- b. No candidate (including a prospective candidate) for any office in this election or supporter of a candidate may solicit or accept financial support or any other direct or indirect support of any kind from any non-member of the International Union (Article 12, Section 7 of the SEIU Local 73 Constitution and Bylaws). Only members of SEIU Local 73 shall be eligible to serve as observers in the election process.
- c. Federal law also provides that candidates must be treated equally regarding the opportunity to campaign and that all members may support the candidates of their choice without being subject to penalty, discipline, or reprisal of any kind.
- d. SEIU Local 73 shall comply with all reasonable requests of any candidate or slate of candidates to distribute by U.S. postal mail, via a mail house, at the candidate's expense, campaign literature in aid of that person's candidacy. Any such assistance given to one candidate shall also be made available to all other candidates, at their own expense. Such requests should be directed to the Chairperson of the SEIU Local 73 Elections Committee or his designee at Elections@seiu73.org. Do not include copies of your campaign literature in your email request to SEIU Local 73 Elections Committee.

Any candidate or slate of candidates that wishes to do a U.S. postal mailing of campaign literature to all or a portion of the SEIU Local 73 membership may do so by following the procedures outlined here. Mailing of literature will take a minimum of three business days to complete from the time of request.

- e. SEIU Local 73 also shall comply with all reasonable requests of any candidate or slate of candidates to distribute by electronic mail, via a vendor and at the candidate's or slate's expense, campaign literature in aid of that person's candidacy. - 3) The Email Vendor selected by the Elections Committee is Merriman River Group, smarceau@merrimanriver.com. The PDF for any campaign email must be sent to this email address to be correctly submitted.
- 4) Candidates or slates wishing to utilize email for campaigning will be required to pay for all charges required by the Email Vendor in advance of each email distribution, which will include the hourly rates for the vendor to coordinate or distribute the requested electronic email. Each candidate or slate wanting to campaign by email is required to contact the Email Vendor by telephone to arrange for such advance payments.
- 5) Each campaign email, at the option of the candidate or slate, may be sent to all members of Local 73 for whom a personal email address is available, or to a portion of the membership such as, for example, all members in a particular Region or another segment of the membership that can be practicably identified from the listing of email addresses kept by the Local.

- 7) Each email distributed by the Email Vendor will be sent from an email address that is not associated with Local 73 or any candidate, will list "Campaign Mailing" as the subject of the email, will attach the PDF precisely as it was received by the Email Vendor from a candidate or slate, and will contain the following text in the body of the email:

- 4. Inspection of Membership List**
- a. Each candidate may inspect (not copy) the SEIU Local 73 membership list once within thirty (30) days prior to the election. No candidate is entitled to receive a copy of the membership list.

LEADERSHIP ASSEMBLY DELEGATE ELECTION RULES

- b. The membership list will be available for inspection at the SEIU Local 73 Chicago office at 300 South Ashland Avenue, Suite 400, Chicago, Illinois, 60607 between 9 a.m. and 5 p.m., Monday through Friday, from September 9, 2024 to October 9, 2024. Any candidate who wishes to inspect the list should contact the Elections Committee Chairperson at Elections@seiu73.org.

5. Election

- a. A combined Nomination and Election Notice shall be mailed to the last known address of each SEIU Local 73 member on or before August 19, 2024. Members are responsible for notifying SEIU Local 73 if their mailing address has changed. Members can update their address by contacting SEIU Local 73's Member Action Center at (312) 787-5868.
- b. The election shall be conducted via a secret mail ballot election. Ballots for this election shall be mailed to all eligible members on or about October 9, 2024. Any eligible member who has not received a ballot in the mail at home or who spoils his/her ballot may request a new ballot by contacting the Election contractor at 877-324-7655. An automated system will prompt the member to provide the necessary information for mailing a new ballot. Members can request a new ballot after 9 a.m. EST on October 16, 2024 and no later than 5 p.m. EST on October 23, 2024. If a member votes more than once but is otherwise eligible, the only ballot that will be included in the tally is the one returned in the replacement ballot return envelope. Members are responsible for mailing their own ballots. Voted ballots are not to be turned over to other union members or other persons for mailing, as each voter must mail the ballot on his/her own behalf.
- c. In the event that only the allocated number of candidates are nominated for any office, no election shall be conducted for such office unless required by law. Such unopposed candidate shall be declared elected.
- d. For the Leadership Assembly Delegate positions in each Region, the election shall be decided for the candidates who receive the most votes from their respective Regions. When there is more than one (1) Leadership Assembly Delegate position for a specific Region, then the candidate who receives the most votes will get the first Leadership Assembly Delegate position, the candidate who receives the second most votes will get the second Leadership Assembly Delegate position, and so on until all the designated Leadership Assembly Delegate positions, as per Paragraph 1(b) above, for that Region are filled. For example, Region 1 may have up to two hundred forty-one (241) Leadership Assembly Delegates.
- e. A ballot package with voting instructions will be sent to all eligible members on or about October 9, 2024. Ballot packages that are returned undeliverable will remain unopened and will be maintained by Local 73. Local 73 will attempt to locate addresses of members whose ballots are returned as undeliverable and will re-mail the ballot packages if corrected addresses are found.
- f. In order to be counted, the ballots must be received by 10 a.m., or soon thereafter, on November 9, 2024 at the P.O. Box designated on the return ballot envelope. On November 9, 2024, the Elections Committee Chairperson will pick up the ballots at 10 a.m., or soon thereafter, from the above-listed address and candidates may have an observer present. The ballots will be immediately transported to SEIU Local 73's Chicago office at 300 South Ashland Avenue, Chicago, Illinois 60607 for the counting of the ballots. The ballot counting will begin immediately after the ballots are transported to the count site on November 9, 2024 and will continue until completion, or until the Elections Committee announces the results of the election.
- g. In the event of a tie for any office in which there are fewer positions than tied candidates, a second election shall be held for such office in accordance with these Election Rules. In the event of a tie for any office, no new nominations will be accepted and only the names of the candidates who tied will appear on the ballots. The Elections Committee will determine the date and method of election, provided that such election will be held, and ballots tallied, by January 13, 2025.
- h. After any ties for the Leadership Assembly Delegate positions are resolved, then, in accordance with Article 12, Section 3, in each Region, the two (2) Leadership Assembly Delegates who received the highest number of votes in their Region but did not receive a sufficient number of votes to be elected to a Leadership Assembly Delegate position in their Region shall be elected as the two (2) alternate Leadership Assembly Delegates for their Region. In the event of a tie for an alternate Leadership Assembly Delegate position, the Elections Committee shall resolve the tie by placing the names of the tied candidates in a box and drawing name(s).
- i. A ballot that a member receives for this Leadership Assembly Delegate election shall include only the following candidates for positions in their Region, in the following order:
1. Leadership Assembly Delegate (number of open positions varies by Region)
- j. The official ballot instructions will be printed on the reverse side of the ballot. Read them carefully before marking and mailing your ballot. Voted ballots will be voided if you write your name or make any possible identifying marks or comments on the ballot.

6. Voter Eligibility

- a. Article 3, Section 1 of the Local 73 Bylaws defines member eligibility as any person employed within the jurisdiction of the Local, and any person in paid service to the Local (provided that such individual is not represented for purposes of collective bargaining by another labor organization in the position that would otherwise qualify him or her for membership).
- b. Article 3, Section 3A defines a regular member, or a member in good standing of the Local, as one who is eligible for membership under Section 1 of the Article and who has voluntarily signed a union application for membership and paid the current dues obligation. Bargaining unit members in newly created bargaining units that have not yet reached a collective bargaining agreement, including, but not limited to, may not be eligible to vote if they do not meet the requirements necessary to be a member in good standing under Article 3, Section 3A of SEIU Local 73's Constitution and Bylaws.

LEADERSHIP ASSEMBLY DELEGATE ELECTION RULES

- c. Members in good standing who have paid dues through September 28, 2024 prior to 5:00 p.m. on October 4, 2024 will be mailed a ballot on October 9, 2024 and be eligible to vote. A member shall be entitled to vote in only one Region. Members holding employment with multiple employers in different Regions shall only be permitted to vote in the Region in which their primary employer is located. Any voted ballot envelope that has been received by SEIU Local 73 for which the voter does not appear on the SEIU Local 73 voter eligibility list on the tally date will be designated a challenged ballot. The Elections Committee will make all attempts to resolve challenged ballots prior to the vote tally.
- g. At the conclusion of the voting, the Elections Committee shall tally the votes and certify in writing the results of the election. Any appeals of the election results shall be made to the Elections Committee, addressed to its Chairperson, within seven (7) calendar days of the closing of the official tally of ballots. Such appeal shall set forth the alleged violations of the Constitution and Bylaws of SEIU Local 73, the International Union, and/or applicable law. The Elections Committee shall conduct such investigations and/or hearings as it deems necessary, and shall issue its decision on the appeal within fourteen (14) calendar days after receiving the appeal. Appeals to the SEIU International Union are governed by the SEIU International Constitution and Bylaws.

7. Elections Committee

- a. Per Article 12 of SEIU Local 73's Constitution and Bylaws, the election shall be held under the supervision of the Elections Committee.
- b. The Elections Committee shall be composed of five (5) members who are not candidates for any office and shall be appointed at least thirty (30) calendar days prior to the nomination period. The members of the Elections Committee shall choose a Chairperson. In order to maintain the integrity of the elections process, members of the Elections Committee shall not be public supporters of any candidate or slate of candidates for Local office.
- c. The Elections Committee shall be appointed by the SEIU Local 73 President, with the concurrence of the SEIU Local 73 Executive Board.
- d. The Elections Committee shall provide a reasonable notice of the nominations process, which shall include the date, time, place and method for submitting nominations. The Elections Committee will distribute official nomination forms, which will be required to be used by all candidates. The Elections Committee shall set up adequate safeguards to ensure a safe and fair election, including the right of each candidate to have an observer (or more than one, if necessary and approved by the Elections Committee) present when ballots are prepared and mailed out, when ballots that have been returned undeliverable are picked up by the Elections Committee, when ballots are picked up after voting has concluded, and when the ballots are opened and counted. Only members of SEIU Local 73 shall be eligible to serve as observers in the election process. The number of observers will not be automatically limited, but space, health, and safety considerations may result in the need to limit the number of observers per candidate. Observers will be required to present photo identification and sign an observer register.
- e. The Elections Committee may make rulings on challenges and on all matters involving the eligibility of candidates and voters, conduct of the election, and the ballot count, about which it may consult SEIU Local 73's counsel or other counsel that the Elections Committee selects. The decision on any questions by a majority of the Committee shall be binding.
- f. Any member of SEIU Local 73 who has been declared ineligible to run for office may, no later than three (3) calendar days after receiving notice, appeal such decision in writing to the Elections Committee.

8. Installation

- a. Installation of the elected candidates shall occur on or by December 14, 2024.

9. Campaign Restrictions

- a. Even though some federal laws applicable to union officer elections may not apply, SEIU Local 73 will apply the same campaign restrictions governing the election of officers to the election of Leadership Assembly Delegates. Federal law prohibits the use of any union or employer funds to promote the candidacy of any person in a union officer election. This prohibition applies to cash, facilities, equipment, vehicles, stationary, office supplies, records, etc., of SEIU Local 73 and any other union, and of employers, whether or not they employ SEIU Local 73 members. SEIU Local 73 officers and employees may not campaign on time paid for by SEIU Local 73. SEIU Local 73 officers and employees may not distribute to anyone a full or partial copy of the membership list.
- b. No candidate (including a prospective candidate) for any office in this election or supporter of a candidate may solicit or accept financial support or any other direct or indirect support of any kind from any non-member of the International Union (Article 12, Section 7 of the SEIU Local 73 Constitution and Bylaws). Only members of SEIU Local 73 shall be eligible to serve as observers in the election process.
- c. Federal law also provides that candidates must be treated equally regarding the opportunity to campaign and that all members may support the candidates of their choice without being subject to penalty, discipline, or reprisal of any kind.
- d. SEIU Local 73 shall comply with all reasonable requests of any candidate or slate of candidates to distribute by U.S. postal mail, via a mail house, at the candidate's expense, campaign literature in aid of that person's candidacy. Any such assistance given to one candidate shall also be made available to all other candidates, at their own expense. Such requests should be directed to the Chairperson of the SEIU Local 73 Elections Committee or his designee at Elections@seiu73.org. Do not include copies of your campaign literature in your email request to SEIU Local 73 Elections Committee.

LEADERSHIP ASSEMBLY DELEGATE ELECTION RULES

Any candidate or slate of candidates that wishes to do a U.S. postal mailing of campaign literature to all or a portion of the SEIU Local 73 membership may do so by following the procedures outlined here. The candidate or slate shall present postage prepaid sealed envelopes, stapled flyers or postcards to Grace Printing 3425 Cleveland St. Skokie, IL 60712 , 847-423-2100, Extension 7209, titus@graceprinting.com. A portion of the membership would be, for example, all members in a particular Region, or any other segment of the membership that can be practicably identified by SEIU Local 73. SEIU Local 73 will not be charging candidates for use of the membership mailing list that will be provided to the printing companies. Mailing of literature will take a minimum of three business days to complete from the time of request.

- e. SEIU Local 73 will not make any changes, including any correction of errors (i.e., misspelling, grammar, or typing errors) to the content of any U.S. postal mailing to be distributed.
- f. Campaigning should comply with the Department of Labor “coming and going” regulation: *“Campaigning by union officials which is ‘incidental’ to union business is not a violation of federal law. For example, any campaigning by union officials which occurs as a consequence of conducting legitimate union business, such as shaking hands with members while visiting work sites on official business, is permissible.”* (Conducting Local Union Officer Elections: A Guide for Election Officials.)

10. Other Rules

- a. There shall be no write-in or stick-on candidates and any ballot containing a write-in or stick-on candidate shall be void insofar as the vote for such office is concerned. Proxy voting shall not be permitted. Any such ballot for that office shall not be considered as having been cast in determining the plurality of the vote.
- b. For purposes of this election, a slate is a group of two or more candidates.
- c. In the event that a candidate for office dies before the election and is elected, then the election for that position shall continue and, following the installation of the elected candidates, the vacancy will be filled per Article 13 of SEIU Local 73’s Constitution and Bylaws.
- d. All officers of SEIU Local 73 elected in conformity with all applicable statutes shall, by virtue of such election, be considered to be eligible delegates to any International Convention that may take place during their term of office, subject to the allocation of delegates to SEIU Local 73 by the International Union and consistent with the relevant provisions of SEIU Local 73’s Constitution and Bylaws.
- e. By October 9, 2024, SEIU Local 73 shall post on its website any candidate statements it has timely received from eligible candidates. Candidates’ statements must be received by the Elections Committee at Elections@seiu73.org no later than 5:00 p.m. on October 2, 2024. The candidates must submit their candidate statements in corrected proofread form. SEIU Local 73 will not make any changes, including any correction of errors (i.e., misspelling, grammar, or typing errors). All candidate statements will be limited to two hundred (200) words. A number or date, such as 01/01/2024, shall be counted as a word. If a candidate statement exceeds 200 words, the statement will cease at 200 words. Candidates may submit one (1) photo with their statements. Both the candidate statement and the photo will be posted to the SEIU Local 73 website.

- f. Following the election, SEIU Local 73 shall maintain all nomination and election records in sealed containers for at least one year after the election.

Candidates or members with questions about the nomination or election procedures should contact the Chairperson of the Elections Committee at Elections@seiu73.org. The Chairperson of the Elections Committee reserves the right to require any candidate or member to submit any questions in writing. Any violation of these rules should be reported promptly and in writing to the Election Committee so that any corrective action can be taken, where necessary.

The above rules are not all inclusive. Additional election rules, revisions, or clarifications may be issued by the Elections Committee as needed during the nomination and election period and posted on the SEIU Local 73 website.
