In addition, a request MUST be submitted in writing, on the designed form, to the employee's supervisor at least 48 hours in advance.

Further, should unrestricted leave requests exceed available substitutes, some such leaves may be denied. Denials will be determined on the basis of the date such requests were received by the Administration.

Such leave shall be unpaid, is limited to eight hours per school year and no more than four hours on any given day. Any member of the Educational Support Personnel staff may be a member of the sick leave bank, so long as they enroll within 10 days of their initial employment with the school district. Each member initially enrolling in the bank shall donate 2 days sick leave to the bank. Additional day(s) will be donated any time the bank falls below 100 days.

A member withdrawing from membership in the bank shall not have any contributed days refunded.

Membership in the bank is automatically terminated upon effective dates of resignation, retirement, dismissal or a leave of absence. Persons rejoining the staff will be assessed only the current year's donated day(s), if any.

The first 20 days of absence shall not be covered by the bank, but must be covered by the member's own accumulated sick leave, or absence without pay. A member shall not be eligible to draw on the bank until the member has depleted all accumulated sick leave days. Following the 20th day of absence, or the expenditure of accumulated leave days as indicated above, whichever is later, a member may apply for use of the sick leave bank. A maximum of 60 days from the sick leave bank may be used during any one school year by any member for a single illness or injury. Such days of absence need not be continuous. No member shall draw upon the sick leave bank in two successive years, unless they shall render service for at least 60 school days prior to the drawing from the bank the second year.

Members on Maternity Leave or Workman's Compensation shall not be eligible for sick bank coverage. Complications from Maternity Leave may be covered by the Bank, if recommended by the review committee and approved by the Board of Education.

Applications for sick bank coverage are to be submitted to the Superintendent for review by the special committee, comprised of four Educational Support Personnel (one selected by each Association and one selected by the non-affiliated members) and an administrator. If the administration declines, the committee will be comprised of the four Educational Support Personnel.

Applications shall state the cause for the absence and expected dates of the leave. The applications shall be accompanied by a note from the attending physician that clearly confirms the illness and the expected recovery period. It will be the member's responsibility to prove an elective surgery could not be taken care of incorporating vacation time or during summer break.

The employee shall be responsible for authenticating the claim of illness or injury and the committee shall be responsible for ascertaining the eligibility of the employee to draw on the bank. The decisions of the committee shall be final and not subject to the grievance and/or arbitration procedure. Neither the employees nor the Union shall hold the Board or its officials and employees, including but not limited to the Superintendent and the other members of the sick leave bank committee, liable for any decisions made by the committee. The Union and the employees agree to hold harmless and indemnify the Board and its officials or employees, including but not limited to the Superintendent and the other members of the sick leave bank committee, from and against any claims, damages, or legal actions regarding decisions by the committee and/or arising out of or related to the sick leave bank.

Where appropriate, based upon operational makeup of the department, and if mutually agreed upon, the parties may combine Step One and Step Two into a single step or make alterations, such as bypassing step(s), in the following procedures. For the purpose of this Article only, the term "work day" shall refer to Monday through Friday, excluding weekends and holidays (as that term is defined in this Agreement).

Step 1: In the event the employee believes that there has been a violation of this Agreement, she shall present the grievance to her immediate superior within 15 calendar days of the date of the employee first knew or should have known of the act or condition upon which the alleged grievance is based. The first step shall be informal.

Step 2: If the grievance is not resolved informally, the grievant shall then submit the grievance in writing, on a mutually agreeable form, to the Superintendent of Schools. The parties shall meet as soon as possible to resolve the grievance. Within 15 calendar days after the grievance is submitted to the Superintendent, he shall render a decision in writing on the grievance. In Step 2 and Step 3, the grievant shall have right to union representation.

Step 3: A grievant may proceed to Step 3 if she is not satisfied with the decision of the Superintendent within 15 calendar days of having received the Superintendent's decision.

The grievant shall present the grievance to the School Board at the next regularly scheduled meeting of the Board. Within 5 calendar days of hearing the grievance, the School Board shall render a decision in writing on the grievance.

Within five (5) work days from the issuance of the list of arbitrators, the Union shall contact the Employer and the parties shall select an arbitrator. The selection of the arbitrator will occur in the following manner: The Employer and the Union shall first attempt to agree on an arbitrator. If the parties cannot agree on an arbitrator the parties shall select an arbitrator by alternating the striking of names until only one (1) arbitrator is remaining. The parties shall alternate who begins the striking process with each Step 4 matter. The Union and the Employer shall contact the arbitrator within five (5) work days of his/her selection to schedule a hearing.

Expenses for the Arbitrator's services shall be borne equally by the Board and the Union.
