

WHO IS IMPACTED IF THE DEPARTMENT OF EDUCATION IS DISMANTLED?

Disadvantaged students receiving Title I Funding to improve educational opportunities in low-income communities:

Low-income college students receiving Pell Grants to pay for higher education:

Dismantling or defunding the Department would hit students and families of color hardest. Black college graduates already owe \$25,000 more than their white peers—cutting or privatizing student loans would deepen this gap.

HOW MUCH FEDERAL EDUCATION AID COULD YOUR STATE LOSE?

Check out the [Education Law Center's Federal Revenue Tool](#) to estimate the amount of federal education aid at risk in your state!
