required to read and sign a statement in the permanent record book certifying that the specimen identified as having been collected from him or her is in fact the specimen they provided.
23. A higher level supervisor shall review and concur in advance with any decision by a collection site person to obtain a specimen under

the direct observation of a same gender collection site person based on a reason to believe that the individual may alter or substitute the specimen to be provided.

24. The collection site person shall complete the chain of custody form.
 25. The urine specimen and chain of custody form are now ready for shipment or pickup. If the specimen is not immediately prepared for shipment, it shall be appropriately safeguarded during temporary storage.
 26. While any part of the above chain of custody is being performed, it is essential that the urine specimen and custody documents be under the control of the involved collection site person. If the involved collection site person leaves their workstation momentarily, the specimen and custody form shall be taken with him or her or be secured. After the collection site person returns to the workstation, the custody process will continue. If the collection site person is leaving for an extended period of time, the specimen shall be packaged for shipment before they leave the site.
- G. Collection Control: To the maximum extent possible, collection site personnel shall keep the individual's specimen within sight both before and after the individual has urinated. After the specimen is collected, it shall be properly sealed and labeled. An approved chain of custody form shall be used for maintaining control and accountability of each specimen from the point of collection to final disposition of the specimen. Every effort shall be made to minimize the number of persons handling specimens.
- H. Transportation to Laboratory: Collection site personnel shall arrange to ship the collected specimens to the drug testing laboratory. The specimens " shall be placed in containers designed to minimize the possibility of damage during shipment, for example, specimen boxes or padded mailers; and those containers shall be securely sealed to eliminate the possibility of undetected tampering. On the tape sealing the container, the collection site person shall sign and enter the date specimens were sealed in the containers for shipment. The collection site personnel shall ensure that the chain of custody documentation is attached to each container sealed for shipment to the drug testing laboratory.

203 SHORT AND LONG TERM SPECIMEN STORAGE

- A. Short-Term Refrigerated Storage: Specimens shall be placed in secure refrigeration units. Temperatures shall not exceed six (6) degrees centigrade. Emergency power equipment shall be available in case of prolonged power failure.

- B. Long-Term Refrigerated Storage: Long-term frozen storage (-20 degrees centigrade or less) ensures that positive urine specimens will be available for any necessary retest during administrative or disciplinary proceedings. Unless otherwise authorized in writing by higher authority, collection sites and/or drug testing laboratories shall retain and place in properly secured long-term frozen storage for a minimum of one (1) year all specimens confirmed positive. Within this one (1) year period, the Department may request the laboratory to retain the specimen for an additional period of time, but if no such request is made, the laboratory may discard the specimen after the end of one (1) year period, except that the laboratory shall be required to maintain any specimens under legal challenge for an indefinite period of time.

204 TEST LEVELS

- A. Initial Test Level: The initial test shall use an immunoassay which meets the requirements of the Food and Drug Administration for commercial distribution. The following initial cutoff levels shall be used when screening specimens to determine whether they are negative for these drugs or classes of drugs.
- B. Confirmatory Test Levels: All specimens identified as positive on the initial test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) techniques at the cutoff values listed in this section for each drug. All confirmations shall be by quantitative analysis. Concentrations which exceed the linear region of the standard curve shall be documented in the laboratory record as "greater than highest standard curve value."

| | Initial test level (ng/ml) | Confirmatory test level (ng/ml) |
|---------------------------------|-------------------------------|------------------------------------|
| Amphetamine | 1000 | 500 |

- C. Test Level Revisions: The test levels listed in this section are subject to change by the Department as advances in technology or other considerations warrant identification of these substances at other concentrations. Any changes in these test levels will be published in a timely fashion.

205 REPORTING TEST RESULTS

- A. The laboratory shall report test results to the Administrator or designee of the Drug Testing Unit within an average of five (5) working days after the receipt of the specimen by the laboratory. Before any test result is reported (the results of initial tests, confirmatory tests, or quality control data), it shall be reviewed, and the test certified as an accurate report by the responsible individual. The report shall identify the drugs/metabolites tested for, whether positive or negative, and the cut off for each, the specimen number assigned by the Department, and the drug testing laboratory specimen identification number. The results (positive and negative) for all specimens submitted at the same time to the laboratory shall be reported back to the Administrator or designee at the same time.
- B. The testing laboratory shall report as negative all specimens which are negative on the initial test or negative on the confirmatory test. Only specimens confirmed positive shall be reported positive for a specific drug.
- C. The Administrator or designee may request from the laboratory and the laboratory shall provide quantitation of test results.
- D. The laboratory may transmit results to the Administrator or designee by various electronic means (e.g., computer, teleprinters, or facsimile) in a manner designed to ensure confidentiality of the information. Results may not be provided verbally by telephone. The laboratory must ensure the security of the data transmission and limit access to any data transmission, storage, and retrieval systems.
- E. The laboratory shall send only to the Administrator or designee a final drug test report with the name of the individual responsible for attesting to the validity of the test result.
- F. Unless otherwise directed by the Department or the Administrator in writing, all records pertaining to a given urine specimen shall be retained by the drug testing laboratory for a minimum of two (2) years.
- G. The drug testing laboratory shall never be furnished with the name of the individual to whom a particular drug specimen is associated with. The only exception to this rule will be in those cases in which the individual is the subject of a hearing for disciplinary action as a result of a confirmed positive drug test which will require the testimony of laboratory personnel.

The confidentiality provision of the Department's policy and current written directives will take precedence over this section of the guidelines.

APPENDIX F

Amendment to Drug Testing Policy Civilian

Drug Testing Review Board Procedure

Effective 1/19/2016

1. PURPOSE AND SCOPE

This procedure provided guidelines for the review of a petition for reconsideration, filed by a Cook County Sheriff's Office civilian member who has violated the Sheriff's office Drug-Free Workplace Policy.

This procedure is only applicable to civilian members of the Sheriff's Office.

This procedure shall not be followed if the civilian member violated the Drug-Free Workplace Policy while on-duty, on property belonging to the Sheriff's Office or Cook County, or while operating Sheriff's Office equipment.

Any civilian member who had been terminated within the 24 months prior to the first issuance of this procedure (15 January 2016) may submit a petition for reinstatement, if applicable under this procedure; that petition must be filed by 15 March 2016. As its sole discretion, the Drug Testing Review Board may accept and consider additional petitions outside these time limits.

2. POLICY

All civilian members are subject to drug testing, whether mandatory, random or based on reasonable suspicion, as outlined in the Sheriff's Office Drug-Free Workplace Policy.

A civilian member who violates the Drug-Free Workplace Policy and has been terminated as a result may be granted a one-time-only exemption by the Drug Testing Review Board (the Board) after filing a petition for reconsideration. A written petition shall be filed with the Board within five calendar days after the exit interview was signed by the Department of Human Resources; however, filing the petition does not guarantee conditional reinstatement.

3. DEFINITIONS

Definitions related to this policy include

Misuse of drugs - In addition to illicit drug use as described in the Drug-Free Workplace Policy, the abuse or unlawful use of over the counter (OTC) and prescription drugs is prohibited as misuse. This includes prescription drugs, whether or not they were prescribed to the member. OTC drugs are misused when taken contrary to the directions.

on the packaging. Prescribed drugs are misused when taken contrary to the prescriber's instructions.

4. DRUG TESTING REVIEW BOARD

The Board comprises the Chief legal Officer, the Chief of Information and Administration and the respective department head or the authorized designee. The Board shall have sole discretion to grant or deny a petition for reconsideration. The Board shall notify the affected member in writing of its decisions, whether for a petition or in regards to final termination for violation of this procedure.

5. CONDITIONS OF REINSTATEMENT

If the Board grants the affected member's petition, the member shall be reinstated with the Sheriff's Office, after passing a drug screening test and. agreeing in writing to a Last Chance Agreement that is prepared by the Sheriff's Office Legal Department. Human Resources will monitor compliance of the Last Chance Agreement in collaboration with the respective department lead. The Last Chance Agreement should include, but is not limited to, all of the following conditions listed below. The member shall:

- a) Admit to misusing drugs and take full responsibility for their actions leading up to the violation that caused the member's initial termination; and
- b). Cease the use of illegal drugs, the misuse of prescription or OTC drugs, or any combination thereof; and
- b) Receive a minimum suspension of 29 days.
- c) Submit to and bear the expense of at least 12 random drug test over a 24 month period for the date of conditional reinstatement; and
 - a. Any subsequent failure to pass a drug screening test will result in the member's immediate termination.
- d) Participate in an authorized employee assistance program and successfully complete all recommended services/programs, as required by the provider; and
 - a. Provide medical documentation from their physician to ensure that any prescribed medication will not interfere with the member's work duties. Continually provide updated documentation for any prescription changes throughout the duration of the Last Chance Agreement.
- e) Comply with all return to work procedures; and

- f) Not seek to recover lost wages, seniority, service time or other benefits for the period between termination and reinstatement. This applies regardless of any delay (for any reason) by the Sheriff's Office or the Board.

Failure to fully comply with all of the conditions set forth in the Last Chance Agreement will result in the immediate termination of the affected civilian member.
